

## **A Good Place to Bring a Smile**

**If you wake up feeling blue... there's one thing you might want to do.  
In a place not so far away... there are friends to talk to and games to play.  
The Huntington Senior Center has it all... Stroll right in, you'll have a ball!  
The food will rival five star fare... You'd swear Emeril was cooking there!  
Shoot a game of pool or two... with so many other things to do.  
Hop on a bus with some friends and take a trip Upstate... We'll have a  
sing-a-long, hit some shops... it won't be second rate.  
Fitness classes — dancing — laughing... Come and stay awhile.  
The Senior Center is a good place to bring a smile.**
