Dear Parent or Guardian:
Welcome to the Town of Huntington’s Gold Star Camp. The original Camp Director, Brian Dalton will be returning with some of last year’s staff. The camp program will again include arts & crafts, sports, marine science, nature study & special events.

It should be noted that the camp medical/emergency form is due at least one month prior to the start of camp. Please note there is No Medical/Accident Insurance available through the Town of Huntington. Late forms could result in your child’s removal from camp. Your physician must complete the medical form. If your child will be accompanied by a paraprofessional (“shadow”), call the Parks & Recreation Department immediately for specific instructions. All requests regarding shadows must be made no later than May 14, 2020.

Requests to place children together must be made at the time of registration. When you register in person or online you will have to answer the question about placing children together. You will have to enter the other child’s name, age, and grade. Children must be the same age or grade. You can only request to be placed with one (1) other child. Failure to meet these guidelines will result in the denial of your request. Sometimes, legitimate requests are denied because too many children request to be placed in the same group. The decision of the camp director is final. Requests for group placement will not be honored after registration.

All children should arrive at 8:15 AM at the parking lot behind Coindre Hall, which is located on Browns Road in Huntington next to Gold Star Beach. Parents must park their car in the parking lot and escort their child to the camp entrance. Children should wear comfortable clothing i.e. shorts and wear sneakers, not sandals or flip-flops. Children should also bring a water bottle, water shoes, and a towel.

Children should bring a light snack and a lunch of non-perishable foods, water bottle, and a beverage because there is no refrigerator available. Campers are to be picked up promptly at 2 PM at the back parking lot of Coindre Hall (continued lateness in picking up your child promptly could result in your child’s removal from camp). A child will not be dismissed to anyone other than a parent unless it is noted on the emergency form. If you are in a carpool, please send a note the first day indicating with whom you are carpooling. Please be prompt in dropping off and picking up your child. On the first day of camp, you will be given the camp phone number if you must reach the Camp Director.

This camp is required to have a permit issued by the New York State Health Department. The Suffolk County Health Department inspects the camp twice a year. Do not provide your child with aerosol cans of sunscreen or insect repellent as this is a violation and public health hazard. The inspection reports are filed with the County Health Department at 360 Yaphank Avenue, Suite 2A, Yaphank, NY 11980.

Have a great summer.

Sincerely,

William Musto
Deputy Director of Parks & Recreation

PERMISSION TO CARRY AND USE SUNSCREEN
AEROSOL CANS NOT PERMITTED

For your information, Chapter 242 of the Laws of 2013 amended the New York State Public Health Law in regard to the use of Sunscreen by a child attending summer camp.

Written permission is now required by the parent or guardian to allow their child to carry and use Sunscreen.

Permission would also allow camp staff to assist with the application of Sunscreen when the child is unable to do so, provided the child requests the assistance.

I do____ do not____ grant permission for my child to carry and use Sunscreen and for staff to assist with its application should my child request it.
