6 **Transcript requested.** Enter the tax form number here (1040, 1065, 1120, etc.) and check the appropriate box below. Enter only one tax form number per request. ▶ 1040

a **Return Transcript,** which includes most of the line items of a tax return as filed with the IRS. A tax return transcript does not reflect changes made to the account after the return is processed. Transcripts are only available for the following returns: Form 1040 series, Form 1065, Form 1120, Form 1120-A, Form 1120-H, Form 1120-L, and Form 1120S. Return transcripts are available for the current year and returns processed during the prior 3 processing years. Most requests will be processed within 10 business days ☐

b **Account Transcript,** which contains information on the financial status of the account, such as payments made on the account, penalty assessments, and adjustments made by you or the IRS after the return was filed. Return information is limited to items such as tax liability and estimated tax payments. Account transcripts are available for most returns. Most requests will be processed within 10 business days ☐

c **Record of Account,** which provides the most detailed information as it is a combination of the Return Transcript and the Account Transcript. Available for current year and 3 prior tax years. Most requests will be processed within 10 business days ☐

7 **Verification of Nonfiling,** which is proof from the IRS that you **did not** file a return for the year. Current year requests are only available after June 15th. There are no availability restrictions on prior year requests. Most requests will be processed within 10 business days ☐

8 **Form W-2, Form 1099 series, Form 1098 series, or Form 5498 series transcript.** The IRS can provide a transcript that includes data from these information returns. State or local information is not included with the Form W-2 information. The IRS may be able to provide this transcript information for up to 10 years. Information for the current year is generally not available until the year after it is filed with the IRS. For example, W-2 information for 2016, filed in 2017, will likely not be available from the IRS until 2018. If you need W-2 information for retirement purposes, you should contact the Social Security Administration at 1-800-772-1213. Most requests will be processed within 10 business days ☑

Caution: If you need a copy of Form W-2 or Form 1099, you should first contact the payer. To get a copy of the Form W-2 or Form 1099 filed with your return, you must use Form 4506 and request a copy of your return, which includes all attachments.

9 **Year or period requested.** Enter the end date of the tax year or period requested in mm/dd/yyyy format. This may be a calendar year, fiscal year or quarter. Enter each quarter requested for quarterly returns. Example: Enter 12/31/2018 for a calendar year 2018 Form 1040 transcript.

General Instructions

Caution: Do not sign this form unless all applicable lines have been completed.

Purpose of form. Use Form 4506-T to request tax return information. Taxpayers using a tax year beginning in one calendar year and ending in the following year (fiscal tax year) must file Form 4506-T to request a return transcript.

Note: If you are unsure of which type of transcript you need, request the Record of Account, as it provides the most detailed information.

Customer File Number. The transcripts provided by the IRS have been modified to protect taxpayers' privacy. Transcripts only display partial personal information, such as the last four digits of the taxpayer's Social Security Number. Full financial and tax information, such as wages and taxable income, are shown on the transcript.

An optional Customer File Number field is available to use when requesting a transcript. This number will print on the transcript. See Line 5 instructions for specific requirements. The customer file number is an optional field and not required.

Tip. Use Form 4506, Request for Copy of Tax Return, to request copies of tax returns.

Automated transcript request. You can quickly request transcripts by using our automated self-help service tools. Please visit us at IRS.gov and click on "Get a Tax Transcript..." under "Tools" or call 1-800-908-9946.

Where to file. Mail or fax Form 4506-T to the address below for the state you lived in, or the state your business was in, when that return was filed. There are two address charts: one for individual transcripts (Form 1040 series and Form W-2) and one for all other transcripts.

If you are requesting more than one transcript or other product and the chart shows two different addresses, send your request to the address based on the address of your most recent return.

Line 1b. Enter your employer identification number (EIN) if your request relates to a business return. Otherwise, enter the first social security number (SSN) or your individual taxpayer identification number (ITIN) shown on the return. For example, if you are requesting Form 1040 that includes Schedule C (Form 1040), enter your SSN.

Line 3. Enter your current address. If you use a P.O. box, include it on this line.

Line 4. Enter the address shown on the last return filed if different from the address entered on line 3.

Note: If the addresses on lines 3 and 4 are different and you have not changed your address with the IRS, file Form 8822, Change of Address. For a business address, file Form 8822-B, Change of Address or Responsible Party — Business.

Line 5. Enter up to 10 numeric characters to create a unique customer file number that will appear on the transcript. The customer file number **should not** contain an SSN. Completion of this line is not required.

Note. If you use an SSN, name or combination of both, we will not input the information and the customer file number will reflect a generic entry of "9999999999" on the transcript.

Line 6. Enter only one tax form number per request.

Signature and date. Form 4506-T must be signed and dated by the taxpayer listed on line 1a or 2a. The IRS must receive Form 4506-T within 120 days of the date signed by the taxpayer or it will be rejected. Ensure that all applicable lines are completed before signing.

CAUTION

You must check the box in the signature area to acknowledge you have the authority to sign and request the information. The form will not be processed and returned to you if the box is unchecked.

Individuals. Transcripts of jointly filed tax returns may be furnished to either spouse. Only one signature is required. Sign Form 4506-T exactly as your name appeared on the original return. If you changed your name, also sign your current name.

Corporations. Generally, Form 4506-T can be signed by: (1) an officer having legal authority to bind the corporation, (2) any person designated by the board of directors or other governing body, or (3) any officer or employee on written request by any principal officer and attested to by the secretary or other officer. A bona fide shareholder of record owning 1 percent or more of the outstanding stock of the corporation may submit a Form 4506-T but must provide documentation to support the requester's right to receive the information.

Partnerships. Generally, Form 4506-T can be signed by any person who was a member of the partnership during any part of the tax period requested on line 9.

All others. See section 6103(e) if the taxpayer has died, is insolvent, is a dissolved corporation, or if a trustee, guardian, executor, receiver, or administrator is acting for the taxpayer.

Note: If you are Heir at law, Next of kin, or Beneficiary you must be able to establish a material interest in the estate or trust.

Documentation. For entities other than individuals, you must attach the authorization document. For example, this could be the letter from the principal officer authorizing an employee of the corporation or the letters testamentary authorizing an individual to act for an estate.

Signature by a representative. A representative can sign Form 4506-T for a taxpayer only if the taxpayer has specifically delegated this authority to the representative on Form 2848, line 5. The representative must attach Form 2848 showing the delegation to Form 4506-T.
