

*Class will be held in our Library/Computer Room
with one-on-one instruction.
Limit of 6 seniors per class. Pre-Registration Required*

Thursday, April 10th 10:30 - 11:30 am - Room 117

Dive into the Town of Huntington's New Website!

*Learn basic website navigation with Carolyn Plante. Get familiar with the website's **Senior** homepage and navigation. Learn how to use the site's Google search feature and set up auto notifications. See the **Calling All Seniors** Newsletter in **COLOR** and have it emailed to you! Check out the menu of the day from **HOME**! View monthly photographs with your grand-children. And learn much more!*

The screenshot displays the Town of Huntington website in a browser window. The address bar shows the URL www.huntingtonny.gov/content/13749/13841/default.aspx. The page header includes the text "TOWN OF HUNTINGTON LONG ISLAND, NEW YORK" and a search bar. A navigation menu contains links for "Our Community", "Services", "Business", "Government", and "Elected Officials". The main content area features a large photograph of a diverse group of seniors standing around a sign that reads "SENIOR CITIZEN CENTER". Below the photo, there is a "Services" sidebar with a "Seniors" section containing links for "Meet the Staff", "Programs & Services", and "Adult Day Care Program". The main content area also has a "Seniors" section with text describing the Senior Division's services and a "News" section with links for "Upcoming Events!" and "Join the Sunshine". The Windows taskbar at the bottom shows the date and time as 11:41 AM on 12/30/2013.
