Performer

MSI - Michael Serraino INC.

- Public Events
- Private Events

Michael is a Pianist and Vocalist trained in jazz, pop, and blues stylings. He is known for his musical interpretations of the Great American Songbook as well as pop artists and singer-songwriter greats like Billy Joel, Elton John, & Eric Clapton. Michael's ability to combine both his vocal and pianistic abilities, along with his charisma and charm, allow him to captivate audiences in all settings.
