Donations made out to: Huntington Human Services Institute
501 C 3 Charitable Organization

Raffles and sponsorships help us provide a successful camp experience for children in our community.

If you are unable to attend, please consider a donation or sponsor a Camp Event.

Project P.L.A.Y. and St. John's Day Camp has been serving young children, ages 4-12, in the Town of Huntington for over 40 years. The day camp provides much needed help for families who cannot afford the cost of enrolling their children in a paid program. It is offered to Huntington families who meet the U.S. Department of Agriculture (USDA) income requirements. This is a program of enrichment and is staffed with professionals from the Huntington area. The program offers a variety of activities such as arts and crafts, basic gardening concepts at Gateway Park Community Garden, story-time reading, sports, special events, and field trips. Transportation, breakfast, lunch, and a snack are provided under USDA guidelines.

For many children, this is the most nurturing and structured environment they will experience in their early childhood years. We need your continuing support in both donations and sponsorship, even the smallest contribution makes a big difference in the lives of these children.
