# Budget Message

September 2024

Dear Fellow Town Board Members,

As Supervisor and Chief Financial Officer of the Town of Huntington, I am pleased to present the Adopted Operating and Capital Budget for the Town of Huntington for 2025. I wish to thank the Town Comptroller's Office, members of my staff, and all Town Department Directors and their Deputies for their input and guidance throughout this step in the budget process.

Pursuant to New York State Town Law Section 106, I present this Adopted Budget for your consideration. I have taken a conservative approach to expenditure allocations using previous actuals as a baseline for these costs. Particular focus was given to employee salaries, overtime, and benefits. In addition, fuel, energy, and other utility costs, contractual expenses, supply chain issues, and debt service payments were analyzed. I have incorporated realistic revenue budgeting and have not relied upon one-shot revenues as a means of balancing the 2025 Adopted Budget. We continue to provide current levels of service despite a contractual collective bargaining salary increase for all union employees.

As in prior years, the Town must comply with the New York State Tax Cap Act. This Act limits a local government's overall growth in the property tax levy to 2.00% over the prior year's levy or to the rate of inflation, whichever is less. For the 4th consecutive year, the Adopted Budget falls within the State-mandated tax cap for 2025. The 2025 allowable levy growth factor is 2.00% with a tax base growth factor of .5% and an available carryover of .01%, which allows us a proposed increase of 2.54% over the 2024 tax levy—a further demonstration of our commitment to responsible budgeting.

As Town Supervisor, it is my privilege to share with you the significant achievements of the past year and our goals for the coming year. Together, we continue to build on our shared commitment to maintaining our community's fiscal health, infrastructure, environment, and overall quality of life.

The financial strength of our Town remains a cornerstone of our governance. I am pleased to report that Huntington's fiscal stewardship continues to be recognized at the highest levels. This year, Fitch upgraded the Town's bond rating to Aaa, the highest possible rating for a government entity, reaffirming our strong financial management. Similarly, Moody's Investors Services has upheld our Aaa bond rating for the third consecutive year, a milestone that has saved taxpayers hundreds of thousands of dollars through strategic refinancing.

We have reported record savings of \$10.5 million across all town funds for the 2023 fiscal year, thanks to fiscal prudence, grants, earned interest on deposits, and vigilant financial oversight. We have primarily used these savings to reduce the 2025 capital borrowing issuance and operations. These savings are a testament to the hard work of our department directors, who have successfully streamlined operations, eliminated wasteful spending, and reduced the employee headcount without compromising the services we provide to you. If the 2024 operating results produce a surplus, I am committed to apply those surplus funds to offset future borrowing.

For the 25th consecutive year, the Town has been awarded the Certificate of Achievement for Excellence in Financial Reporting, underscoring our transparency and accountability in financial practices.

In 2025, as in 2024, our efforts to streamline government processes and find innovative ways to take the burden off the taxpayer will remain a priority. It will be our continued goal to find cost savings by making improvements in-house, refurbishing equipment and vehicles to extend their service life, cutting red tape, and finding creative ways and effective strategies toward fiscal health and demonstrate efficiencies in good government.

The Highway Department, under the leadership of Superintendent Andre Sorrentino, has achieved a record number of road resurfacing and repaving projects, more than doubling the previous record with over 106 lane miles completed this year. By refurbishing vehicles in-house, the Town saved over \$300,000 per vehicle and extended the lifespan of our fleet.

After the 2022 fire at the Town's Municipal Refuse Facility that destroyed six vehicles in the Waste Management fleet, the Town secured a grant to acquire five garbage trucks to replace those lost. In June 2024, the Town received its final addition to the fleet. Vehicle reliability and operational efficiency are at an all-time high. Additionally, annual vehicle repair costs have been dramatically reduced by almost \$120,000 annually (projected reduction for 2024). With modernized fleet efficiencies, it allowed the Town Department of Waste Management's Municipal Refuse Fleet to go from 19 vehicles in 2019 to 14 vehicles in 2024, a reduction of 26%, while still maintaining the same level or better efficiency.

Our focus on infrastructure and revitalization continues to yield positive results across Huntington. We are proud of the progress in Huntington Station through the State's \$10 million Downtown Revitalization Grant and the redevelopment efforts of Melville's industrial area into an economically viable region. Looking ahead, we are committed to continuing these efforts with the upcoming \$66.8 million Huntington Station Hub Sewer Infrastructure Project, set to begin in January 2025. This project will enhance our sewer system, support the ongoing revitalization of Huntington Station, and improve the quality of life for our residents.

In 2024, we completed a series of significant park improvements, adding ADA-compliant structures and amenities to ensure our parks are accessible to all. Highlights include the completion of Al Walker Park, now home to the Town's first all-inclusive playground, and the grand opening of the renovated Heckscher Park Playground, our second all-inclusive park.

Our commitment to parks and recreation will continue in 2025, with improvements planned for William Byrne Park, Columbia Street Park, Koster Park, and Dix Hills Park. We also plan to upgrade the lights and sound system at the Chapin Rainbow Stage in Heckscher Park, ensuring our parks remain vibrant community spaces.

Huntington has solidified its reputation as a leader in climate action, earning Bronze certification as a New York State Climate Smart Community. We are proud of the innovative water quality initiatives led by our Maritime Department, including the Floating Upweller System (FLUPSY) for sustainable oyster farming and the Sugar Kelp program, which improves water quality and provides organic fertilizer for our parks. The newest initiative, the Huntington/Northport Rotary Oyster Reef Project's Town-wide shell recycling program, is to serve as a substrate for future generations of oyster reef creation.

Our environmental goals for 2025 include expanding these programs, continuing our efforts to combat water contaminants, and further reducing our carbon footprint. We are dedicated to achieving Silver certification status as a Climate Smart Community, ensuring Huntington remains at the forefront of environmental stewardship.

We remain committed to expanding affordable housing opportunities in Huntington. This year, we amended our affordable housing eligibility guidelines to prioritize volunteer firefighters and EMT's, recognizing their critical role in our community. In 2025, we plan to establish an Affordable Housing Trust Fund and a down payment program to help more residents achieve homeownership, further strengthening our community.

Additional goals for the coming year are ambitious yet achievable:

- **Maintain Strong Financial Position:** We will continue our vigilant financial stewardship, ensuring the Town's fiscal health remains robust.
- **Preserve Suburban Integrity:** We will protect the character of our community by preventing land-use abuses and revitalizing key areas like the Route 110 corridor in Melville and Huntington Station.
- **Enhance Parks and Recreation:** We will continue to invest in our parks, making them more accessible and enjoyable for all residents.
- **Lead in Climate Action:** We will strive to achieve Silver certification as a Climate Smart Community, further reducing our carbon footprint and continuing our environmental initiatives and water quality enhancement projects.
- **Expand Affordable Housing:** We will establish new programs to make homeownership more accessible and continue to support our first responders.
- **Improve Infrastructure:** We will proceed with critical infrastructure projects, including the Huntington Station sewer project and maritime improvements in Huntington Harbor.

The quality of life of Town residents will always be a priority for this administration. Many initiatives and improvements have been done in-house, saving taxpayer dollars. Many other improvements have been enacted with the express input of our residents, including redeveloping existing space for housing, preserving open space where possible, refurbishing outdated equipment in our parks, and making town services more accessible to all, including our non-English speaking population. The Town of Huntington is moving in the right direction. With the continued collaboration and cooperation between the Town and the community, each department and staff member, and every agency and civic group, the Town will continue to endure.

As always, my staff has been advised to make themselves available to you for review of the various expenditures and revenue figures contained herein. Further, I would be more than happy to meet with you to discuss any questions and input you may have.

Thank you for your attention. I look forward to working with you toward the successful adoption of the annual Operating and Capital Budgets for the Town of Huntington for 2025.

Very truly yours,

## Budget Guide

### **Town Organization and Services**

The Town of Huntington was established in 1653 and is governed by Town Law, other general laws of the State of New York, and various local laws and ordinances. The Town Supervisor is a member of the Town Board and serves as the Chief Executive Officer/Chief Financial Officer. The Town Board is the policy-making body of the Town.

The Town provides the following services to its residents: general and administrative, public safety, citizen and community services, transportation and parking, culture and recreation, utilities, planning and community development, and other operations such as refuse disposal and recycling. The 2025 Budget provides the funding for all such services.

### **Budget Guide**

This budget document describes how the Town will achieve its goals and objectives and meet the community's needs. The intent of this budget document is to present the Town of Huntington's budget in a comprehensive and easy-to-read format.

### **This Budget Document is organized in the following major sections:**

#### ***1. Budget Message***

The Budget Message, a letter from the Town Supervisor to the Town Board provides an overview of the upcoming fiscal year budget and financial plan

#### ***2. Introduction***

This includes general information about the Town, its funds, its organization, elected and appointed officials, the mission, vision, goals and objectives, and the budget process outline.

#### ***3. Budget Overview***

This section includes an Executive Budget Summary that summarizes the budget highlights.

#### ***4. Financial Summaries***

This section provides a summary of revenue, expenditures, and fund balance information for the Town, information provided in both numerical and narrative formats, the Town's fund structure, budgeted positions by fund and organization, and departmental summaries.

#### ***5. Fund Budgets***

This section includes a summary of the fund, budgets for each fund presented in both numerical and graphical formats, and a budget for each department containing Actual Expenses for the fiscal year 2023, Budget for the fiscal year 2024, Projected Expenses for the fiscal year 2024, and the Budget for the fiscal year 2025.

#### ***6. Departmental Summaries and Budgets***

This section includes information about the Town's department's operating environment, achievements, and goals.

#### ***7. Supplemental Schedules***

This section includes information about the Town of Huntington, debt information, tax rate schedules, financial policies, and a glossary of terms used in this budget document.

#### ***8. Appendix A***

This appendix includes a line item budget by fund and department to supplement the departmental budget summaries.

#### ***9. Capital Budget***

This section includes capital projects of \$5,000 more with a useful life of at least five years listed in the Town's Six Year Capital Plan. A description of each project and the associated cost by fiscal year is included.

# Town of Huntington Organizational Chart

# Town of Huntington Strategic Direction

## Vision

The Town of Huntington is committed to being an outstanding place to live, work, and visit.

## Mission

Deliver public services with transparency, efficiently and effectively, to meet the needs of residents, businesses, institutions and visitors on whom Huntington's prosperity depends.

Foster a sustainable Huntington through the implementation of the Town's environmental and energy efficiency improvement goals.

Promote economic development, business opportunity, and community revitalization.

Enhance the long-term health, vitality and quality of life of the Huntington community.

## Town Strategic Goals and Objectives

- Maintain fiscal strength with a Town tax structure that will balance the increasing demand for services with available resources.
- Improve communication and provide emergency preparedness information to Town residents through various media sources.
- Provide expanded departmental services and information using information technology.

- Implement energy efficiency programs to reduce the Town's carbon footprint and energy cost savings.
- Promote policies to provide education and energy efficiency awareness to Town residents.
- Promote and implement environmental and water quality protections and improvements.

- Expand commercial and residential investment in the Town by investing in infrastructure.
- Expand affordable housing programs that focus on home ownership; particularly first time home buyers.
- Reimagine the Melville business corridor to support future economic development.

- Invest in the Town's recreational, cultural, and historical assets.
- Promote interest and use of Huntington's cultural and recreational resources.
- Expand film & TV production in Town by creating multi media promotion effort to showcase the Town as an ideal destination for on-location and in-studio production for the TV, motion picture & streaming industries.

# Town of Huntington Community Profile

## Overview

The Town of Huntington, New York, is one of the ten Towns located on Long Island at the western end of Suffolk County adjacent to the Nassau-Suffolk County border. It is approximately 40 miles from Manhattan and 40 miles from Riverhead, the Suffolk County seat. The history of Huntington is closely associated with the early development of the American colonies. The community was originally settled in 1653, well within the lifetime of the earliest New England colonists. In the beginning, water-borne transportation gave life to the community. The natural harbors offered ready access to the farmlands of the Long Island interior. The harbor was the setting for the early Huntington community, which became the focal point for the movement of agricultural products into the commerce of the colonies. Although agriculture was its mainstay and water-borne transportation its lifeline for two centuries, in later years, the whaling industry and expanded manufacturing activity broadened the local economy and gave impetus to the expansion of the harbor communities of Cold Spring Harbor, Huntington, and Northport.

Huntington enjoys five harbors bordering the north shore of the Town: Cold Spring Harbor, Lloyd Harbor, Huntington Harbor, Centerport, and Northport. Within its coves and bays, there are a total of nine beaches maintained by the Town. The Town has also put into operation a number of marinas for the use of residents. These facilities, along with boat ramps, municipal golf courses, and park sites, provide active recreation for Town residents.

### **The Town provides the following services:**

- Planning and Community Development: Environmental, land management, zoning, environmental open space and park fund (EOSPA), buildings review, housing services, and economic development
- Citizen and Community Services: Neighborhood improvements, senior citizen services, youth services, handicapped services, women's services, employment opportunity services, veteran's and minority affairs
- Public Safety: Emergency management, code enforcement, fire prevention, animal control and special services
- Transportation and Parking: Street and drainage maintenance, roadway improvements, public transportation
- Support Services/Legislative/Administrative: Facilities, financial, fleet, human resources, technology, legal, tax collection, records management, historic preservation
- Culture and Recreation Services: Parks, beaches, recreational, and youth programs
- Utilities: Water and Sewer Services to properties within the district.
- Other Operations: Refuse disposal, recycling, resource recovery and environmental remediation

# Town of Huntington Community Profile

## Demographics

Per U.S. Census Bureau 2020 Census:

Population (Estimates, July 1, 2023)	202,910	
Males/Females	100,238/102,672	
Age & Sex	Persons under 5 years	4.8%
	Persons under 18 years	20.6%
	Persons 65 years and over	19.3%
	Female persons	50.6%
Per Capita Income (2022)	\$71,467	
Race	White	74.9%
	Hispanic	11.9%
	Black/African American	4.2%
	Asian	5.5%
	Other	3.5%

	Renter Occupied	11.7%
Educational attainment, 25 years and older	High School graduate	93.6%
	Bachelors Degree or higher	56.4%

## Population

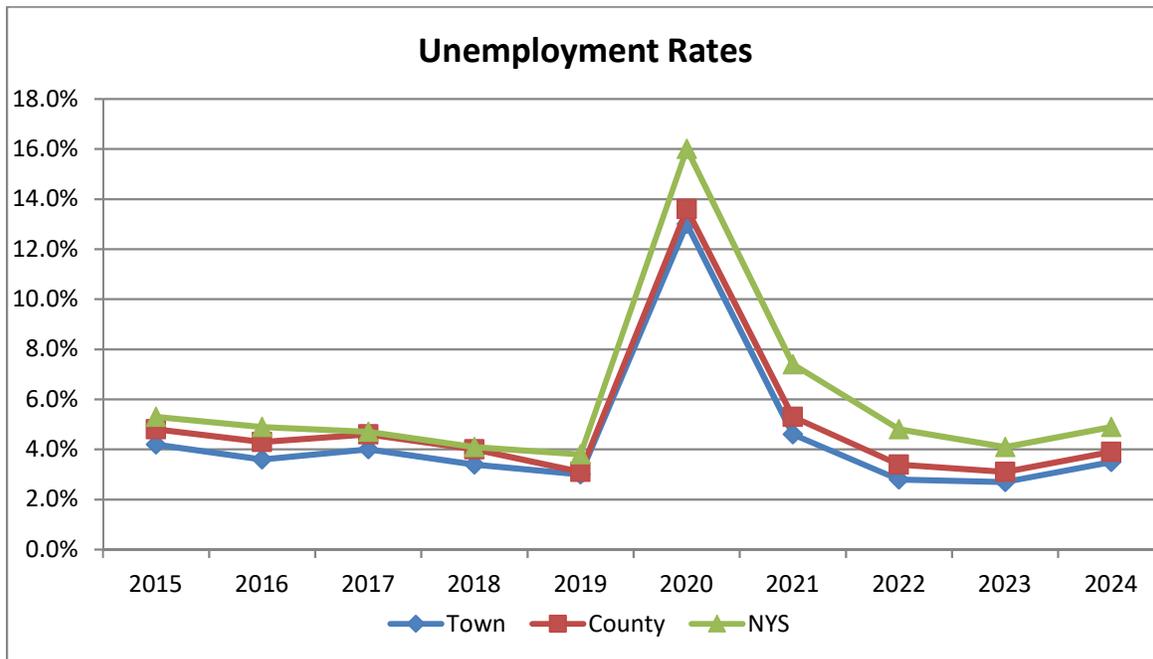

The Town's population has experienced two major growth periods over the last 100 years and reached a peak of approximately 204,197 residents in 2021. By 1990, the Town's population decreased by 4.9% to 191,474 residents as the number of family members per household declined. By 2000, the Town population increased by approximately 2% to 195,289 residents. Based on information from the Long Island Population Survey and the US Census Bureau, the Town's population continued to increase by 4.1% to 203,264 residents in 2010 and by .4% to 204,127 residents in 2020. Town population estimates as of July 1, 2022, are 203,243 residents.

YEAR	POPULATION	% CHANGE
2020	204,127	0.4%
2010	203,264	4.1%
2000	195,289	1.9%
1990	191,474	(4.9)%
1980	201,530	1.0%
1970	199,486	58.0%
1960	126,221	-

# Town of Huntington Community Profile

## Employment

Huntington’s unemployment rate increased to 3.5% as of July 2024, below the Suffolk County rate of 3.9%, the New York State rate of 4.9%, and the national rate of 4.3%. The Town is within commuting distance of New York City and has regularly trended significantly below the County and State unemployment rates.

## Principal Employers within the Town of Huntington

<b>Total</b>			<b>\$ 34,245,828</b>	<b>10.90%</b>

## Economic Outlook and Trends

Town of Huntington residents enjoy a high quality of life, reflected in high median incomes, low unemployment and crime rates, a strong public school system, and several cultural and natural recreation attractions. The Town’s successes and its popularity as a suburb of New York City have also contributed to the challenges that are faced today, such as traffic congestion, high property taxes, and the need for more affordable housing—all of which need to be addressed to preserve the quality of life and to encourage future growth.

From a development perspective, the Town of Huntington is representative of a mature suburban community. Although its capacity for new large-scale residential development on vacant land is limited, there continues to be a significant number of large-scale housing projects predominately resulting from the redevelopment of underutilized properties throughout the Town. In the future, new housing construction will generally occur as in-fill development on smaller parcels within existing neighborhoods, as mixed-use residential projects in commercial and industrial districts, or as major developments on large, underutilized properties. This trend has and will continue to contribute to population and tax base growth in the future. The Town has received funding to extend public sewers into new areas of Huntington Station and to expand sewage capacity in Melville, which, along with active planning efforts in both neighborhoods, is anticipated to result in new commercial and residential construction.

Interest in redeveloping land with new uses is increasing in the Town. From mid-2017 through mid-2024, the Town received sixty (60) zone change applications, with the total applications exceeding that of the previous seven years. Assisted living facilities and senior housing condominium developments have been popular application types, representing one-quarter of the zone change applications in the last seven years.

# Town of Huntington Community Profile

## Economic Outlook and Trends - (continued)

The strength of the local housing market is evidenced by a large number of projects either currently under Planning Department review, recently approved, under construction, or completed, despite the scarcity of developable land. Since 2013, the Town has approved the construction of over 2,000 housing units of various building types and densities. Several major multi-family housing projects approved recently that are under construction or completed include Matineock Court, a one hundred and forty-six (146) unit development of 100% affordable limited equity cooperative units, Seasons at East Northport (190 senior units), Seasons at Elwood (263 senior units), the Club at Melville with two hundred and sixty-one (261) age-restricted affordable units, Gateway Plaza, a sixty-six (66) unit rental project located within walking distance to the LIRR, Northridge Square, a sixteen (16) unit mixed-use project also near the LIRR, the Landmark at 1090 New York Ave, a two-building, sixteen (16) unit mixed-use and nine (9) unit historic residence project near the LIRR, and Sunrise Senior Living, an assisted-living facility with ninety (90) units.

With respect to single-family residential subdivisions, the Town Planning Department is currently processing over seventy (70) subdivision applications that will ultimately result in the development of approximately two hundred forty-four (244) new tax lots. One of the larger subdivisions under construction in 2023 is Tuscany Estates, a thirty (30) lot subdivision approved in 2010 located in Dix Hills. The largest project recently completed is Harborfields Estates, a forty-seven (47) lot subdivision with homes priced from \$799,000. In the near future, the Town expects construction to start on the seventy-four (74) age-restricted condominiums at the Preserve at Indian Hills.

It is also important to note that there are a number of significant residential projects not included within the town-wide housing unit total that have received zone changes and are in various stages of site plan review. Included within this category are the Residences at Oheka Castle and Residences at Cold Spring Country Club, neighboring projects totaling 265 housing units, and 115 assisted living units at Benchmark at Dix Hills. The Country Pointe at Elwood zone change application is the largest development (385 units) waiting for Town Board zone change approval, while various small projects in the Huntington Village area have the potential for more than 100 apartments and/or condos if granted approvals by the Zoning Board of Appeals.

### Sustainability Initiatives in the Town of Huntington:

- The Town has purchased natural gas garbage trucks, clean diesel fuel buses, and hybrid vehicles.
- Installation of energy-saving light fixtures, solar panels, and electric vehicle charging stations at Town Hall and municipal parking lots.
- Changes in the Town Code have been passed to allow and encourage solar and battery usage.
- Several major multi-family housing projects either recently approved, under construction, or completed include:
  - Highland Green Residences, a one hundred and nineteen (119) unit limited equity cooperative.
  - Seasons at Elwood, a two hundred and sixty-three (263) unit retirement community.
  - Club at Melville with two hundred and sixty-one (261) age-restricted affordable units.
  - Harborfields Estates, a forty-seven (47) lot subdivision with single-family homes.

## Town of Huntington Community Profile

- Seasons at East Northport, a one hundred and ninety (190) (including 36 affordable) unit retirement community.
- Preserve at Indian Hills, approved for 74 units of cluster housing at a 100-acre golf course site in Fort Salonga.
- Gateway Plaza is a 66-unit rental apartment project within walking distance of the LIRR.
- Three Northridge projects mixing commercial space with a combined 56 units of residential apartments within walking distance of the LIRR.
- The Landmark at 1090 New York Ave, a two-building, 16-unit mixed-use, and 9-unit historic residence project near the LIRR.
- Sunrise Senior Living, an assisted-living facility with ninety (90) units in West Hills.
- The Residences at Oheka Castle, a 90-unit condominium project on the Oheka Castle property.
- The Seasons at Commack with eighty-eight (88) age-restricted units.
- Creekside Apartments II has fourteen (14) rental units.
- Tuscany Estates is a thirty (30)-lot single-family subdivision located in Dix Hills.
- Various projects in Huntington Village with close to 100 residential apartments or condos.
- Country Pointe at Elwood with 385 age-restricted units along Jericho Turnpike.
- The Estates at Melville, a community of twenty-one (21) single-family homes to be built around an equestrian center.
- The Residences at Cold Spring Country Club, one hundred and seventy-five (175) condominium units to be built next to a golf club.
- Three additional assisted living facilities containing 275 units have been approved but not yet built.
- Applications have been received for a zone change to allow approximately five hundred (500) additional residential units throughout the Town.

Commercial and industrial development, expansion, and improvement remain steady throughout the Town. Over the past ten (10) years, over two (2) million square feet of Class A office space has been constructed or renovated in the Town's corporate center, the Melville Employment Center (MEC). The MEC is home to major corporations, including Canon USA, Rubies Corporation, Air Techniques, Henry Schein, Honeywell Corporation, Leviton Corporation, and the Capital One Bank Corporate Center. The Town recognizes the importance of the MEC to the Long Island region as a major economic generator and is taking the necessary steps to enable its continued growth. In 2015, the Town funded a \$200,000 plan and hired a consultant firm to prepare an integrated land use, circulation, and infrastructure plan, which will ensure that the MEC has the necessary land use policies and infrastructure to meet the future needs of corporate development. Following an 18-month planning process which included several public workshops, a Draft MEC Plan was completed in 2016. It includes recommendations to add a mix of uses, including retail and housing, to this important area. Completed infrastructure improvements on the Walt Whitman Bridge, as well as sewer upgrade studies currently underway, also reflect the continued desire to keep the MEC flourishing within the region. Currently, draft zoning ordinances have been prepared to revitalize the underlying industrial zoning in Melville to implement the mixed-use objectives highlighted in the MEC Plan. The proposed ordinances will allow for up to two-thousand and five hundred (2,500) high-density residential units within the context of a new Town Center in Melville, with expanded opportunities for office development along with retail and commercial uses.

## Town of Huntington Community Profile

The public hearing process on the proposed mixed-use zoning ordinances has been completed, and approval by the Town Board is anticipated in the Fall of 2024.

Significant projects and/or programs in the Town include:

- Construction of new and expanded sewer districts in the Huntington Station corridor beginning in Spring of 2025.
- Geico relocating to the Huntington Quadrangle (Fall 2023).
- Canon USA completed the first phase of its North/South American Corporate Headquarters in February 2013. This 680,000-square-foot office and research building is currently in operation, housing over 1,800 employees.
- An 81-room Hampton Inn boutique hotel opened in Huntington Village, which enhances its reputation as a tourism destination.
- A new Marriott-branded extended stay hotel has received site plan approval on an abandoned site just south of the LIE for 143 rooms with an indoor pool.
- Hartz Mountain Industries, Inc. is completing construction on the former Newsday site in Melville, which will be redeveloped into two warehouse buildings with over 900,000 square feet on the 48-acre site. Hartz also has approvals to build a 400,000+ sq. ft. warehouse on another site on Spagnoli Road.
- An Amazon proposal for a distribution center off Walt Whitman Road in the MEC close to the newly expanded Walt Whitman Bridge off of the LIE was recently approved.
- Estee Lauder is also proposing to open a multi-million-dollar engineering center in Melville, next door to their current factory and research lab.
- The Ferncliff Hotel, a 299-unit luxury suite hotel on Spagnoli Road has recently received Town approvals.
- A proposed six-story 160,000 square-foot corporate center on property located on the LIE South Service Road that formerly housed a one-story aging commercial building. This office site is directly to the east of the Canon site.
- Melville opened its largest restaurant to date, a 312-seat fine dining establishment known as One10.
- Mt. Sinai Doctors Long Island recently completed a new state-of-the-art 80,000-square-foot medical office complex located at 5 Cuba Hill Road in Greenlawn.
- The Dolan Family Health Center, now Northwell Family Health Center, a division of Huntington Hospital, has moved to a new location on New York Avenue in the heart of Huntington Station. This move opens up more space for associated medical practices at their prior location on Pulaski Road.
- Huntington Square Mall redeveloped the former Sears site in East Northport with a 54,000 square foot AMC movie theater, 39,000 square foot fitness club, and 88,000 square foot retail space, some of which will be used for a planned Aldi supermarket.
- The “Big H” shopping center, located between the Huntington Station LIRR and Huntington Village, completed construction to remove large retaining walls and develop the lower level basement into retail. It has now converted a former Kmart into a Marshall’s retailer and a much-needed ShopRite supermarket for the community.

## **Town of Huntington Community Profile**

- Nationally recognized businesses attracted to Huntington include the first QuickChek now open in Commack, three (3) new Starbucks locations; and a new ExtraSpace Self-Storage facility in Huntington Station. The Town's first Chick-fil-A has been approved in Huntington Station.
- The Melville Mall recently added a new 15,000-square-foot retail pad site. A similar proposal is under review at the shopping plaza south of Walt Whitman Shops containing Michael's, Bed Bath & Beyond, and other retail space. An older supermarket was replaced with local independent gourmet grocer Uncle Giuseppe's.
- Shopping centers are upgrading to compete with the "box" stores and outlet centers. Simon Properties completed the construction of a 74,000-square-foot expansion of its existing 1.2 million-square-foot Walt Whitman Mall on Route 110 in 2013. The adjacent Huntington Shopping Center is almost finished with renovations to its 222,607 sq. ft. of space, including the addition of a Whole Foods supermarket.
- Target Corporation purchased a 150,000-square-foot retail location and opened a new store in October 2013, creating 250 jobs. Trader Joe's in Commack recently invested in a newly renovated site nearby to increase square footage and parking availability.
- An adaptive reuse project converting a vacant church near Huntington Village to a shared office space use was recently approved.

All of these projects and programs will not only stabilize the Town's commercial tax base but also serve to spur secondary business and growth throughout the Town. The Planning Department received over 100 site plan applications in 2023, showing a constant stream of construction activity and the high levels of investment that property owners are willing to make on their properties in the Town of Huntington.

# **Town of Huntington Budget Process**

## **Methodology**

The preparation and adoption of the Town of Huntington's operating budget and capital budget is a priority-setting process that occurs over several months, with several milestones throughout that period.

## **Basis of Budgeting**

Governmental Funds are budgeted using a modified accrual basis for budgeting. Revenues are considered to be available when collectible, and expenditures are generally recorded when incurred. However, debt service is recognized when due, and compensated balances are charged when paid.

## **Review**

Early in the budget process, each department outlines functions and goals for the coming fiscal year and prepares a detailed estimate of revenue estimates and appropriation requests needed to accomplish those goals. A committee consisting of the Town Supervisor, Deputy Town Supervisor, Comptroller, and Deputy Comptroller reviews the requests. Upon completion of this review, budget estimates are compiled by the Audit & Control Department.

On or before the last day of September, the tentative budget is presented to the Town Board and filed with the Town Clerk.

Prior to the public hearing in November, the preliminary budget is reviewed and revised by the Town Board and filed with the Town Clerk. Copies of the preliminary budget are made available to the public and are posted on the Town's website.

## **Adoption**

A formal public hearing on the budget is held in November to allow public input. Based on a review of the budget, the Comptroller will make revisions per the Town Board's request to the preliminary budget. A final budget is prepared and submitted to the Town Board for adoption. By law, the Town Board must adopt a budget for the forthcoming year on or before the twentieth day of November.

## **Budget Amendments and Transfers**

In accordance with the Town's Budget Policy, at any time during the fiscal year, the Comptroller may authorize transfers in the operating budget of up to \$5,000 from one line to another. Budget transfers of more than \$5,000 require Town Board approval. All budget amendments require Town Board approval. The Comptroller is authorized to transfer funding for all vacant positions to the general contingency account for each fund, and Town Board approval by resolution is required to abolish, create, or change positions. The Comptroller is authorized to transfer Capital Budget appropriations from one object code to another within the same project.

## **Reports**

The Annual Comprehensive Financial Report (ACFR) is issued with year-end results. The Annual Budget for the forthcoming year includes a projection of the current year's actual expenses as compared to the current year's budget. Tri-sectional reports are issued in June and October, providing updated budget projections for the current fiscal year. The ACFR is the final report for the year.

# Budget Overview

# Town of Huntington

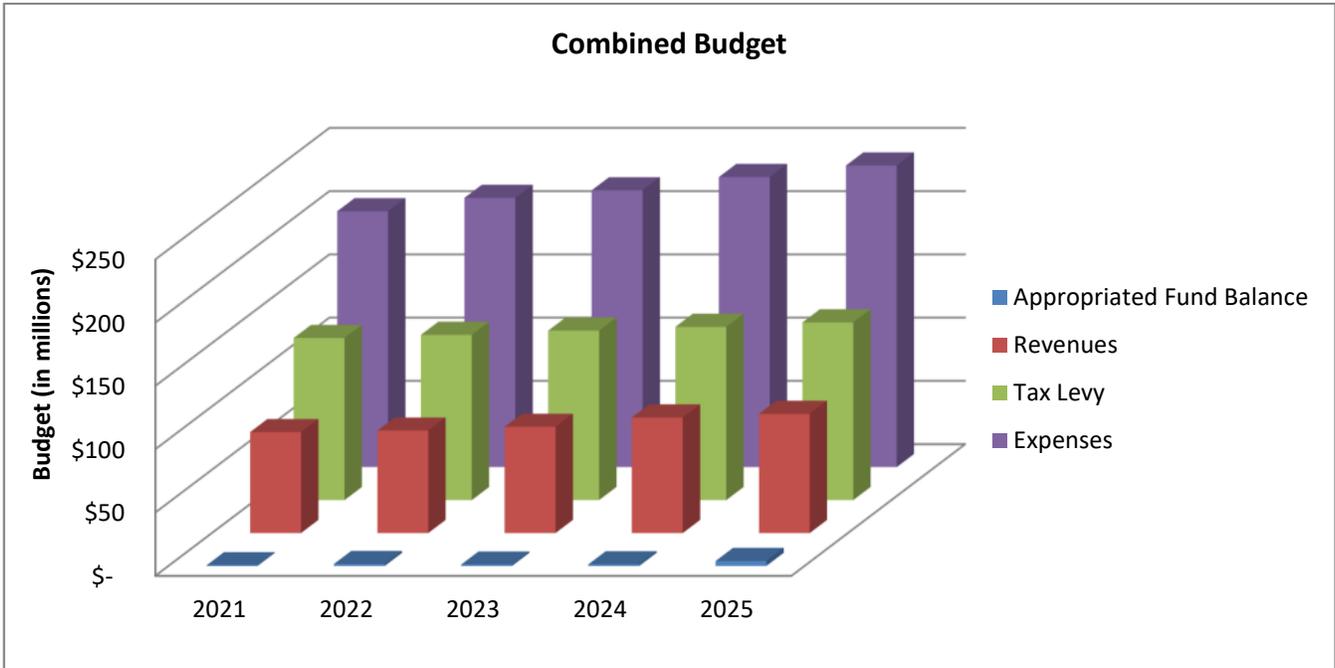

## Executive Budget Summary

The challenge in developing Huntington’s 2025 Budget was to maintain services at a time when revenues are stagnant and fixed costs, healthcare commodity costs, and contractual costs are increasing. The Town’s economic health depends in part on municipal government providing services that create an environment that attracts and keeps businesses prospering and residents who want to continue to make Huntington their home. A summary of the Town’s combined budget by functional service that outlines those priorities is provided below:

	<b>2024 Budget</b>	<b>2025 Budget</b>	<b>\$ Change</b>	<b>% Change</b>
<b><u>Revenues</u></b>				
General Fund	\$ 123,744,513	\$ 126,081,829	\$ 2,337,316	1.9%
Highway Fund	39,389,565	40,964,662	1,575,097	4.0%

# Town of Huntington Executive Budget Summary

The 2025 Operating Budget demonstrates the Town Board’s commitment to sound financial management practices that strives to produce a structurally balanced budget in all the major funds. Conservative budgeting of mortgage tax revenue, fully funding existing labor contracts, incorporating New York State’s most recent health insurance rate increase, and maintaining town services and programs at current levels are challenges of the 2025 budget.

## **Budget Highlights**

The 2025 Budget was prepared on the modified accrual basis consistent with the Town’s financial statements. In summary, the key components and challenges of the 2025 Operating Budget totaling \$238 million are as follows:

### **Financial Priorities**

- Maintain Aaa bond rating.
- Maintain the current level of Town Services.
- Maintain zero fiscal stress.

### **Major Factors Impacting the Budget**

- Funding the increase for the contractual agreement for the resource recovery plant.
- Maintaining the current level of services while adhering to the mandated NYS tax cap legislation.
- Expanding online remote access to residents to help increase efficiency and reduce costs.

### **Actions**

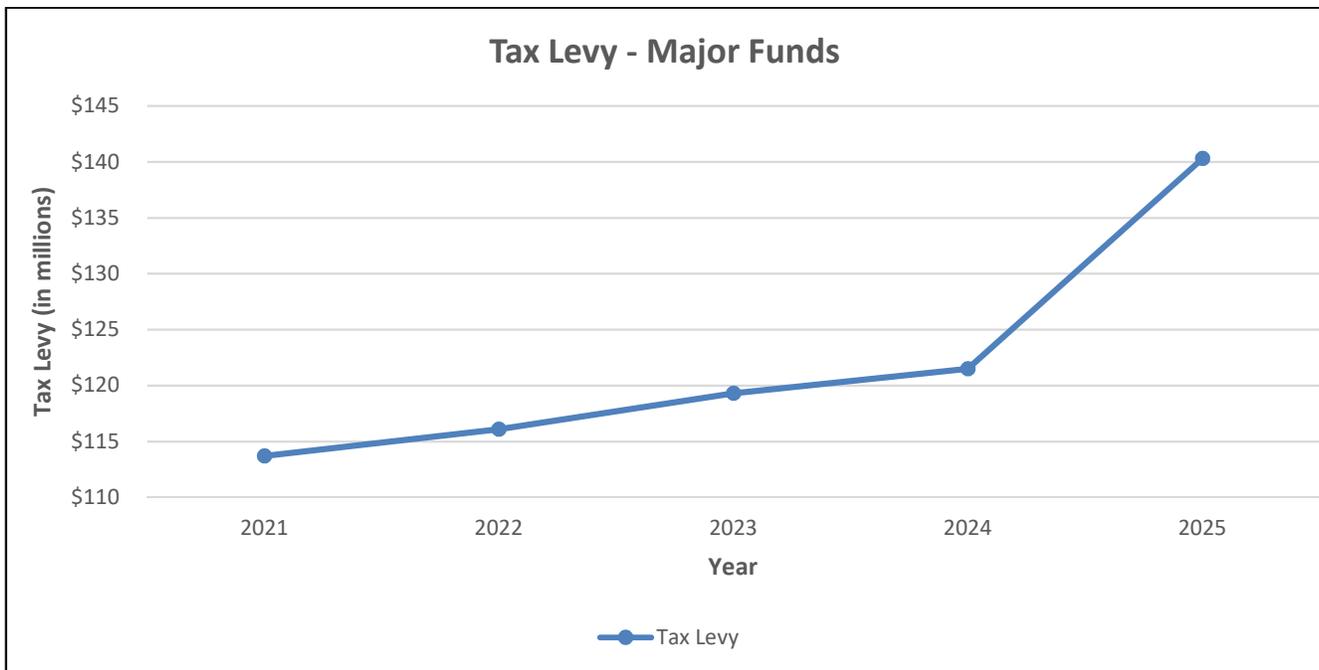

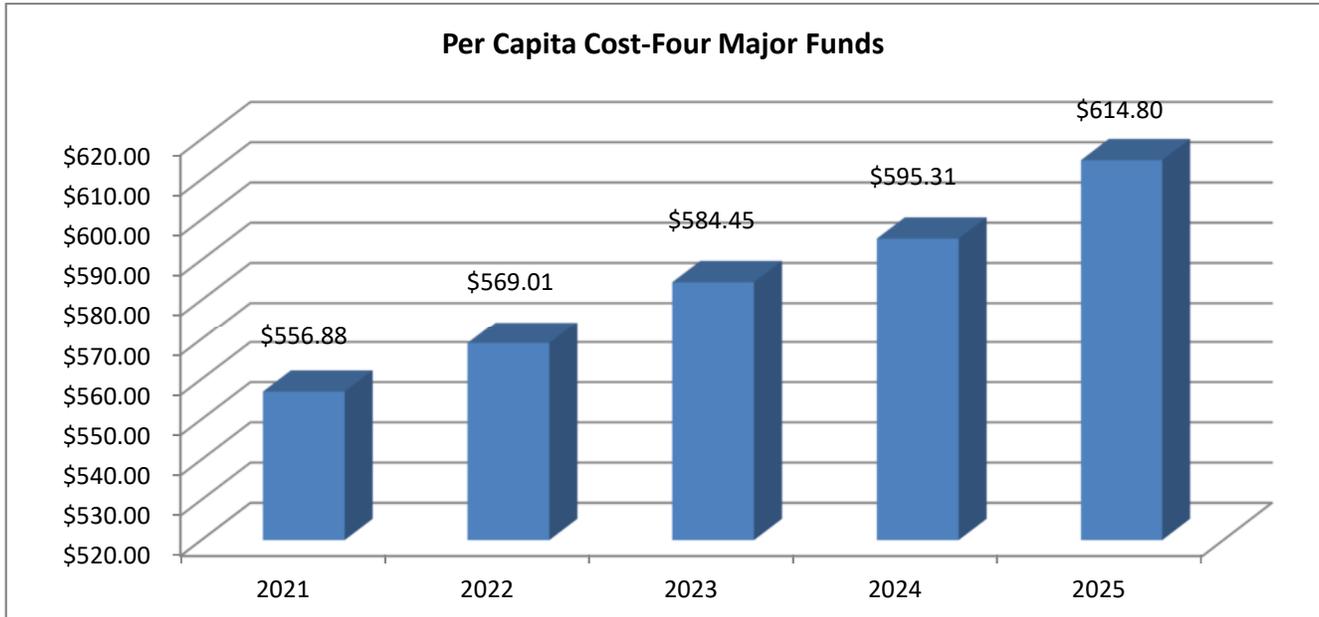

- Replace retiring full-time employees with employees at lower starting salaries.
- Mandatory employee contribution for health benefits.
- Increase tax levy by 2.5%, while not piercing the mandated NYS Tax cap legislation.

# Town of Huntington Executive Budget Summary

## The Property Tax Levy for the General, Highway Refuse District Funds and Part-Town Funds

The Town has various taxing districts. However, the General Fund, Highway Fund, and Refuse District Fund (“Four Major Funds”) provide the majority of revenue funding services to Town residents.

The 2025 tax levy for the Four Major Funds will increase by \$3.2 million or 2.66%.

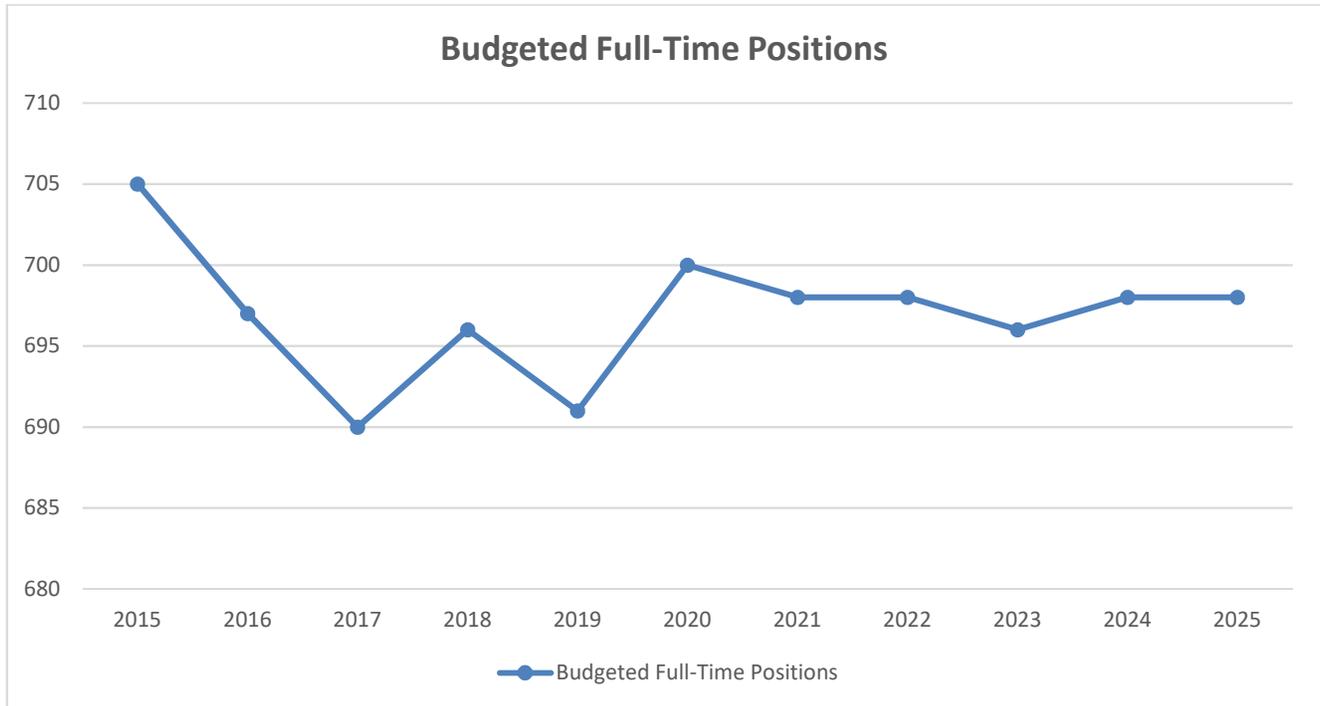

# Town of Huntington Executive Budget Summary

## Staffing Levels

Staffing and its growth or contraction represent the single biggest influence on municipal budgets. Salaries and fringe benefits costs account for more than 50% of major fund expenditures. The Town has endeavored to balance its operational demands by providing adequate staffing levels to ensure uninterrupted services to its constituents.

The following graph shows the historical trend of the number of budgeted full-time positions:

## Resource Recovery Funds

The Town constructed a waste-to-energy resource recovery facility in conjunction with the Town of Smithtown. The facility, which has been operating at full capacity since 1989, was financed through the issuance of \$176,550,000 in Industrial Development Bonds and refinanced in 1999. The outstanding debt on the facility was fully satisfied in 2012.

The debt service payments for the facility flowed through reserve accounts held by a third-party trustee, who was contractually required to maintain a debt service reserve in the amount of 10% of the issue. These reserve accounts, which were accumulating interest since 1989 have been depleted in connection with the satisfaction of the resource recovery debt. The Town has extended its service agreement with Covanta until the year 2025.

## Capital Projects and Debt Issuance

On August 21, 2024, the Town issued \$23.94 million in public improvement serial bonds with a Aaa rating from Moody's Investor Services. The projects consisted of \$16.18 million in various Town capital projects and \$7.8 million for our component water districts.

# Town of Huntington

## Executive Budget Summary

### Health Insurance Increase

The Town participates in the New York State Health Insurance Program (NYSHIP) which continues to increase the premiums for its participants at rates exceeding inflation or growth in municipal revenues. This combination of large increases in excess of the mandated NYS Tax cap places enormous pressure on the ability of municipalities to maintain balanced budgets.

NYSHIP provides municipalities with an anticipated range of rate increases for the forthcoming year. The 2025 budget reflects an increase of 8.2% in health insurance costs.

### Fund Balances

The Town has adopted the Governmental Accounting Standards Board (GASB) Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions (GASB-54) that define the different types of fund balances that a governmental entity must use for financial reporting purposes.

*Non-spendable:* Includes amounts that cannot be spent because they are either in a non-spendable form or legally or contractually required to be maintained intact. This includes fund balance related to inventories, prepaid, long-term loans, notes receivable, and property held for resale (unless the proceeds are restricted, committed, or assigned).

*Restricted:* Includes amounts that can be spent only for specific purposes stipulated by constitutional provisions, enabling legislation, or external resource providers such as creditors, grantors, contributors, or laws/regulations of other governments. All of the reserves of fund balance established by the Town allowed by law meet these criteria.

*Committed:* Includes amounts that can be used only for the specific purposes pursuant to constraints imposed by a formal action of the Town Board, the Town's highest level of decision-making authority. These constraints can only be removed by the same formal action of the Town Board.

*Unassigned:* Includes the residual classification of the Town's General fund and includes all spendable amounts not contained in other classifications.

The strategic use of fund balances is a standard municipal budgeting practice for stabilizing operating budgets year-to-year. Savings achieved in good economic times are set aside in fund balances to minimize the need for tax increases during economically challenging times. The Town's Fund Balance Policy requires that all reasonable efforts be made to maintain the General Fund Balance at 10% of its operating budget.

# Town of Huntington

## Executive Budget Summary

### Unassigned Fund Balance Variances

#### Comparative Analysis: FY 2023 and FY 2024

	Unassigned Fund Balance 12/31/23	Estimated 2024 Closing Fund Balance	Change in Unassigned Fund Balance	% Change
General Fund	\$ 38,921,179	\$ 37,798,454	\$ (1,122,725)	-2.9%
Highway Fund	19,441,108	16,642,900	(2,798,208)	-14.4%

Waste Water Disposal	857,676	857,022	(654)	-0.1%
Dix Hills Water District	474,845	1,054,890	580,045	122.2%
	<b>\$ 83,938,877</b>	<b>\$ 79,902,230</b>	<b>\$ (4,036,647)</b>	<b>-4.8%</b>

### Long Range Financial Plan

The Town is in good financial standing and has steadily increased fund balances through conservative budgeting practices, implementation of cost-cutting methods, deferred capital projects, and reallocated available resources. We will continue to employ these strategies in the future, while at the same time working towards our strategic goals. We monitor our budgets continuously to identify significant variances and make budget amendments as necessary.

The Town's long-term plan is to minimize the use of fund balances and increase reserves for future use. This will be done by increasing the tax levy and revenues to offset increases in utilities, health insurance, and contractual increases. In addition, the Town will be reducing its costs by running more efficiently without reducing services.

\* Salaries and contractual expenditures reflect increases due to Consumer Price Index. Property taxes reflect increases allowable under New York State Real Property Tax Cap.

### Fund Summaries

#### General Fund

The General Fund is made up of services that are provided to all Town residents. They include Administrative, Assessment, Tax Collection, Town Clerk, Engineering Services, General Services, Open Space, Maritime Services, Public Safety, Bus Operations, Parks and Recreation Department, Human Services, Waste Management Administration, and Youth Services.

The 2025 General Fund Budget is balanced. The budget total is approximately \$128.5 million including Environmental Open Space. This is an increase of \$3.7 million or 2.98% from the 2024 Budget.

The General Fund has a few recurring sources of revenue, including the Property Tax, the Town's share of Mortgage Tax proceeds and Interest on Investment, and Fees charged by certain Town departments for services. Fees are reviewed annually based on the cost of delivery and comparison with fees charged by neighboring Towns.

Property Taxes account for \$56.3 million or 43.77% of the revenue in the General Fund. The 2025 budget for General Fund revenues also includes slight increases in various departmental fees.

The 2025 budget for General Fund expenses is \$128.5 million. The most significant pressures on the General Fund budget include increases in the cost of contractual obligations with the resource recovery

# **Town of Huntington**

## **Executive Budget Summary**

plant and health insurance costs. Together, these expenses account for the majority of the increase in the General Fund Budget.

### **Highway**

The Highway Fund is used for the maintenance and repair of over 800 miles of streets, roads, right-of-ways, and drainage systems in the unincorporated areas of Town (those not located in one of Huntington's four villages)

The 2025 Highway Budget is balanced. The budget total is approximately \$41.4 million. This is an increase of 5.28% from the 2024 Budget.

Property Taxes account for \$36.9 million or approximately 90% of the Highway fund revenue. Other budgeted revenue in the Highway budget is \$4.5 million, of which \$1.7 million is State Aid.

### **Consolidated Refuse District**

The Consolidated Refuse District provides sanitation, recycling, and yard-waste collection for residents that do not live in a village.

The 2025 Consolidated Refuse District Budget is balanced. The Budget total is \$29 million. This is an increase of \$.2 million or .95% from the 2024 Budget.

Property Taxes account for \$28.2 million or approximately 96.31% of the revenue in the fund. Other budgeted revenue in the Consolidated Refuse District is \$1.08 million.

### **Part Town**

The Part Town Fund is made up of services that are provided to Town residents who reside outside of the town's four incorporated villages, including Transportation and Traffic Safety, Fire Prevention Services, Zoning and Building Inspections, and Planning.

Total expenses in the Part Town Fund are \$13.1 million, an increase of 4.63% from the 2024 Budget. The increase is due to contractual obligations.

Property Taxes account for \$3.4 million or approximately 25.73% of the Part Town fund revenue. Other budgeted revenue in the Part Town Fund is \$9.7 million, of which the Building Department fees of \$5.5 million represent 41.98% of the total revenue.

### **Special Funds**

All other Funds, including the Special Revenue Funds, Fire Protection, Street Lighting, Commack Ambulance, Huntington Community Ambulance, Huntington Sewer, Centerport Sewer, Waste Water Disposal, and the Dix Hills Water District, are considered special funds.

The 2025 Special Funds appropriations total \$25.4 million, which reflects a \$1.8 million increase from the 2024 Budget.

Property taxes for Special Funds amount to \$15.6 million, which reflects an increase of \$.2 million from the 2024 Budget. Other budgeted revenue in the Special Funds is \$9.7 million which reflects a \$1.6 million increase from the 2024 Budget.

\* Includes 2024 appropriations during the fiscal year.

\*\* The Board of Trustees Fund is combined with the General Fund in compliance with GASB 54.

## Town of Huntington

### Revenue Definitions and Forecast Methodology

The purpose of providing the methods for forecasting revenues is to validate the forecast over time and to utilize the information in making future forecasts. The following assumptions and methods were used to formulate the revenues in the 2025 Budget:

<b>Revenue Source</b>	<b>Definition</b>	<b>Forecast Methodology</b>
Property Taxes-Advalorem	Property Tax is based on the value of real property. The assessed value of each parcel, less exemptions, is the taxable value. Advalorem property taxes are based on the taxable value	Property taxes are calculated by multiplying the taxable value (tax roll) of all properties in the Town by the rate of taxation or rate per \$1,000 of assessed valuation.
Departmental Income	Income generated by each department's operations that are not fee or fine-based	Historical trend analysis adjusted for any rate increases
Mortgage Tax Revenue	New York State imposes a tax on the privilege of recording a mortgage on real property located within the state, a portion of which is provided to local governments	Historical trend analysis based on housing sale trends
Franchise Fee Revenue	5% of gross revenues derived from the operation of the cable system for the provision of cable services	Historical trend analysis
Interest and Earnings	Revenue derived from the investment of cash balances. The Town maximizes cash flow whenever possible to generate interest earnings.	Historical trend analysis adjusted for rate changes
Licenses and Permits	Building and engineering permits, animal licenses, bingo permits, parking permits, mooring permits, filming permits, GIS fees, accessory apartment permits, and sign permits	Historical trend analysis
Fines and Forfeitures	Settlement of cases taken to court.	Historical trend analysis
Miscellaneous	Revenues that do not fit into any one of the other revenue categories and includes sale of property	Historical trend analysis
Federal and State Aid	Funding provided by the Federal and State governments based on allocations for bus operations, youth services, energy efficiency programs, nutrition programs	Historical trend analysis adjusted for any Federal/State funding allocation modifications
Interfund Revenues	Allocation of common costs	Allocation of common costs based on the 2025 budget costs

## Town of Huntington Major 2025 Revenue Sources

The Town of Huntington’s primary source of revenue is the local real property tax. Charges and fees assessed by town departments are a distant second. Other sources include the mortgage tax, franchise revenue, state aid, federal aid, and interest revenue. In 2025, the total budgeted revenue for all funds is \$238,391,364, which includes the use of fund and reserve balances and transfers between funds. All funds are balanced. Therefore, total revenues equal total expenses.

<b>Funding Sources</b>	<b>2023 Actual</b>	<b>2024 Modified Budget</b>	<b>2024 Projected</b>	<b>2025 Budget</b>	<b>% of Revenue</b>	<b>% Change 2025 vs. 2024</b>

### Property Tax

The property tax is the largest and most important revenue source for the Town. As the default revenue source, it must cover all expenses that cannot be funded by other sources. Property taxes are a function of the Town’s revenue needs, assessed values of properties within the Town, and the equalization rate set by New York State.

The Town Assessor determines the value of each parcel of taxable real property within the town. The total value of all the taxable properties (minus exemptions) becomes the tax base from which the revenue required by the Town must be obtained. The tax rate is calculated by dividing the revenue required by the total assessed valuation of all taxable properties. Each owner is taxed based on their proportion of the total tax base.

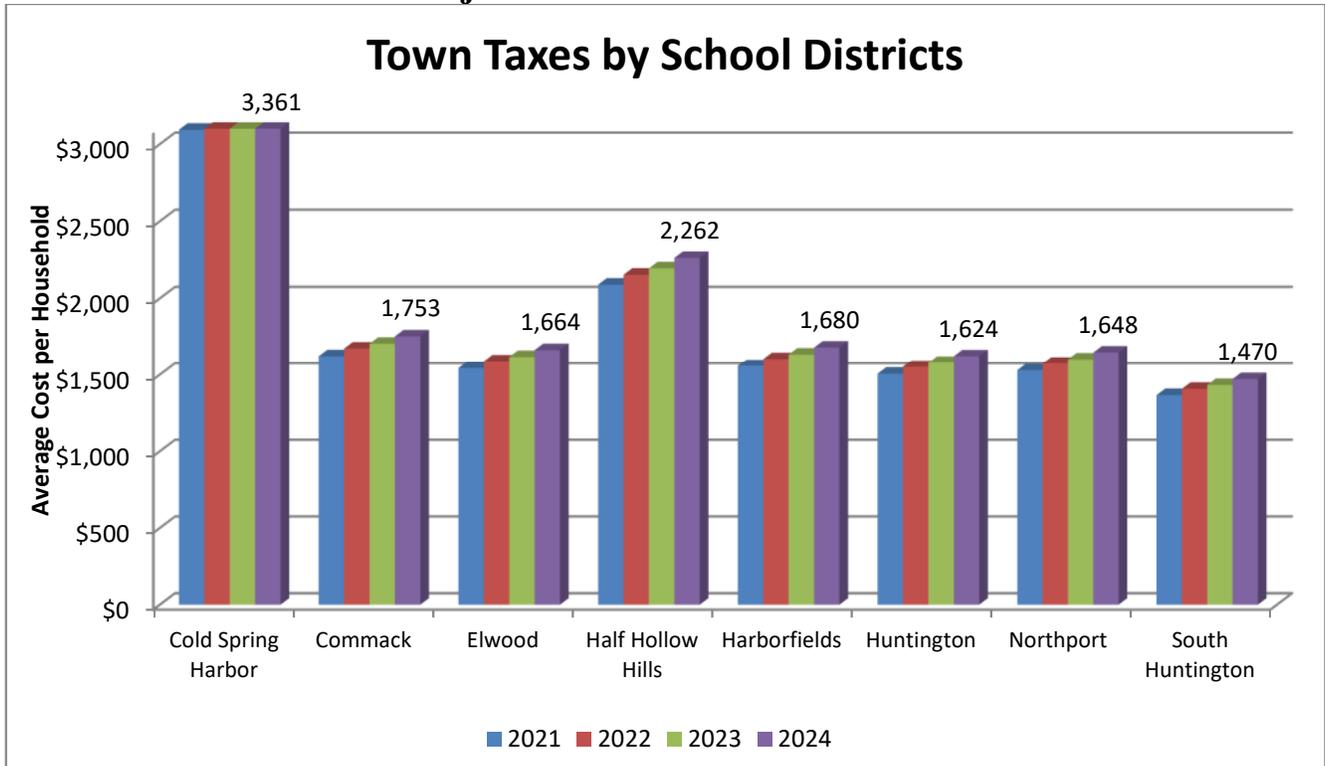

## Town of Huntington Major 2025 Revenue Sources

Year Ended	Total Net Assessed Value	State Equalization Rate	Full Valuation
2024	314,041,349	0.55%	57,098,427,091
2023	315,376,253	0.64%	49,277,539,531
2022	317,063,143	0.74%	42,846,370,676
2021	320,597,772	0.74%	43,324,023,243
2020	322,829,176	0.76%	42,477,523,158
2019	323,533,437	0.80%	40,441,679,625
2018	323,515,483	0.84%	38,513,747,976
2017	324,025,888	0.85%	38,120,692,706
2016	325,208,126	0.86%	37,814,898,372
2015	325,757,112	0.89%	36,601,922,697

Property tax revenue in 2025 is budgeted at \$140.3 million for all taxing districts and represents 58.9% of Town operating revenues. The 2024 property tax revenue was \$136.8 million and represented 59.7% of the operating revenues for all taxing districts. This increase in tax revenue is a result of raising taxes to offset the increase in contractual commitments.

The Town typically collects approximately 97% of the tax levy. It is important to note, however, that all uncollected taxes become the responsibility of Suffolk County. The Town is guaranteed 100% of the tax revenue and, therefore, is not required to budget for uncollectible tax revenue. Town taxes, in fact, comprise about 6-8% of the average resident's property tax bill.

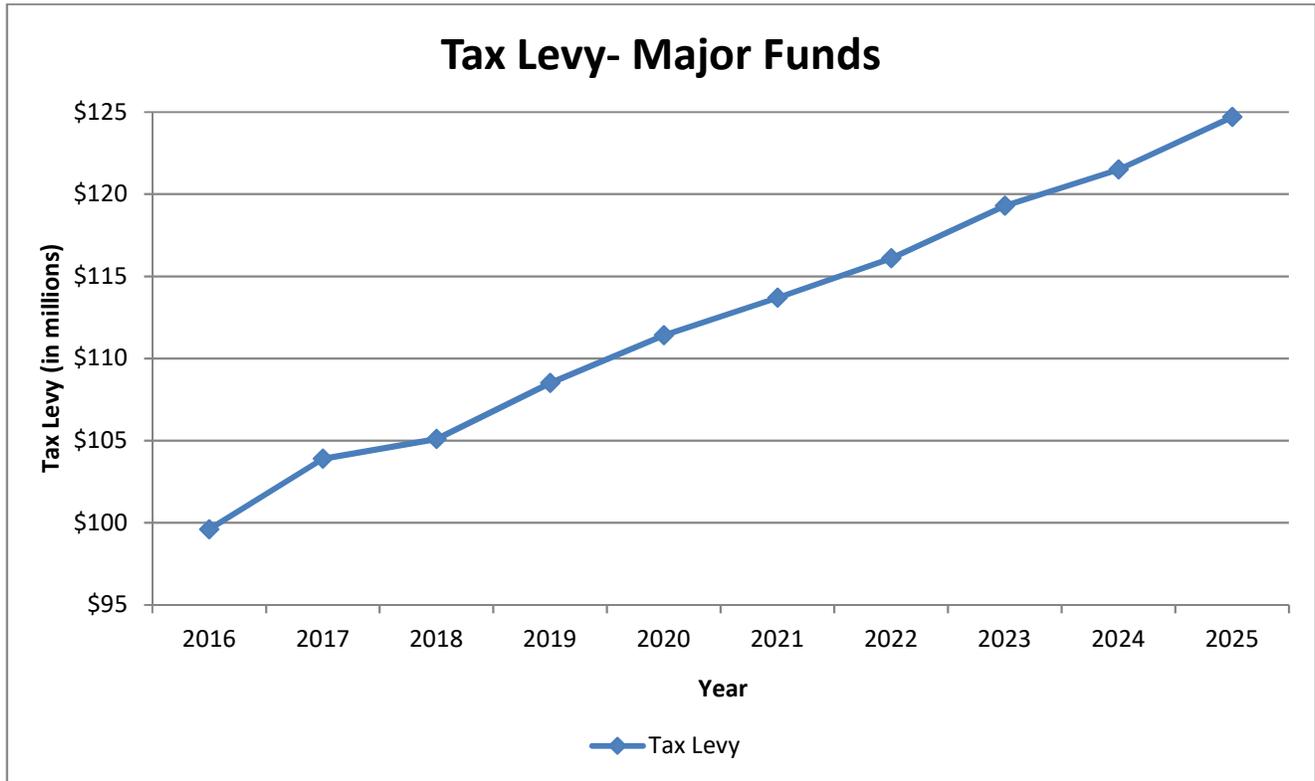

# Town of Huntington Major 2025 Revenue Sources

# Town of Huntington Major 2025 Revenue Sources

## Four Major Funds (General Fund, Highway, Refuse District, and Part Town)

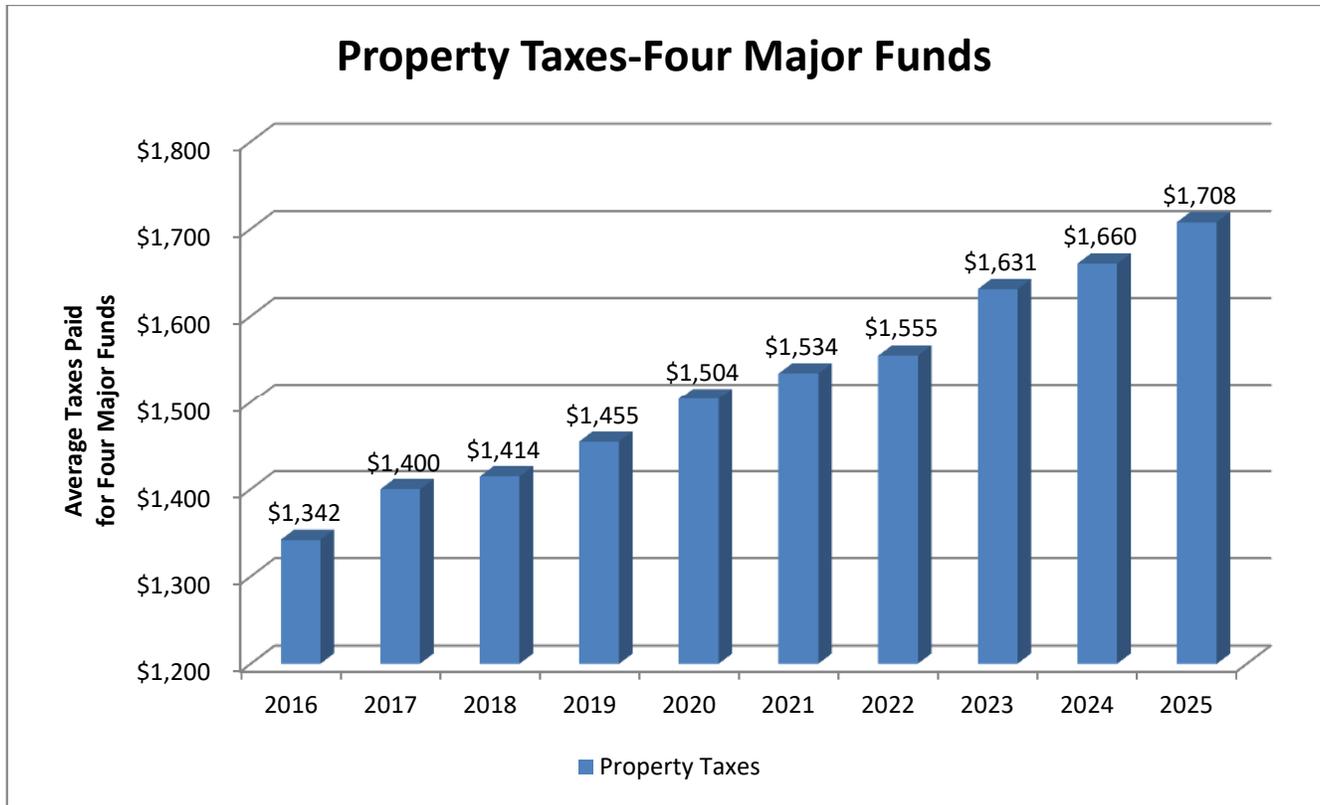

The 2025 property tax revenue for the four major funds comprises \$124.7 million, or 52.3% of the total Town revenue. This is an increase of \$3.2 million or 2.7% compared to the 2024 property tax revenue of \$121.5 million, which is a result of contractual increases.

The Tax rates for these four funds affect all Town residents. The tax rate for the General Fund, the Highway Fund, and the Part Town Fund is calculated based on the assessed value of the property, while the Refuse District residents pay an assessment calculated by dividing the tax revenue needed by the number of households in the district.

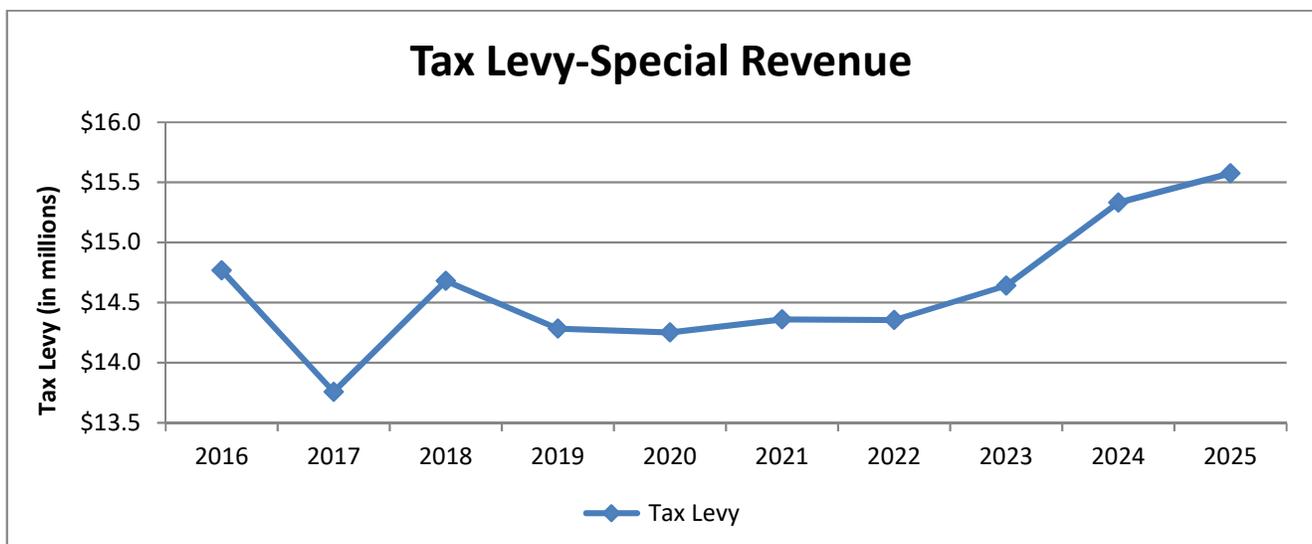

## Town of Huntington Major 2025 Revenue Sources

The following is a historical analysis of the budgeted combined tax rates for a home that has an average assessed value of \$3,900 or a market value of \$709,090.

### Special Revenue Funds

The 2025 property tax revenue for the Special Revenue funds combined comprises \$15.6 million, or 6.53% of the total Town revenue. This is an increase of \$.242 million compared to the \$15.3 million in 2024 property tax revenue.

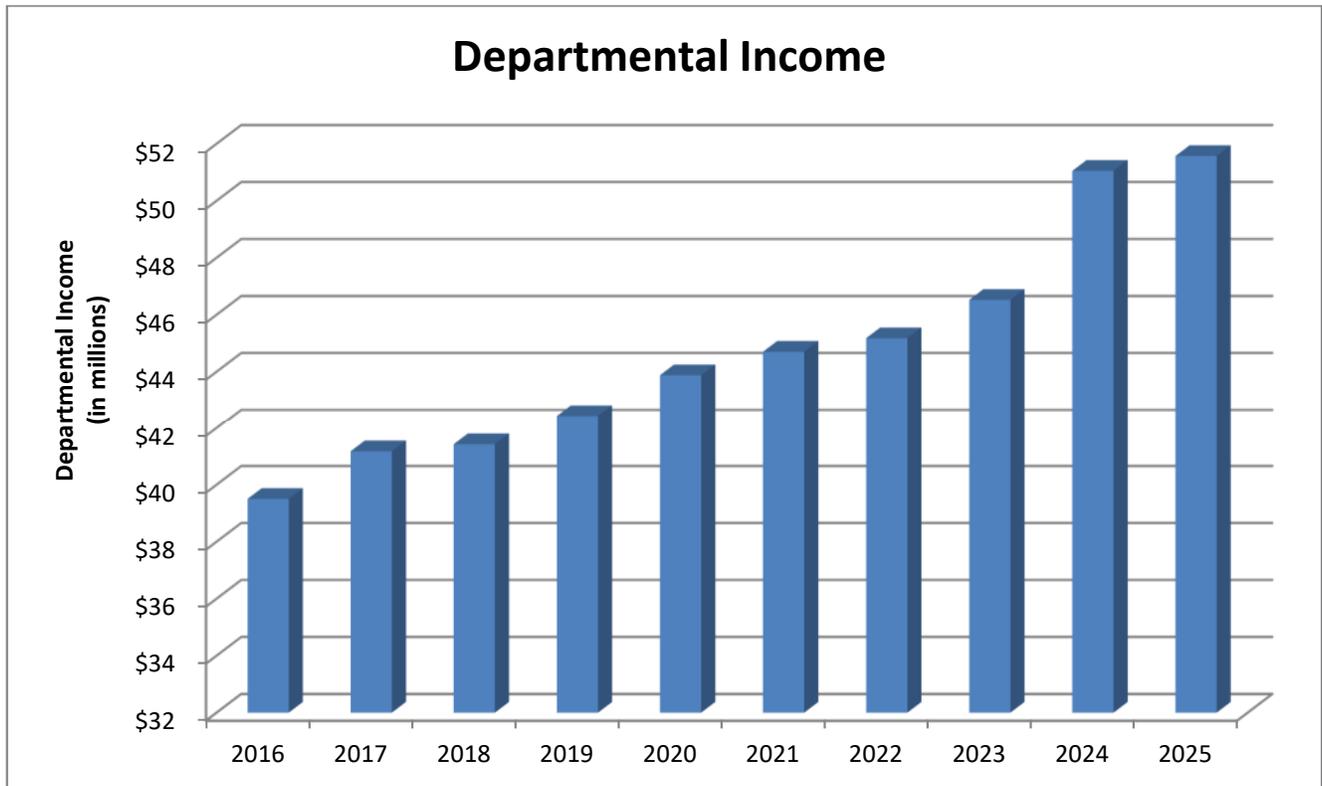

# Town of Huntington Major 2025 Revenue Sources

## Departmental Income

The 2025 departmental income for the Town consists of various fees for recreation programs, senior programs, adult education programs, and revenue generated by the Town's resource recovery plant.

Departmental revenue of \$51.6 million for 2025 accounts for 21.63% of the Town's total revenue budget, an increase of \$.52 million or 1.02% from 2024.

# Town of Huntington

## Fund Structure

### Major Funds

**General Fund** accounts for all general government activity townwide and the services traditionally provided to the Town's residents. This includes services provided by the Town Board and Town Supervisor, as well as the following administrative offices: Assessor, Audit & Control, Town Clerk, Tax Receiver, Personnel, Town Attorney, Audit & Control, and Information Technology, in addition to Parks and Recreation Services, General Services for buildings and grounds maintenance, Animal Control, Engineering, Public Safety, Human Services, Maritime services, Resource Recovery and Recycling, Bus Operations and the Planning Department.

**Highway Fund** accounts for the maintenance and repair of over 800 lane miles of streets, roads, rights-of-way, and all drainage systems throughout the Town that are not within Villages.

**Part Town Fund** accounts for all government activity for services not provided to Villages within the Town. This includes fire inspection services, building department services, accessory apartment services, zoning services, and code enforcement services.

**Consolidated Refuse District Fund** accounts for sanitation, recycling, and yard-waste collection services provided by both municipal employees and private contractors.

### Non-Major Funds

**Debt Service Fund** accounts for the extinguishment of refinanced debt.

**Board of Trustees Fund** accounts for the administration of town properties

**Business Improvement Districts** accounts for funding for the three business districts throughout the Town: Huntington Village, Cold Spring Harbor Village and Huntington Station Village.

### Special District Funds

**Fire Protection Funds** accounts for the contracted funding provided by the Town Fire Protection District #1.

**Street Lighting Fund** accounts for the operational and administrative services providing streetlights on town, county and state roads throughout the Town and municipal commuter parking lots and garages other than those that are incorporated Villages.

**Ambulance Districts** accounts for the contracted funding of both the Commack Ambulance District (SM1) and the Huntington Community Ambulance (SM2) to provide emergency services to Town residents.

# Town of Huntington

## Fund Structure

### Special District Funds (continued)

**Huntington Sewer Districts** accounts for the operation of sewage treatment plant that processes 2.5 million gallons of sewage per day from over 1400 parcels located within the district.

**Centerport Sewer Districts** accounts for the inter-municipal agreement with the Village of Northport that processes sewage at the Northport Sewage Treatment Plant for Town residents that are within the district.

**Waste Water Disposal District** accounts for operations of the scavenger waste facility where residential waste trucks service Town residents and process the waste into the Town's Sewage Treatment Plant.

**Dix Hills Water District** accounts for the public water supply, providing 8,400 homes and businesses within the district with high-quality drinking water through the operation of 17 water supply wells at 11 sites.

### Component Units

The following three entities are legally separate component units of the Town and, because of the nature and significance of their relationship with the primary government, are combined in the Town's Annual Comprehensive Financial Report (ACFR). These component units are governed by legally separate boards, and their annual budgets are not included in the Town's adopted budgets.

**Community Development Agency-** A separate public benefit corporation created by state legislation to promote the safety, health, and welfare of Town residents. This entity is reported as a Special Revenue Fund in the ACFR.

**Local Development Corporation-** A separate public benefit corporation created by the Board to conduct activities that will relieve and reduce unemployment, promote and provide maximum employment, improve and maintain job opportunities, lessen the burden of governments, and act in the public interest. This entity is reported as a Special Revenue Fund in the ACFR.

**Greenlawn Water District-** Special district of the Town of Huntington that provides water services to residents and business within the district. This entity is combined with the Town's Water District and reported as a Non-major Governmental Special District.

**South Huntington Water District** - Special district of the Town of Huntington that provides water services to residents and business within the district. This entity is combined with the Town's Water District and reported as a Non-major Governmental Special District.

# Departmental Summaries and Budgets

# Assessor

**Lisa Leonick, Assessor**

## ◆ Section I - Departmental Mission:

The mission of the Assessor's Office is to maintain a fair, accurate, and timely valuation of all real property within the Town in an equitable manner, as reflected on the Town's assessment roll. Once finalized, the annual Town Assessment Roll becomes the tax base, which is utilized to apportion the annual Town Tax Warrant, which may have exceeded \$1 billion in the 2023 calendar year. This is the money that funds the operating budgets of the Town, County, Schools, Libraries, and special districts' (fire, water, ambulance, sewer, refuse, lighting, and business improvement districts). An accurate assessment roll furthers the Town's strategic goal of maintaining fiscal strength with the solid tax structure necessary to deliver quality public services.

The primary mission of the School Tax Relief (STAR) Division is to educate the public regarding STAR and ensure that all eligible Town of Huntington residents file applications in a timely manner to receive their STAR exemption as soon as legally possible.

## ◆ Section II - Legal Authority:

The duties and responsibilities of the Assessor's Office are governed by New York State Real Property Tax Law, the New York State Rules for Real Property Tax Administration as enacted by the NYS Department of Taxation and Finance, Office of Real Property Tax Services, and the Suffolk County Tax Act. The appointment of the Town Assessor is authorized under Section 310 of the Real Property Tax Law and Local Law No. 9-1982 of the Town Code.

STAR is part of the New York State Real Property Tax Law, Section 425.

## ◆ Section III - Operating Environment:

### **ASSESSOR'S OFFICE**

#### **Grievance Processing:**

This office processes approximately 12,000 grievance complaints each year on residential and commercial property. The law requires grievances to be filed in May each year, and each grievance must be entered into the Govern computer program, individually reviewed, and determined by an independent Board of Assessment Review by July 1st of each year. We have implemented electronic filing for bulk grievance filers and conducted live Grievance Day hearings.

#### **Small Claims Assessment Review (SCAR) Proceedings:**

SCAR proceedings are residential assessment appeals to the Suffolk County Supreme Court after a denial by the Board of Assessment Review. For the past several years, the SCAR caseload has varied from 4,000 to 6,000 appeals, and it is projected that the caseload for the SCAR cases filed for the upcoming 2024/25 tax year will be 6,000 or more cases.

#### **Property Tax Exemption Processing:**

The Assessor's Office is responsible each year for the administration and processing of thousands of property tax exemptions allowed under State and local laws, such as Veterans, Senior Citizens with Low Income, Home Improvement, Disabled with Low Income, Agricultural Commitment, Non-Profit, and Volunteer Firefighters & Ambulance Workers. The Assessor's Office is also responsible for the timely removal of exemptions from properties when the owner is no longer eligible for an exemption and recapturing the money saved by ineligible owner's through the pro rata process.

# Assessor

**Lisa Leonick, Assessor**

## **Inventory of Real Property:**

The Assessor's office establishes the condition and value of all approximately 75,000 parcels of residential, commercial, industrial, and utility real property within the Town as of taxable status date (March 1<sup>st</sup> of each year).

## **STAR DIVISION:**

The majority of the Town's residential property owners are entitled to the BASIC STAR exemption. Therefore, approximately 55,000 of the 63,450 Town of Huntington households are entitled to these school tax savings. Additionally, applicants over 65 years of age or older may be eligible for additional school tax savings through the Enhanced STAR program, several thousand of which are administered by the STAR division. Each Enhanced STAR exemption must be renewed annually with the Town's STAR Office by March 1<sup>st</sup> or through the NYS Department of Taxation and Finance.

## **◆ Workload Indicators:**

### **Small Claims Assessment Reviews (SCAR) Proceedings:**

The number of SCAR cases filed is expected to increase for the 2024/25 tax year, with minimal part-time staffing available to handle this workload.

## **◆ 2024 Achievements:**

The Department's 2024 significant achievements include the following:

### **Small Claims Assessment Review (SCAR) Proceedings:**

The SCAR defense/appraisal firm was retained by the Town Board in 2013 and renewed in 2018 and 2022. It continued to defend itself by negotiation or litigation in approximately 4,500 cases in the 2023/24 tax year. Additionally, the existing office staff spent countless hours preparing files for the defense firm and tracking, calendaring, data entering, reviewing the billing, and managing the 4,000 cases assigned to the SCAR defense firm.

## **STAR Exemption:**

### **Enhanced STAR Exemption:**

The processing of applicants for the Enhanced STAR exemption changed dramatically in 2019, as the New York State legislature enacted significant new legislation at the end of April 2019. The timing of the enactments created chaos within the NYS Department of Taxation and Finance, Office of Real Property Tax Services (ORPTS), the entity overseeing the assessment process statewide, as well as with all assessing units within New York State, with July 1<sup>st</sup> being the deadline for implementing the changes. After 2019, all of the applicants were required to participate in the income verification program (IVP) which authorized ORPTS to review the income eligibility of each applicant. This change required the Assessor's Office to notify approximately 10,000 property owners of this new requirement and to review an application from approximately 2,000 additional persons who, in previous years, automatically received the Enhanced STAR exemption without the need to file a new or a renewal application. This new requirement placed an additional strain on the resources of the STAR department and resulted in a flood of additional inquiries from senior citizens who are not equipped to handle such a change.

Additionally, in 2020, ORPTS instituted an annual reporting system for processing STAR applicants. Our staff is responsible for reviewing, downloading, processing the myriad of STAR changes and working with IT on global changes as well.

# Assessor

---

**Lisa Leonick, Assessor**

---

---

## **Basic STAR Exemption Program Change:**

As a result of a significant change in the STAR law on April 1, 2016, most new Basic and Enhanced STAR applications are required to be filed directly with the New York State Department of Taxation and Finance, which will issue a STAR check to eligible applicants in lieu of receiving a STAR exemption. As a result of this removal and the program change generally, this Department continues to be flooded with phone calls and office visits by potentially affected property owners. As mentioned above, our department receives numerous reports from ORPTS for updating STAR status, based upon NY State's review of STAR applications, our Tentative Roll, our Final Roll, and all interim changes.

## **Grievance Complaint Processing and Review:**

In an effort to reduce the number of SCAR filings by individual homeowners and SCAR companies, the Assessor's office made a concerted effort to encourage residents to file grievance complaints on their own (pro se) to avoid the time and expense of filing SCAR proceedings. As part of this effort, our office emphasized the need for the property owner to submit information relevant to the value of their homes, such as an appraisal or a comparative market analysis, to persuade the Board of Assessment Review to reduce the assessment. This year, approximately 300-400 pro se grievance complaints were received, all of which are being reviewed by the Assessor's staff prior to the Board of Assessment Review making a final determination. This process will most likely result in approximately 200-300 reductions being given by the Board of Assessment Review to those homeowners who properly documented their cases. This approval should reduce the number of SCAR cases being filed after the assessment roll becomes final in September 2023.

## **Senior Low-Income Exemption applications (New and Renewal):**

The annual filings of new and renewal Senior Low-Income exemption applications have steadily increased over the past several years. This year, there was a tremendous increase in the number of new applications filed due to the new state's required mailing to all residents in our Town regarding this exemption. Normally, we receive approximately 1,350 renewal applications. Since these applications are income-based and not dependent upon the applicants' assets, complex tax returns, and banking and investment records, they must be carefully scrutinized, requiring time-consuming and tedious analysis to separate income from assets. The substantial volume of senior low-income activity handled by this department, along with the corresponding contacts with elderly applicants who are unable to grasp the complexities of the program, continues to place a significant strain on the limited staff available to handle this workload. With the aging of the population, we expect the annual workload to increase for 2024 and beyond.

## **General Assessment Administration:**

The ownership records of the Assessor's Office were continually updated by reviewing thousands of deeds and obituary information and removing assessment exemptions from newly acquired properties when the new owner was ineligible for the exemption. As part of this process, the Assessor's Office recaptured through the pro rata process approximately \$500,000 in taxes saved by ineligible property owners.

## **◆ 2025 Goals:**

### **Assessment Rolls:**

We seek to increase the value of the assessment roll by adding new assessments, thoroughly scrutinizing exemption applications, and vigilantly defending SCAR cases, both of which significantly erode the tax base each year.

# Assessor

**Lisa Leonick, Assessor**

**Grievance Complaints and Small Claims Assessment Review (SCAR) Proceedings:**

Continue processing as efficiently as possible approximately 12,000 grievance complaints filed with our office in May, defending between 1,000 and 2,000 SCAR cases resulting from grievance denials by the Board of Assessment Review, and providing significant support to our SCAR defense firm in its handling of between 4,000 and 6,000 SCAR cases.

**Exemptions:**

Review and process all existing and upgraded enhanced STAR and aged property tax exemptions so they are appropriately reflected on the next assessment roll, remove exemptions from ineligible properties, and recapture the taxes saved on properties having exemptions to which the owners were not entitled.

**◆ Performance Measures:**

**SCAR Proceedings:**

Residential assessment appeal cases in the Supreme Court called “Small Claims Assessment Review” cases, or “SCAR,” are expected to increase back to the past higher level due to COVID impact:

<b>Fiscal Year</b>	<b>Actual 2022/23</b>	<b>Actual 2023/2024</b>	<b>Projected 2024/25</b>
Caseload	+/-4,400	5,400	±6,000

**Maintain Assessment Roll**

Taxable assessed values have been maintained with little or no significant increase or decrease.

<b>Fiscal Year</b>	<b>Actual 2022/2023</b>	<b>Actual 2023/2024</b>	<b>Projected 2024/25</b>
Assessed Value	\$315,449,990	\$313,574,878	\$310,828,071
Increase/Decrease		-.5%	-.9%

**STAR:**

Enhanced STAR applications are tracked, processed, and valued on schedule for timely tax billing.

<b>Fiscal Year</b>	<b>Actual 2022/2023</b>	<b>Actual 2023/2024</b>	<b>Projected 2024/25</b>
Enhanced STAR Exemptions Processed	7501	7139	6800

# Audit & Control

---

---

Laura Carey, Comptroller/Director

---

---

## ◆ Departmental Mission:

The mission of the Department of Audit & Control is to safeguard and administer the Town's assets and provide comprehensive financial management information on the financial health of the Town. The Department provides the legally required audit functions in addition to monitoring and reporting on Town agencies in a timely manner. The department supports the Town's mission of maintaining fiscal strength.

## ◆ Legal Authority:

The Department of Audit & Control is authorized under Section 20 (3)(b) and Section 34 of New York State Town Law and Chapter 6 of the Huntington Town Code. Local Law 12-2006 was adopted in April of 2006, amending the Code of the Town of Huntington Chapter 6 to remove the Department of Data Processing.

The Town of Huntington is authorized under Section 380 of New York State Town Law to establish an administrative adjudication hearing procedure under the provisions of this section for all code and ordinance violations regarding conditions which constitute a threat or danger to public health, safety or welfare.

## ◆ Operating Environment:

The Department of Audit & Control manages four divisions:

**Comptroller:** The Department is responsible for disbursing and accounting for approximately \$220 million in operating expenses for wages, supplies, and services. Making certain the accounting and collection of revenues due to the Town are accurate and timely. Other duties include compiling and issuing the Town's Comprehensive Annual Financial Report as well as preparing the town-wide annual operating budget and periodic budget projections. The Comptroller manages the financing of the Town's capital projects (multi-year construction projects or other asset acquisitions), averaging \$20 million per year. The Comptroller's Office safeguards and manages all of the Town's cash and investments to maximize interest earnings and minimize risk. All Town Board Resolutions are reviewed for fiscal impact. Approximately \$1.1 billion in taxes is collected by the Tax Receiver and disbursed to the various taxing jurisdictions by this office.

**Payroll:** Supervises, coordinates, and accurately prepares the payroll for all Town employees, ensuring compliance with applicable regulations, policies, and bargaining agreements.

**Purchasing:** The Purchasing Division procures materials, equipment, and services at the lowest cost consistent with the quality and suitability required in accordance with the Town's Purchasing Policy and all applicable laws.

**Bureau of Administrative Adjudication:** The Bureau of Administrative Adjudication is an administrative tribunal authorized to adjudicate violations of the Town Code addressed to the public health, safety and welfare, except for violations of Chapter 87 which sets forth the requirements for building construction.

# Audit & Control

Laura Carey, Comptroller/Director

## ◆ Workload Indicators:

The Department of Audit & Control’s workload is directly related to the activity in the operating departments, in addition to budget fluctuations. Budgets influence the level of activity as follows:

**Accounts Payable-** Process over 21,500 invoices and prepares approximately 6,000 payments per year.

Fiscal Year	Actual 2021	Actual 2022	Actual 2023	Projected 2024
Accounts Payable Payments	5572	5297	5868	6000

**Accounts Receivable-** Process and records approximately 3,500 cash payments per year.

**Payroll-** Processes payroll for approximately 679 regular employees, 201 part-time permanent employees, and 517 temporary, seasonal staff in accordance with all applicable labor laws.

**Purchasing-** This year Purchasing is projecting to conduct over 80 sealed bids; 15 requests for proposal and 15 public works bids and administers the creation of more than 3,100 purchase orders within the parameters of the Town Operating & Capital budgets.

Fiscal Year	Actual 2021	Actual 2022	Actual 2023	Projected 2024
Total Bids/RFPS Issued	135	115	110	110

**Capital Project Management-** Provides and manages funding for approximately 50 Town projects per year and over 100 on a cumulative basis.

**Budget preparation and management-** Prepares annual budget of \$220 million to make use of taxpayer funds in a fiscally responsible manner.

**Cash Management-** Manage average cash balance of approximately \$160 million in 25 bank accounts with the goal of maximizing interest earnings while minimizing investment risk.

**Internal and annual Audits-** Performed 3 internal audits in 2023, 29 audits of payments to outside agencies, and 2 LOSAP audits of ambulance squads. The schedule for 2024 is for 3 internal audits, 29 audits of outside agencies, and 2 LOSAP audits of ambulance squads.

**Bureau of Administrative Adjudication -** The number of cases written in 2023 was 775, with a total of 657 separate appearances. 2024, the estimated number of cases written is expected to be approximately 909.

## ◆ 2024 Achievements:

- In July 2024, the Town was awarded an Aaa bond rating, the highest rate possible by Moody’s. The Town is at the highest rate possible, an achievement difficult to accomplish clearly confirming the Town’s financial strength. These ratings continue to maintain Huntington as one of the highest-rated towns on Long Island.

# Audit & Control

**Laura Carey, Comptroller/Director**

- In 2024, the Town of Huntington was presented with an Award of Financial Reporting Achievement from the Government Finance Officers Association of the United States & Canada for the fiscal year ended 2022. This was the twenty-fifth consecutive year that the Town was presented with this award. A Certificate of Achievement is presented to those government units whose annual financial reports are judged to adhere to program standards and represents the highest award in governmental financial reporting. In 2024, the Town submitted its 2023 Annual Comprehensive Financial Report to the Government Finance Officers Association of the United States & Canada to determine eligibility for this prestigious award for the twenty-sixth consecutive year.
- In 2024, the Town of Huntington was presented with the Distinguished Budget Presentation Award from the Government Finance Officers Association of the United States & Canada for the fiscal year beginning January 1, 2024. This was the thirteenth consecutive year that the Town was presented with the award.
- Continued expansion of electronic payment system to all Town locations.
- Monitored the annual budget, instituted budget reductions, and ensured that ongoing budget deficit reduction targets were met.
- Increase in employee enrollment in direct deposit program resulting in an increase in efficiency.
- By leveraging the Town's buying power and maximizing the efficiency and expenditure of government funds, consistent with New York General Municipal Law §103(16), certain contracts awarded by the Town of Huntington were made available to other New York State governmental entities.

## ◆ 2025 Goals:

The Department of Audit & Control's goals include, but are not limited to, the following:

- To receive a Certificate of Achievement for Excellence in Financial Reporting for the 2023 report.
- To receive a Certificate of Achievement in Budget Excellence for the 2025 budget.
- Continue to assist departments with the expansion of electronic payments to increase efficiency and cash flow throughout the Town.
- Continue to perform audits of Town departments and outside agencies and to assist in updating relevant policies and procedures to strengthen internal controls and operations.
- Implementing all relevant GASB pronouncements by effective dates or sooner when feasible.
- Continued maximization of cash flow and rates of return.

## ◆ Performance Measures:

The performance measures that will be used to measure progression toward departmental goals are as follows:

- Submit the annual financial report and budget within required time frames to receive the GFOA award.
- Monitor and track the number of audits performed each year.

# Engineering Services

James J. Ahrens, P.E, Director

## ◆ Departmental Mission:

The Department of Engineering Services is a multi-functional department providing a variety of Engineering and Building Services to Town Residents. The mission of the Department is to provide, where applicable, safe, code-compliant, and economical engineering designs, oversight, and construction management of new construction as well as renovation/reconstruction projects within the Town, both in the public and private sector. The following four (4) divisions comprise the Department of Engineering Services: Engineering Design, Building and Housing, Fire Prevention, and the Dix Hills Water District.

## ◆ Legal Authority:

Chapter 25 of the Huntington Town Code establishes the Department of Engineering Services and defines the flow and duties of the various divisions. The operation of the department is also governed by numerous State and local laws/codes, including but not limited to the following:

New York State Town Law, Sections 20 & 24	
New York State Fire Prevention and Building Code	
New York State Vehicle and Traffic Law - Section 1660	
Huntington Town Code	- Chapter 87
Huntington Town Code	- Chapter 104
Huntington Town Code	- Chapter 111
Huntington Town Code	- Chapter 137
Huntington Town Code	- Chapter 153
Huntington Town Code	- Chapter 198

## ◆ Operating Environment:

**Engineering Services:** The Engineering Services Division is responsible for the in-house design and development of plans and specifications for renovations and new capital construction projects within the Town in addition to supervising the actual construction of the projects. The Town contracts with professional engineering consultants on occasion for more complex projects that require particular expertise. This Division performs the contract management and administration on these consultant projects. The scope of the Division's projects is diverse and vary from roadway and drainage improvements, parking lots, traffic calming, Town parks/playgrounds, marine construction, building design/renovations, and construction of public works buildings.

This Division is also responsible for engineering review of Planning Board commercial site plans and subdivision applications. Engineering Services supports the Capital Project Requirements of the Departments of Parks and Recreation, Maritime Services, and General Services, which involve quality-of-life projects undertaken throughout the Town.

**Building and Housing:** The Building and Housing Division is responsible for the administration of the building permit process to ensure that all construction complies with the relevant provisions of Federal, State, and Local Codes, including but not limited to the Building Construction Code, Fire Prevention Code, and Plumbing and Zoning Ordinances. Division personnel administer and apply the applicable codes as adopted by the State of New York. This Division is also responsible for accepting, reviewing,

---

---

# Engineering Services

---

**James J. Ahrens, P.E, Director**

---

---

and approving applications, issuing permits, and inspecting the various stages of construction. Certificates of Occupancy (CO) are issued when all documentation is received and inspections have been completed. Finally, responsibility includes maintaining files for thousands of open permits. The Division maintains a vast amount of records of the building permit histories of each property in the Town of Huntington. These records include computerized summaries, microfilm aperture cards and reels, and digitally scanned documents. It is from these databases that thousands of duplicate CO's are issued each year.

**Fire Prevention:** The Bureau of Fire Prevention is responsible for enforcing Fire Safety Codes throughout the Town. This would include, but not be limited to, the following:

- The issuance of construction permits and requisite field inspections for the installation of fire protection equipment, including fire sprinkler systems, fire alarm systems, fixed wet and dry chemical extinguishing systems, clean agent extinguishing systems, alternate agent extinguishing systems, and carbon monoxide detection systems.
- The issuance of operational permits and requisite field inspections for twenty-four types of activities or processes detailed within the Town Fire Code, from storage of aerosol products to conducting welding or other hot work activities.
- The issuance of general fire safety inspection certificates for the performance of inspections performed within all commercial properties on an annual basis.
- The investigation of complaints pertaining to the existence of conditions or activities that fail to comply with the Fire Code of New York State and or the Town of Huntington Fire Code.
- Conduct fire investigation activities at all major fires that occur within the Town to determine cause and origin and assist the Suffolk County Police Department Arson Squad in these activities.
- The Bureau serves as the liaison between the twelve (12) fire districts within the Town and other Town Departments and represents the Town's interests at various fire association or committee meetings.

**Dix Hill Water District:** The Dix Hills Water District is a public water supply district, which supplies water to an area with a population of 41,000 people. The District is responsible for delivering high-quality drinking water to approximately 8,400 homes and businesses in the Dix Hills section of the Town. The District maintains (17) supply wells, three (3) water storage tanks, five (5) emergency electrical generators, three (3) specialized water treatment systems, 170 miles of water main, 1,290 fire hydrants, and over 2,000 system valves.

## ◆ Workload Indicators:

**Engineering Services:** The workload in the Engineering Services Division is predicated on the ability to perform in-house design services, manage the work of outside design consultants, and monitor field construction activities. As such, the Division is working diligently to support the current workload.

A current list of active design phase and construction phase projects would include but not be limited to the following:

# Engineering Services

James J. Ahrens, P.E, Director

## DESIGN:

1. Woodbine Marina Bulkhead Replacement
2. Community Center Redesign
3. Animal Shelter Reconfiguration
4. Flanagan Center/Village Green Roof Replacement - Phase 3
5. Broadway Greenlawn Road Streetscaping and Traffic Calming
6. Chase Bank Parking Lot
7. West Neck Beach Entry Roadway Reconstruction
8. Village Green Parking Improvements - Phase 3
9. Whitman Park Tennis Courts/Pickleball Courts
10. Kew Avenue Park Playground
11. Fair Meadow Park Design
12. Flanagan Center Emergency Generator
13. Gold Star Beach Parking Lot
14. Crescent Beach Retaining Wall Rehabilitation
15. Terry Farrell Park Basketball Courts
16. Sports Lights at Veterans Park
17. Synthetic Turf Field at Vets Park
18. NY Ave Streetlighting Improvements - South of Pulaski Rd
19. Columbia Street Park Basketball & Playground
20. Cold Spring Harbor Streetscape Improvements
21. Koster Park Playground
22. Madison Street Sidewalks
23. Synthetic Turf Field Replacements – Breezy Park
24. Playground Safety Surface Replacements – Various Parks

## CONSTRUCTION:

1. LIRR Parking Garage Repairs – North & South
2. Halesite Bulkhead Replacement – Phase I
3. Heckscher Park Playground and Safety Surface Replacement
4. Otsego Park Pickleball Courts & Playground
5. Whitman Park Pickleball, Tennis Courts, and Parking Lot
6. Al Walker Park Playground, Basketball and Soccer
7. LIRR North Elevator Replacement
8. Boxer Court Fuel Tank Slab Extension

**Building and Housing:** Since the implementation of On-Line Permitting in November 2022, the time frame for issuing permits and COs has been drastically reduced. The previous 12-14 week wait time for a permit now ranges from one (1) day to approximately 3-4 weeks dependent upon the type of permit and the adequacy of the information submitted by the applicant. This year the Department is issuing an average of approximately 525 permits each month and performing about 800 inspections monthly. While online permitting can be done remotely by applicants, we still entertain about 30 in-person visits per day from residents who need additional assistance. We have Resident Kiosks available for all applicants, and we help them set up online accounts and input their applications.

# Engineering Services

**James J. Ahrens, P.E, Director**

The table below outlines the Building and Housing workload in recent years and the forecast/estimate for this year:

Year	Building Permits	Plumbing Permits	Inspections	Certificates of Occupancy	Duplicate C.O.'s	Letters-in-Lieu	Persons Served	Avg. # of Persons Served per Day	Revenue
2020	2,044	1,648	5,019	1,678	7,692	21	NA	NA	\$2,800,106
2021	3,200	2,140	6,812	1,872	7,320	20	NA	NA	\$4,122,767
2022	3,394	1,897	8,556	2,095	5,447	20	5,566	40	\$4,081,618
2023	5,280	1,715	11,456	4,088	4,312	25	8,136	33	\$4,201,736
<b>2024 est.</b>	5,400	1,800	11,700	4,200	4,500	27	8,500	36	\$4,350,000

**Fire Prevention Bureau:** The table below outlines the workload of the Fire Prevention Bureau in recent years and the forecast/estimate for this year:

Year	Fire Protection Systems	Fire Inspection Permits	Revenue
2020	310	2200	\$499,685
2021	338	2375	\$624,192
2022	330	2407	\$593,687
2023	275	2416	\$610,688
<b>2024 est.</b>	300	2450	\$640,000

**Dix Hills Water District:** The Dix Hills Water District operates 365 days a year, 24 hours a day. The District delivers water to approximately 8,500 customers and reads about 8,500 meters, four times a year. A Dix Hills Water District annual summary can be found below:

Year	Pumpage (Gallons)	Water Main Service/Repairs	Hydrants	Total Accounts	Revenue
2020	1,899,825,000	13	1,287	8,494	\$2,189,528
2021	1,976,275,000	23	1,288	8,494	\$2,342,543
2022	2,144,327,000	21	1,288	8,494	\$2,375,547
2023	1,985,000,000	25	1,288	8,494	\$2,245,930
<b>2024 est.</b>	2,060,870,000	26	1,288	8,494	\$2,393,500

A current list of Dix Hills Water District active projects would include but not be limited to the following:

1. Plant No. 3 – Rehabilitation/Upgrade
2. Plant No. 5 - Design of Treatment Facility
  - a. to address 1,4 Dioxane – Design Complete
  - b. additional Design to address Perchlorate in process
  - c. Bid expected in September 2024
3. Plant No. 7 – Rehabilitation/Upgrade
4. Plant No. 1 & No. 6 - SCADA Upgrades – recently completed

---

# Engineering Services

---

James J. Ahrens, P.E, Director

---

---

## ◆ 2024 Achievements:

**Engineering Services:** As of July 2024, the following construction-related projects and activities have been completed. In addition, the achievements below also include a number of projects previously listed above for which the design is completed and are either awaiting construction or are under active construction.

### Construction Completed:

1. Al Walker Park Playground, Basketball, Soccer
2. Crab Meadow Beach Playground Replacement
3. LIRR Parking Garage – Emergency Shoring
4. Kew Avenue ADA Playground
5. Greenlawn Park New Playground
6. Heckscher Museum Exterior Rehabilitation – Contract Closeout
7. Village Green/Flanagan Center Roof Replacement - Phase 2

### Construction in Progress:

1. Heckscher Park Playground Replacement
2. Whitman Park Pickleball, Tennis Courts and Parking Lot
3. Otsego Park Pickleball Courts and New Playground
4. LIRR South Parking Garage – Emergency Shoring

### Design Completed/Awaiting Construction:

1. Woodbine Marina Bulkhead Replacement
2. Village Green New Electrical Service/Transformer
3. Village Green/Flanagan Center Roof Replacement - Phase 3
4. Elevator Lift - Records Center Town Hall
5. Veterans Park Synthetic Turf Field
6. Madison Street Sidewalks

**Building and Housing Division:** In collaboration with the Town's Information Technologies (IT) Department, the Building & Housing Division completed the automation of the building permit process, allowing residents, engineers, architects, expeditors, and others seeking permits to submit their applications entirely online. The key project goals which have been met include:

- Measurable improvement in the turnaround time associated with applications, permits, and certificate of occupancy processing.
- Improvement in the transparency of the permit processing, both internally for staff and externally for residents and contractors.
- Improvement in the process from the applicant's perspective through the implementation of online, paperless submittals.

Town staff and the public are now able to track the status of permit applications from a personal computer. We have also installed Kiosks with computers for permit tracking in the corridor outside the Building Department for use by residents and the public who may need assistance in this new online permitting process.

---

---

# Engineering Services

---

---

James J. Ahrens, P.E, Director

---

---

**Fire Prevention Bureau:** The Bureau of Fire Protection is on track to performing approximately 2500 commercial inspections in 2024, plus inspections for temporary permits related to tents, fireworks and similar structures/events. Changes during the past several years to the Town Fire Code have required the conduction of fire and life safety inspections once a year in all commercial structures rather than once every 36 months. While this change has led to an increase in workload, we have offset this by continuing to leverage technology to streamline the permit and inspection process and further our goals of transitioning to a paperless inspection system. In order to meet these challenges, we have expanded our use of ArcGIS and have also completed the phase-in of the Town’s new OpenGov software, which allows for greater accessibility to project documents while in the field and also increases communication and sharing of data between Departments.

**Dix Hills Water District:** The District has established several Preventative Maintenance (PM) Programs that will continue to be implemented in 2024, which address the repair and/or replacement of the mechanical and electrical equipment at each plant site. These PM Programs ensure that our facilities remain in good operating condition and are available to supply water when needed. These programs extend the useful life of each facility. In addition, the District is moving ahead with the replacement of water meters with ‘smart’ meters, which will allow remote monitoring and provide better efficiency.

The District completed the installation of an emergency Granular Activated Carbon (GAC) system at Plant 7 to treat PFAS (per- and poly-fluoroalkyl substances) per State and Federal requirements and is moving forward with the design and construction to upgrade Plant 7 to permanently address these contaminants. Design and Bid for Plant 3 Rehabilitation was completed, and contract awards were recently made to several contractors. In addition, the District continues to work with an engineering consultant to address 1,4 dioxane, which may need to be mitigated for Plants 5 and 8. The District is also in the process of installing new chlorine /pH monitors throughout the district.

## ◆ 2025 Goals:

The Department’s 2025 goals would include, but not be limited to, the following:

**Engineering Division:** To continue to provide engineering design, construction, and overall support to various Town Departments and their Capital Projects and ensure they are performed on time, within budget, and in accordance with approved Contract Documents. The Division will continue to assist other Town Departments with engineering support to address engineering concerns that arise during construction, post-construction, and maintenance activities, as required. The Division will also continue to provide conceptual and final design services, construction cost estimates, bid evaluation services, grant application assistance, and on-site construction inspection services.

**Building and Housing Division:** The ultimate goal of the Building and Housing Division is to improve and simplify the Certificate of Occupancy (CO) process from permit application through CO issuance. The Division, in coordination with the Department of Information Technology, has successfully transitioned to a 100% online permitting system [OpenGov.com], which has enabled us to abandon the “paper system” entirely. We anticipate continuing to expand the capabilities of this online system to enhance and improve its user-friendly characteristics, improve inspection-related aspects of the system, and allow for inter-departmental communications and coordination.

# Engineering Services

James J. Ahrens, P.E, Director

---

---

**Fire Prevention:** The Bureau of Fire Prevention will continue to use and expand the capabilities of the OpenGov system, which will allow for greater project document accessibility while in the field and also increase document sharing and communication with other Town departments, such as the Building Department, Code Enforcement, and the Town Attorney's Office. This new system will also allow improved accessibility and issuance of all Notice of Violations to the public. This endeavor will continue our increase in productivity by reducing time and manpower spent in retrieving, processing, and closing out documents as well as furthering our environmental goals of transiting to paperless inspection system.

**Dix Hills Water District:** The Dix Hills Water District will continue to strive to provide safe water in the quantities needed to meet the peak hour demands at a reasonable cost. We will also continue to conduct over 10,000 laboratory tests annually to verify the water is safe. This effort will include testing for new unregulated contaminants as part of the EPA's Safe Drinking Water Act.

The District goals include:

- Plant 3 – Commence Construction of Plant Upgrade; Start Date 9/2024
- Plant 5 – Commence Construction to address 1,4 Dioxane and Perchlorate
- Plant 8 - Complete Design and Commence Construction to address 1,4 Dioxane and Perchlorate
- Plant 7 – Complete Design and Commence Construction to address PFOA
- Continue with the District-wide Smart Meter Replacement Program.

# Environmental Waste Management

John Clark, Director

## ◆ Departmental Mission:

To develop and implement programs and policies designed to protect and enhance the environment within the Town of Huntington as it relates to solid and liquid wastes and recycling. To develop policy and draft Town legislation pertaining to matters that protect or improve the quality of the environment or natural resources of the Town by providing programs that deal with solid and liquid waste and its effective treatment or disposal. To develop and implement public education programs on proper disposal of solid and liquid waste. Explore and create new programs in recycling, waste reduction or removal and wastewater treatment programs. Implement new State and Federal mandates as they relate to Town programs and facilities. These departmental goals further the Town's strategic goals of implementing energy-efficient programs, providing education to residents, and furthering the Town's mission of fostering a sustainable Huntington.

## ◆ Legal Authority:

Chapter 68 of Town Code, March 3, 1998.

## ◆ Operating Environment:

The **Waste Management Administrative Division** of Environmental Waste Management oversees all programs that deal with solid and liquid waste management within the Town. This includes daily interaction of management with various divisions under Environmental Waste Management, advisory committees, special interest groups, government agencies, and any other groups that fall under the purview of this department. To some degree, external issues such as State and Federal mandates affect departmental programs, grant monies, funding sources, and public support for projects.

The **Resource Recovery Facility** operates in full compliance with all applicable New York State and Federal Regulations for solid waste disposal. The available waste stream is subject to seasonal and economic fluctuations; however, sufficient waste is obtained from non-town sources as needed to maintain full capacity operation.

The **Consolidated Refuse District** provides sanitation, recycling, and yard-waste collection through both municipal employees and private contractors to the residents of the Town's hamlets.

Monitoring of the closed and capped **East Northport Landfill's** methane gas and groundwater is mandated as part of the Record of Decision issued by New York State and is conducted, in full compliance with this decision, on a periodic basis by outside firms managed by Department staff. The integrity of the landfill cap and the gas control system are also periodically inspected and maintained in good operating condition.

Increased awareness of the Town's recycling efforts, coupled with ever-expanding programs, has greatly increased the volume of residential traffic at the **Ernesto Modesto Chea Recycling Center**.

The **Smithtown Cell 6 Facility** still accepts construction and demolition materials from residents of both Smithtown and Huntington and transfers the waste to another facility. The Town of Smithtown manages the facility, but Department staff reconciles the operating expenses as per an inter-municipal agreement.

The **Huntington Sewer District** operates a state-permitted facility capable of processing 2.6 million gallons per day of sewage from the over 3,400 parcels located within the district.

---

---

# Environmental Waste Management

---

---

**John Clark, Director**

---

---

The **Centerport Sewer District**, through an inter-municipal agreement with the Village of Northport, processes the sewage generated within the district at the Northport Sewage Treatment Plant. The Town maintains the sewer lines and pump stations used to convey the sewage to the Village and compensates the Village based on the annual flows.

The **Waste Water Disposal District** continues to receive significant quantities of scavenger waste at the Scavenger Waste Facility (SWF), where Town-licensed liquid waste haulers dispose of sewage extracted from cesspools and septic systems.

## ◆ Workload Indicators:

The workload in the Environmental Waste Management Department is a function of the following factors:

- Daily operation and oversight of the **Reworld Huntington Resource Recovery Facility**, which includes monitoring capacity to maintain fuel inventory. In 2023, 341,0595 tons of solid waste were processed at the facility. We estimate this level will be maintained in 2024 and 2025. The processing of this waste generated 194,954 MWh of electricity that was exported from the facility to the local electric grid.
- The **Consolidated Refuse District** consists of more than 58,970 residential parcels that receive two refuse collections per week, fifty-two dual stream recycling collections, and thirty-two-yard waste collections per year. The district also contains over 800 commercial parcels in the Business Improvement Districts (BID) that receive six collections per week by municipal employees. In 2023, 101,472 tons of solid waste, 7,483 tons of yard waste, 6,158 tons of paper recyclables, and 4,473 tons of commingled bottles, cans, and plastics were collected and processed from Refuse District parcels.
- Maintenance and repair of methane control and monitoring systems and removal of control system condensation at the **East Northport Landfill** have been successfully continued. No reportable amount of methane has been documented at any of the perimeter wells, indicating the systems are working properly. There has been no reportable methane detected in over ten years. Methane monitoring is done on a quarterly basis.
- The **Ernesto Modesto Chea Recycling Center's** drop-off recycling and household hazardous materials disposal programs continue to be successful. In 2023, approximately 120 tons of discrete recyclables, 54 tons of electronic waste, 183 tons of scrap metal, 3.0 tons of scrapped propane tanks, 3.0 tons of used textiles, 13,288 gallons of miscellaneous household hazardous waste liquids, and 40,520 lbs. of miscellaneous household hazardous waste solids were collected and processed through the facility.
- The **Huntington Sewer District** treated an average of 1,812,000 gallons per day of sanitary sewage in 2023. The treatment plant is permitted to process 2,600,000 gallons per day and remains capable of supporting limited commercial and residential growth within the district.
- The **Centerport Sewer District** generated an average of 9,069 gallons per day (GPD) of sanitary sewage in 2023. The IMA with the Village of Northport permits Centerport Sewer to pump up to 56,000 GPD to the Northport Sewage Treatment Plant for processing.
- The **Wastewater Disposal Division** received and processed 14,150,000 gallons of scavenger waste in 2023, with an estimated 14.9 million gallons in 2024. The facility is capable of processing more than 25,000,000 gallons annually and, therefore, has been designed to support continued growth.

## ◆ 2024 Achievements:

The Department's 2024 significant achievements include the following:

- The **Huntington Sewer District (HSD)** has the following projects that will be completed in 2024:
  - Rehabilitation of Sludge Thickening Tank. The tank receives sludge from the primary clarifiers and the scavenger waste pretreatment facility. Originally installed in 1985, the mechanical components (gearbox, shaft, and scraper) now require replacement. The shaft and scraper require custom fabrication. Parts have been ordered based on specifications supplied by District consultants. Delivery is anticipated in Q3 of 2024, with installation to be completed by the end of Q4.
  - Rehabilitation of Primary Clarifier #5. There are five primary clarifier tanks that use sedimentation to settle solids out of wastewater. After thirty-four years of service, the Department began to rehabilitate the units one by one in 2021. To date, units 1, 2, 3, and 4 have been completed. Parts were ordered for primary clarifier #5 in April 2024, with an expected delivery date of August. The rebuild will commence in Q4 of 2024, with completion anticipated in Q1 of 2025.
  - Collection system rehabilitation. A contract was awarded to National Water Main Cleaning to clean and televise three miles of sanitary sewers in June of 2023, with work to be completed by August of 2024. The locations of suspected infiltration include Creek Rd, Wall St, Gerard St, Clinton Ave, West Main St, Main St, Stewart Ave, Gibson Ave, New York Ave, Highview Ave, and the Village Green. Under a separate contract with the same vendor, the Department required repairs to compromised sewers, which had been determined by the previous clean and TV campaigns. Fourteen spot liners were installed on various sewers throughout the collection system through Q2 of 2024. Two additional repairs remain to be completed under the terms of the contract. These point repairs will be completed before the end of Q4 2024. Additional collection system repairs include the replacement of manhole frames and covers at six locations along New York Avenue.

The **Ernesto Modesto Chea Recycling Center** Administration Building currently houses the IT servers and telephone switches and also provides storage quarters for certain records. Additionally, it houses two of our employees who perform administrative functions on their workstations. They also handle correspondence and telephone calls from residents and vendors. The Administration Building has a common area used by our employees to eat lunch and take breaks, and it houses the sole restroom for the entire Recycling Center. The building was in complete disrepair prior to the facility renovation initiative begun in FY 2023. The following projects have been completed in 2024:

- Replacing or relocating electrical and fiber outlets to facilitate required equipment connections
- Replacing windows and doors with insulated dual panel windows where necessary
- Replacing or refurbishing the existing interior ceiling

# Environmental Waste Management

John Clark, Director

- Replace baseboard heating.
- Restoring the bathroom in the Recycling Center Administration Building
- Install kitchenette, including a sink with countertop and cabinets.
- Framing all concrete/cinder block walls and applying sheetrock.

## ◆ 2025 Goals:

The Department’s 2025 goals include the following:

- **Waste Management Administration’s** goal is to process constituent service requests as they relate to solid waste collection, recycling, and yard waste. Request types vary from specialized curbside collection of televisions, appliances, and oversized bulk items to reported violations of the Town Code relating to solid waste disposal to reported service requirement violations by the private carters. Service requests are documented by type in the Q-Alert Service Request Management System.
- The **Wastewater Disposal District’s** goal is to receive and process liquid waste and septage from Town-licensed liquid waste haulers at the Scavenger Waste Facility. The annual operating budget for this Special District is based entirely on revenues generated by the tipping fees liquid waste haulers pay to the Town for use of the Scavenger Waste Facility.
- The **Consolidated Refuse District and Recycling Center’s** goals continue to provide services to aid and promote recycling within the community. Efforts are directed at attaining target recycling levels outlined in the Town’s Solid Waste Management Plan. In 2025, the Department will continue to implement recycling collection strategies that maximize revenues for the sale of recycled paper and cardboard and minimize the economic impact of the depressed recycling markets for glass, metal, and plastics recyclables while still preserving the Town’s commitment to the environment.

## ◆ Performance Measures :

Service Requests processed by Dept. of EWM:

Year	Completed Requests	Top Five Request Types In Descending Order
2019	2,585	TV Recycling P/U; Recycling Missed P/U; Report Garbage Violations; Appliance P/U; Trash Missed P/U.
2020	2,384	Recycling Missed P/U; Trash Missed P/U; TV Recycling P/U; Report Garbage Violations; Appliance P/U.
2021	1,839	TV Recycling P/U; Appliance P/U; Trash Missed P/U; Report Garbage Violations; Recycling Missed P/U.
2022	1,434	Appliance Recycling Schedule P/U; TV Recycling Schedule P/U; Yardwaste Missed P/U; Trash Missed P/U; Report Garbage Violations.
2023	2,165	Trash/Bulk NTC Issued, Unlicensed Container/No Permit NTC Issued, TV Recycling: Schedule a Pickup, Trash-Missed Pickup, Report Garbage Violations.
2024 est.	2,060	Unlicensed Container/No Permit NTC Issued, Trash/Bulk NTC Issued, Appliances: Schedule a Pickup, TV Recycling: Schedule a Pickup, Trash-Missed Pickup.

# General Services

---

---

**William Musto, Director**

---

---

## ◆ Departmental Mission:

The Department of General Services is a multi-functional department whose mission is to provide maintenance services for all Town-owned properties, facilities, vehicles, and equipment.

## ◆ Legal Authority:

The Department of General Services was established by Town Board Resolution on September 14, 1982 (Chapter 32 of the Town Code, Local Law Number 10-1982). On August 11, 1992, and March 9, 1993, Chapter 32 of the Town Code was amended, adding the division of Parks Maintenance. On June 6, 2000, Chapter 32 of the Town Code was once again amended to include the maintenance of all Town Parks, including the Dix Hills Park Facility and Crab Meadow Golf Course, as part of General Services. On May 6, 2014, Chapter 32 of the Town Code was again amended to include 2 Deputy Directors and 7 Divisions. On March 14, 2023, Chapter 32 of the Town Code was once again amended to include the maintenance of Town marinas, beaches, pump-out facilities, waterfront parks, docks, and ramps.

## ◆ Operating Environment:

The **Building Maintenance Division** administers, supervises, and implements the construction, maintenance, and repair of all town buildings and structures. This work includes skilled professionals in the following trades: electrical, plumbing, carpentry, masonry, painting, and general maintenance.

The **Off-Street Parking Maintenance Division** administers, supervises, and implements the maintenance, repair, and construction of all municipal and commuter parking fields and garages. This includes the paved surfaces, drainage structures, associated landscaping, litter and trash removal, line striping, and snow and ice control. In addition, this section maintains memorial areas throughout the town, organic garden areas, numerous historic cemeteries, and many other town facilities.

The **Vehicle Operations and Maintenance Division** administers, supervises, and implements the maintenance, repairs, purchase, and leasing of all town vehicles, except Highway, HART, and Waste Management. In addition, they manage and control the town fuel management system and tow abandoned and derelict vehicles as directed by Public Safety.

The **Parks, Grounds, and Waterfront Maintenance Division** manages and implements the landscaping and ground maintenance of all parcels owned or leased by the Town, including parks, cemeteries, gardens, Town marinas, beaches, pump-out facilities, waterfront parks, docks, ramps, and other Town facilities.

The **Dix Hills Park Maintenance Division** administers, supervises, and implements general and technical services regarding the maintenance and operation of the Dix Hills Pool, the Ice Rinks, and the other recreational facilities on the property.

---

---

# General Services

---

---

**William Musto, Director**

---

---

The **Golf Course Maintenance Division** administers, supervises, and implements the construction, maintenance, and repair of the Crab Meadow and Dix Hills Golf Courses.

The **Inter-Departmental Services Division** administers, manages, and implements the acquisition and distribution of office supplies and equipment, inter-office mail, regular mail, and packages. In addition, it runs the print shop and handles custodial services at Town Hall and the Flanagan Center.

## ◆ Workload Indicators:

General Services ever-increasing duties and responsibilities create a challenging work environment that requires the entire team to work in harmony to achieve the necessary results. All divisions strive to conserve resources & streamline workflow procedures with the goal of improving services while reducing costs.

## ◆ 2025 Goals:

- Continue in-house sports court renovations
- Renovate Huntington Railroad North Plaza
- Continue fleet upgrades
- Pave beach parking lots
- Improve beach comfort stations
- Continue expansion of the security camera network
- Expand EV Charging Station Network
- Continue energy-efficient upgrades
- Expand tree maintenance & safety initiative in parks & facilities

## ◆ Performance Measures:

We will continue to utilize the Q-Alert work order system to monitor and track the thousands of requests for service we receive, with the goal of faster response and resolution and fewer callbacks.

# Highway Department

---

**Andre Sorrentino, Superintendent of Highways**

---

---

## ◆ Departmental Mission:

The Highway Department is responsible for the maintenance and repair of approximately 800 miles of streets, roads, and right-of-ways in the Town of Huntington. It is also responsible for the maintenance of all existing drainage systems, which include 480 recharge basins, overflow pools, 25,000 catch basins, 500 miles of drainage pipe, 116,000 town trees, road striping, and road signs. These responsibilities are a 24-hour, seven-day-a-week obligation.

The Superintendent of Highways has instituted his proactive policy as the fundamental mission of the Highway Department. We will provide the residents of the Town of Huntington and the motoring public with safe and well-maintained streets and roads. It is through sound and prudent financial administration that the Highway Office has been able to deliver these services at a time when fiscal resources have proven limited.

## ◆ Legal Authority:

The operation of the Highway Office is mandated by New York State Highway Law, Section 140, as enacted by the Senate and the Assembly of the State of New York.

## ◆ Operating Environment:

There are a variety of influences at work on roads and drainage systems throughout their service life. There is the normal wear and tear associated with usage. Environmental factors such as snow, ice, rain, and dramatic fluctuations in temperature take a toll on existing systems. The climate on Long Island is a prime example of a freeze-thaw cycle. This cycle is particularly damaging to roads in that the freezing and thawing have proven to weaken sub-grades and bring about a more rapid deterioration of pavement. The environmental factors, coupled with an aging system of roads, have created a scenario where the effective administration of resources is essential in order to maintain the present level of services. The nature of the work performed by the Highway Department is labor intensive. In order to effectively implement the existing pavement management, tree management, and drainage management systems, it is necessary to maintain existing staffing levels. In addition to planned improvements, a major responsibility of this department is to respond to requests from residents, Town departments, Village, County, State, and Federal officials.

The Highway Department provides the following town-wide services:

**Safety of Residents & Public:** Examples of steps the Highway Office takes for safety purposes include:

- Installation of guide rails in accident-prone road locations.
- Road Signs – larger and more reflective, keeping them visible and improving sight distance at intersections.
- Implement a Road striping program.
- Tree Division for Tree Removal, Planting, and Maintenance.
- Improve Snow Plowing and Ice Control methods.
- Drainage Construction and Control.
- Pothole repair.
- Sweeping of Roads.

---

---

- Road Rehabilitation Program.
- Issuing Permits for Parades, Block Parties, and Construction.

**The Comprehensive Pavement Evaluation Program:** Employees of the Highway Department, consisting of the engineering staff and road supervisors, are trained in the Cornell College Road Evaluation Matrix System. In conjunction with that program, we are now working with National Grid Gas Systems, PSEGLI, and your local Water Authority. This allows us to coordinate repaving roads upon completion of the installation of new gas lines and water mains. This process allows us to objectively evaluate all approximately 800 miles of roads within the Town of Huntington on an annual basis. The evaluations are generally conducted in the spring, prior to the commencement of our road rehabilitation program ensuring that all residents receive fair and equitable treatment with regards to road maintenance and rehabilitation. The last few winters have brought historically low temperatures over prolonged periods which accelerate the deterioration of roadways. Proper rehabilitation increases the longevity and useful life of the pavement and improves the safety and ride-ability of Town roads. The Highway Department personnel perform as much routine maintenance and rehabilitation that staffing and equipment limitations allow, while roads requiring extensive rehabilitation are paved by a contractor so that realizes savings based on economy of scale. The increasing cost of asphalt and construction prices puts a greater demand on the Town's paving budget.

**Drainage Management:** Drainage management involves two phases: The first phase involves maintenance and improvements to address flooding issues, and the second involves the reduction of runoff within watersheds that discharge to Huntington's surface waters. The Highway Department is currently proceeding with a catch basin cleaning project using both Town-owned and Town awarded contractor's clam shells with a mapped area schedule starting on the South end of the Town, moving north. In addition to the clamshells, the Highway Department has been utilizing our Vac-Con to clear locations that the clamshells are unable to reach.

The Town of Huntington Highway Department has made storm drainage issues a top priority. Prior to 2022, due to the need for additional drainage, the Highway Department had to allocate manpower to pump flood water from numerous areas that were threatening homes. The Town of Huntington Highway Department has installed/increased over 200 drainage improvements, and as a result, the Highway Department has considerably reduced some of the major areas that required pumping.

The Highway Department utilizes State, City, and Town contracts for a camera system that allows Drainage crews to view drainage structures for pipe blockages. Additional contractors can install new drainage, and the Highway Department is employing additional equipment to clean clogged pipes and silt-filled catch basins.

**Tree Management:** There are over 116,000 trees in our database that are on Town-right-of-ways. The Highway Department is responsible for the maintenance, removal, and trimming of these trees. The work performed is done both by Town personnel and private contractors. The work involves tree removal, trimming, and replanting. The tree department has been reorganized to allow for more efficient and timely removal of dangerous trees. The Town of Huntington Highway Department performs over 500 tree evaluations per year to ensure the health and safety of our Town trees.

The Highway Department has been utilizing their certified ISA arborists to evaluate Town trees generated by constituent concerns as well as standard tree observations. Arborists will make an official determination of the health of each tree, diagnosing remedies such as pruning, elevating, or eventual removal upon signs of decline for the safety of the area and surrounding residents. This tree program

---

---

# Highway Department

---

---

**Andre Sorrentino, Superintendent of Highways**

---

---

focuses on only removing trees that become a danger, and preserving the life of all other trees with preventative maintenance.

**Asphalt Repair:** Pavement maintenance is crucial to preserving the longevity of our Town roadways. Due to normal wear and tear such as weather and traffic, asphalt roads will begin to deteriorate after approximately ten years after it has been paved.

The Town's contractor mills and paves Town roads. Historically, the Highway Department receives funding to pave an average of 25 miles of road or less per year. A road retains 90% of its structural integrity for the first ten years and, thereafter, deteriorates to a point of almost total despair after 20 years. Highway Superintendent Andre Sorrentino has been meeting with community leaders, civic associations, and residents to discuss the need to increase funding for paving.

The Highway Department receives between 1,500 and 2,000 pothole Service Requests per year. The Highway Department has recently been implementing the most effective pothole filling techniques, resulting in longer lasting pothole patches. The Highway Department continues to fill potholes as quickly and efficiently as possible, using the Town of Huntington GIS System to organize crews in scheduling this work in focused areas with our newly purchased hot boxes. Our goal is to be able to repair potholes within 24-48 hours.

Upon resident requests and foremen observations, asphalt restorations such as roadway regrade, and asphalt berm installations are necessary to alleviate drainage issues and make roadways safer.

In addition to pothole repair, asphalt berm installations, and regrades, the Town of Huntington Highway Department has built an in-house paving crew for areas in need of asphalt restoration that are small enough for our equipment to handle. This is ideal on streets that we cannot pave the entirety of but can alleviate major asphalt deteriorations in localized portions of the roadway.

**Sign Shop:** This department is responsible for street signs and pavement markings. Street signs that have been damaged or faded are replaced by the Highway Sign Shop. This is especially important in instances where STOP signs or other traffic safety signs are in need of replacement.

The Highway Department Sign Shop has successfully re-stripped many roads within the Town that have faded with time and normal traffic wear and tear. Other areas, such as crosswalks and stop bars, have also been repainted. This work is done both in-house with the Sign Shop's new line striping machine and contracted out to awarded vendors for epoxy-based work.

**Vehicle Maintenance Shop:** This department is responsible for the maintenance and repair of all Highway vehicles, trucks, and machinery. The Highway Department has recently secured additional funding for the Mechanic Shop to restore many of the older equipment. The Highway Mechanic Shop is continuing to consolidate and organize the increasing inventory and equipment. The Shop has a way to safely store and clean our sanders to prevent rust and erosion, lengthening the lifespan of our equipment. The Highway Department has been using a purchased inspection machine that performs all gas and diesel vehicle inspections on-site. By doing this, it reduces time that our trucks are out of service and gets them back to productivity in a much quicker manner. All of these aforementioned improvements have decreased the amount of downtime for the vehicles and cut costs that would otherwise go to outside vendors. Superintendent Sorrentino has secured additional funding for the rehabilitation and restoration of older vehicles.

**Street Sweeping:** The Highway Office has a sweeping maintenance program that encompasses approximately 800 miles of Town roads. This service enhances the aesthetic appearance of the roads

# Highway Department

Andre Sorrentino, Superintendent of Highways

and protects the effectiveness of the existing drainage system. Removing sand and debris from the roadway is an essential component of roadway maintenance. The greater volume of material on the roadways, coupled with the increasing age of the Town's roads and aged and decreased number of operational sweepers, has proven to make sweeping more difficult and time-consuming than previous years due to extreme snow. The Highway Department has a winter weather response effort in using primarily salt to pretreat roadways as opposed to a salt/sand mixture as used in previous years. In addition to the positive effect it has for snow and ice control, the lack of use of sand on the roadways relieves a percentage of residual sand left on the streets, helping the street sweeping program complete our area maps more quickly. With the help of the Information Technology Department, the Highway Department has also created [www.huntingtonny.gov/streetsweeping](http://www.huntingtonny.gov/streetsweeping) for residents to be able to track the street sweepers, and see the completed areas, the areas currently being swept, and where they will be next.

**Leaf Bag Distribution:** The Highway Department distributes leaf bags to Town residents in order to facilitate the collection of leaves every fall. Keeping the leaves off the streets and out of the drainage system ensures the safety of the Town roads and the effectiveness of the drainage systems. The Highway has added tips on how to compost leaves and yard waste to assist in the recycling process.

## ◆ Workload Indicators:

**Resident Requests:** The Highway Department Operations Center, located at the Elwood Administrative Office, will annually receive approximately 20,000 calls, emails, walk-ins, and numerous Huntington-At-Your-Service requests. All of these procedures aid in the Highway department accurately and promptly addressing any residential concerns. Many of these calls will involve resident requests for paving, street sweeping, snow and ice control, tree and tree limb removals, asphalt berms, aprons, and permits for curb cuts, block parties, banners, parades, street signs, and striping.

Many of the functions performed by the Highway Department are contingent on the weather. The demands placed upon the resources of this department are directly related to the number, intensity, and severity of seasonal storms. In addition, roads and streets are dynamic structures greatly influenced by the workloads imposed on them by the size, weight, and volume of traffic, which in recent years has been increasing.

Through effective operational management, approximately 800 miles of roads are plowed and swept, 480 recharge basins are maintained, 25,000 catch basins are maintained, 2,000 leaching pools are maintained, and 500 miles of drainage pipe are maintained.

## ◆ 2024 Accomplishments:

- Maintained direct contact relationships with NYSDOT, PSEG National Grid, and all other utility companies, resulting in successful and productive joint team efforts.
- Fuel System—We have continued to computerize our fuel system to accurately calculate and tally fuel inventory efficiently and precisely. This system also allows all Town departments and any outside municipalities equipped with the appropriate software to fuel at Highway.
- Secured additional NYS CHIPS funds for road rehabilitation.
- Secured additional funding to assist in the Rehabilitation of aging Equipment.
- The Highway Department has recently secured a Grant to be able to purchase a Paver and Roller. This equipment will be used during our paving season to extend the amount of paving.
- Upgraded sander storage system in the Elwood facility.

---

---

# Highway Department

---

**Andre Sorrentino, Superintendent of Highways**

---

---

**◆ 2025 Goals:**

The 2025 goals for the Highway Department include the following:

- Rehabilitation of equipment and trucks.
- Drainage project that includes revitalization of sumps and recharge basins.
- Purchases of a roller, grader, mower tractor, tree truck, sweepers, stump grinders, rubber track excavator, 5 F250 pickup trucks, plows, Sickle Bar, and Additional Sign Painting Truck.
- Eaton's Neck drainage project.
- Repair salt storage buildings.
- Maintain our sump pump station Townwide.
- Continue improvements to the tank and pump fueling system with the assistance of Assemblyman Steve Stern and Speaker Carl Heastie.
- Implement and upgrade line striping and pavement marking program.
- Install an unenclosed structure for equipment storage.
- Increase amount of paved roads each year with additional bonded and NYSDOT funding from Assemblyman Steve Stern and Speaker Carl Heastie.

# Human Services

---

**Kevin Thorbourne, Director**

---

---

## ◆ Departmental Mission:

The mission of the Department of Human Services is to develop, administer, manage, expand, and promote programs that benefit the residents of the Town of Huntington.

## ◆ Legal Authority:

Local Law #9, Adopted 12/12/89 and Chapter 39 of the Town Code.

## ◆ Operating Environment:

**Minority Affairs:** Serves as a liaison to the minority communities, keeping residents informed of Town services, programs, employment opportunities, and events. This Division strives to improve working relationships with leaders of minority organizations and minority residents by addressing concerns of the minority communities and also by providing various programs throughout the year to improve the lives of people. The Division coordinates many programs including, but not limited to, the Back-Pack Program, Holiday Turkeys, Holiday Shopping Trip, Holiday Gift Collection, Saint John's Summer Camp, Hispanic Heritage Month, and Black History Month events. The Division serves as a resource to the community providing assistance, referrals and information.

**Senior Citizens:** Responsible for providing Huntington's Senior Citizens age 60 and over, with diversified programs and services, enabling them to remain physically and mentally active, socially involved and as independent as possible.

- **Nutrition Program:** This program provides nutritious meals at the Senior Center and the Adult Day Care Center. Meals are also delivered to homebound seniors in the Town through the Home Delivered Meals Program.
- **Adult Day Care Program:** This comprehensive program addresses the needs of those who, in their later years, require a structured, supervised environment that promotes social interaction with peers, emotional support, and intellectual and physical stimulation. Both group and individual activities are provided.
- **Expanded In-Home Services for the Elderly Program (EISEP)/, Community Services for the Elderly (CSE) Housekeeper/Chore Program, Shopping Assistance Program:** Provides functionally impaired persons age sixty and over, who are not eligible to receive the same or similar services available under Title XVIII, XIX, or XX of the Federal Social Security Act or any other governmental program, with non-medical, in-home services (light house cleaning, grocery shopping, and laundry). The purpose of this service is to allow these seniors to remain safe, independent, and in their own homes.
- **CSE Caregiver Program:** It is designed to help sustain the efforts of caregivers who normally provide the daily care and supervision of an elderly person(s). By supporting their caregiver (s), it promotes and supports the ability of individuals receiving care to remain in their homes instead of being placed in residential facilities.

---

---

# Human Services

---

---

**Kevin Thorbourne, Director**

---

---

- **Residential Repair Program:** Provides minor residential repairs and renovations to upgrade substandard, unsuitable, or unsafe housing for homeowners age sixty (60) and older who are incapable of maintaining their homes on their own within the Town of Huntington. Participants are responsible for parts/supplies. There is no charge for labor.
- **Recreational, Educational, and Health Programs:** They include art classes and workshops, bingo, bridge and mahjong, book club, brain gym, choral groups and music instruction, club and day trips, dance, discussion groups, exercise and yoga, knitting and crocheting, meditation, ping pong, pool tournaments, informational presentations, and monthly blood pressure screenings among the many other services and activities offered at the Senior Citizen Nutrition Center and Senior Beach House at Centerport Beach.
- **Senior Beach House:** This is an additional site for Senior Citizens to congregate. In addition to the Senior Center, it provides recreational, educational, and health programs.
- **Senior Clubs:** The town sponsors nine (9) Clubs. The Clubs meet at various locations throughout the Town, providing our seniors with more intimate recreation and socialization opportunities.

**Services for People with Disabilities:** Responsible for the distribution of beach stickers for persons with disabilities who meet the criteria for eligibility, also prepares a bi-annual newsletter. The Division serves as a resource and information referral center. It works with the Superintendent of Highways to facilitate the removal of snow berms at households of individuals who are eligible for the program. Human Services is responsible for screening all applicants for snow berm removals. Services for Persons with Disabilities also coordinates blood drives and a summer employment program. The Director of Human Services serves as the liaison to the Citizens Advisory Committee. The CAC meets once a month at the Flanagan Center's Conference room, except in August.

**Veterans Affairs:** Offers assistance to the veteran community in a friendly and personal manner, such as housing issues, employment, health, welfare, socialization, and families in crisis. This office serves as a hub for the various veterans' organizations to share information and upcoming events and promote public awareness for veterans. Under Veterans Affairs is the Veterans Advisory Board, created in 1988, which serves as the nucleus for all veteran organizations to gain knowledge and share ideas for the betterment of the Huntington and Suffolk County veterans' population. Veterans Affairs promotes public awareness to the civilian residents of the history and valor of the veterans. This effort has encouraged residents to attend events honoring the veterans' community. Annual events such as Memorial Day and Veterans Day Parades, and specific military anniversaries are held at Town Hall Veterans Plaza. The 9/11 ceremonies are held each year in September at the site of the memorial in Heckscher Park. The Veterans Information Kiosk, created through a grant from Suffolk County, is located in the lobby of Town Hall with pertinent information on local veterans' war experiences, key information about each war fought by this nation, and names of the killed in action from Huntington. Veterans Affairs provides one-on-one personal assistance to our veteran population.

**Women's Services:** Facilitates the Huntington Women's Advisory Council, consisting of a membership of not-for-profit agencies and for-profit businesses that meet approximately four to five times per year, with a focus on women in the workplace, arts, education, health, fashion, and family. The main goal of

---

---

# Human Services

---

---

**Kevin Thorbourne, Director**

---

---

the Division is to form a strong, productive, and communicative Council that serves as a voice in our community. It strives to share information so that residents will be aware of the various services provided by many different organizations. The Division facilitates seminars that deal with substantive women's issues. Additionally, the Division, in conjunction with the Town Board, hosts an annual Women's Networking Day and Awards Ceremony.

**Huntington Human Services Institute, Inc.** The Institute is instrumental in allowing the Department of Human Services to partner with outside agencies in the planning, promotion, and presentation of various town-wide events to meet the needs of residents. The Institute is a vehicle which enables us to extend our in-house programs.

## ◆ Workload Indicators:

The Department of Human Services is directly responsible for the coordination of many public programs within the Town of Huntington. The Department monitors contracts with various social agencies that provide vital services for the residents of Huntington. The Human Services Department works diligently to meet the needs of the community.

The Human Services Department also serves as the liaison for many Task Forces and Committees to the Town Board. The Task Forces are the Huntington African American Task Force, Huntington Anti-Bias Task Force, Huntington Asian American Task Force, Huntington Hispanic Advisory Task Force, and Huntington LGBTQ+ Task Force. The committees are the Citizen Advisory Committee for Persons with Disabilities and the Veterans Advisory Board.

The Minorities Affairs Division services the community using resources offered by the Town, the County, and the State. Many of the programs offered are through local donations made by churches, local businesses and private citizens. This Division connects people with jobs, housing, scholarships, programs, and services throughout the year. The number of minorities who do not speak English is increasing every year in our Town; the services provided by this Division are essential.

There is a steady demand for services for senior citizens. The Nutrition Center handles the planning, ordering, stocking, preparation, and cooking of meals for senior citizens. The Home Delivered Meal Program (HDM) provides nutritious meals to home-bound seniors. The Expanded In-Home Services for the Elderly Program (EISEP)/CSE Housekeeper/CHORE provides in-home visits to seniors for light housekeeping and laundry assistance. CSE funds caregiver support and respite programs. The Shopping Assistance Program provides seniors in need of aid with essential groceries and personal care supplies. The Residential Repair Program provides minor repair assistance for senior participants. Each of these programs receives funding from Suffolk County Office of the Aging (SCOFA) with monthly vouchers, reports, and annual monitoring. The Senior Division has realized a significant increase in the number of daily participants at the Senior Center, including a marked increase in the number of seniors coming to the Center for lunch. This is much due to the high cost of meals nowadays.

Veterans Affairs services over 9,000 veterans who reside in Huntington. Help and support are offered whenever needed, especially for emergency situations such as emergency food, housing, employment, etc.

## ◆ 2024 Achievements:

### **Huntington African American Advisory Task Force:**

- Co-sponsored the Juneteenth Celebration in 2024.
- Co-sponsored the Black History Month Celebration in 2024.
- Hosted Black-owned Business Breakfast.
- Community Conversation Event.

### **Huntington Anti-Bias Advisory Task Force:**

- Co-sponsored the Huntington Anti-bias Concert.
- Shining the Light Ceremony at the Heckscher Museum of Art.
- Continued with the Social Justice Ambassadors Program with High School students throughout the town.
- Held monthly meetings with guest speakers from various communities and protected classes, such as the LI Chinese American Association, American Jewish Committee, County Department of Health, and more.
- Working with Suffolk County Police Department on Hate Crimes within Suffolk.

### **Asian American Advisory Task Force:**

- Participated in the Chinese New Year Celebration at Heckscher Park.
- Will participate in the Museum's Draw Out! Event in September.
- Participated in the Lunar New Year Celebration.

### **Huntington LGBTQ+ Task Force:**

- Liaison to the new LGBTQ+ Task force.

### **Huntington Opioid and Addiction Task Force:**

- Liaison to Opioid and Addiction Task Force Task force.
- Opioid and Addiction Health Presentation at the Senior Center.

### **Citizens Advisory Committee for Persons with Disabilities (CAC):**

- Assisted Town officials to offer HART bus service while the elevator at Huntington LIRR Station was out of service.
- Worked with Parks Department to create more disabled parking spaces and improve handicap accessibility at our Town Parks and Beaches.
- Beach mats have also been placed at several of our Town Beaches thanks to the CAC's recommendations.
- Non-verbal signage has been installed at some of the Town parks.

### **Hispanic Advisory Task Force:**

- Plan a fundraiser to collect funds for the scholarships, which will be given to high school seniors who will attend college or technical schools.

---

---

# Human Services

---

## **Kevin Thorbourne, Director**

---

- Working on the Hispanic Heritage Month Celebration, having secured a date, venue, and keynote speaker.
- Distributed numerous scholarships.

### **Minority Affairs:**

- Facilitated the participation of children ages 4-6 in summer camp with outside financial support from St. Johns Church.
- Provided information and referrals to residents in need of housing assistance, employment assistance, school scholarships, social service information, as well as unique challenges that people may have.
- Coordinated summer employment opportunities for youth with various agencies. Hired 16 Youth Workers at \$15 per hour to place at the Camps and Summer Youth Connection. Youth Workers will be mentored on a weekly basis and visiting local businesses.
- Coordinated meetings between many Town organizations to organize food distribution and to find ways to get funds to continue distributing the needed food. Coordinated the Food Drive hosted by the Town of Huntington's school football teams. 10 vans filled with food were delivered to different food pantries throughout the Town of Huntington.
- Coordinate meetings to discuss the gaps in the community where there are struggles, such as Housing, Mental Health, Addictions, etc.
- Minority Division and Suffolk County Department of Labor partnered in assisting residents that are struggling financially to pay for the Commercial Driver Training course.
- Helped and participated in different fundraising events such as Project P.L.A.Y/St. John's Summer Camp, Cultural Affairs, and for the Juneteenth Celebration.

### **Senior Center:**

- Provided on-site meal preparation and congregate meal service.
- Referred numerous seniors to part-time Licensed Master Social Worker (LMSW) to address social, economic, emotional, psychological, and financial needs.
- Activities and programs continued on second-floor wing and gymnasium.
- Island Harvest Food distribution servicing 35 seniors at the initiation of program.
- The Senior Center successfully booked highly requested musicians for special events such as the 90 & 100+ Party, Halloween Party, Veterans Day Celebration, Holiday Time Music, and New Year's Eve Party.
- SCOFA Monitoring confirmed that all items and documents were in legal compliance.
- Implemented TV Monitoring and advertising.
- The Parks and Recreation Department assisted seniors with the new Beach Pass Registration Program at the Senior Center.

### **Adult Day Care (ADC):**

- January through December 2023, 79 enrolled members with an attendance of 5,350.
- ADC enhanced programs and had an increase in attendance.
- Live professional entertainment, Memories at the Movies, and Long Island Museum, with their engaging programs, and trips to Centerport Senior Beach House, have continued to ADC participants.

---

---

# Human Services

---

**Kevin Thorbourne, Director**

---

---

- Outreach efforts have increased to include pre-schools, elementary schools, attorney's offices, doctor's offices, realtors, religious institutions, online community message boards, Huntington Hospital's welcome and discharge packets, civic organizations, and local businesses.

## **Expanded In-Home Services for the Elderly Program (EISEP):**

- Aides delivered weekly handouts containing pertinent updates on the Senior Center and support services information.

## **Home Delivered Meals (HDM):**

- In a fiscal year-over-year comparison of 2022/2023 to 2023/2024, the HDM Program has expanded the community members served by 6% (274 to 290) and increased the overall number of meals served by 3% (38,965 to 40,150).
- In 2023, HDM distributed 725 shelf-stable emergency meals to 145 clients provided by SCOFA, compared to 584 shelf-stable emergency meals to 146 clients in 2023/2024.
- Continued and increased collaboration with Hands on Huntington (HOH) to provide coordination of services and community resources to assist homebound seniors maintain their quality of life and independence in their homes.
- Referred numerous homebound seniors to part-time Licensed Master Social Worker (LMSW) to address social, economic, emotional, psychological, and financial needs.
- The Shopping Assistance Program continued to help home-bound seniors with the delivery of essential groceries and medications.

## **Nutrition (Congregate):**

- In the fiscal year 23/24 1,153 members were served. This is an increase of 6 percent.
- In 2024, 1,336 Shelf Stable emergency meals were provided to Congregate members.
- In fiscal year 2023/2024, the Congregate program served 42,781 meals. This is an average of 164 meals per day. This is an overall increase of 11%.

## **Residential Repair:**

- April 1, 2023 through March 31, 2024, voluntary contributions received were \$9,876.
- 733 unduplicated seniors served.

## **Senior Advocate and Support:**

- The Senior Advocate continued to provide resources to seniors in the Town of Huntington, assisting seniors by providing, interpreting, and completing public assistance applications.
- Seniors seeking outside services were referred to agencies and/or individual professionals who specialized in the areas needed.
- Caregiver and Bereavement Support Groups, SCOFA Advocate information and registration provided.

## **Senior Beach House:**

- Year-round Art, Card groups, and Music.
- Beach House and Cottage freshly painted, including bathrooms.
- New expanded senior kayak program at Centerport and Fleets Cove Public Beaches at \$25.00 senior rate, which opened 100 spaces from the waitlist, reducing the waitlist to less than 100

## **Senior Citizens Social Worker:**

- Through a contract with the Suffolk Y Jewish Community Center (Suffolk YJCC), the Human Services Department continued to provide the senior center staff with a part-time Licensed Master Social Worker (LMSW).
- Communicated regularly with the Suffolk County Office for the Aging (SCOFA) Senior Advocate.
- Provided telephone reassurance to seniors.

## **Senior Clubs:**

- Nine (9) clubs continue to meet in person; the newest club is located at Whitman Village.

## **Senior Volunteers:**

- Senior volunteers continued assisting the chip room, dining room, and activities.
- Senior Center, including instructors and 58 volunteers.
- Beach House 4 volunteers.
- Clubs 45 volunteers.

## **Veterans:**

- Assisted veterans for local affordable housing and work closely with Community Development.
- Worked closely with Kiwanis throughout the year to support their Soldiers Hometown Heroes program and Field of Honor American Flag project displayed proudly at Huntington Town Hall's front lawn.
- Provided comfort, guidance, and assistance for the families of deceased veterans for burial and gravestones.
- Provided ceremonies to honor veterans, Memorial Day, Veterans Day, Veterans Parades, Veterans dedications, and ceremonies to honor Huntington 9/11 victims and our first responders.
- Worked with the Veterans Advisory Board for the benefit of every veteran resident in the Town of Huntington.
- Continue to provide communication among the various veterans' organizations for awareness of veterans' activities and programs to assist their needs.
- Work closely with the Northport VA Hospital, Huntington Chamber of Commerce Veterans' Committee, and Suffolk County Veterans Service Agency, Huntington Community Development, Beacon House, and social workers on behalf of the welfare of Huntington Veterans.

## **Women's Services:**

- Presentations on Coping with Uncertain Times presented by Family Service League, Diet and Cancer Implications by Northwell Health, Dolan Center Services, Drug and Alcohol with Narcan Training, Heckscher Museum of Art, Huntington Breast Cancer Action Coalition, LGBTQ+ Awareness, Mental Health Awareness, and Women's Financial Literacy,
- The Women's Networking Event tentatively scheduled for October of 2024.

## ◆ 2025 Goals:

- Continue the constant communication between divisions in the department to improve services further.
- Work with the Department and the Director of Communications in the development of an informational booklet regarding ADA.
- Update the Flanagan Center Emergency Response Plan, working with the Director of Public Safety.
- Continue providing summer employment opportunities for differently abled individuals.
- Increase awareness of the services that the Human Services, Senior Center, and Adult Day Care provide through social media networking in cooperation with the Director of Communications.
- Continue efforts to increase the diversity in attendance at the Senior Center, EISEP/Chore and Beach House as well as Veterans.
- Continue participation and involvement in the different Town-sponsored and community events.
- Seek out additional funding sources to enable our goals to be accomplished.
- Senior Division: Expand programming and qualified support services to meet the needs of our growing senior population. Provide programs and activities that promote socialization, independence, and inclusiveness in a safe environment.
- Nutrition: Home Delivered Meals (HDM) - To continue to provide 5 nutritious meals per week, as approved by the SCOFA registered dietitian, to Town of Huntington homebound aging community members up to the allotted budgeted amount as determined by SCOFA. Distribute Shelf Stable emergency meals as provided by SCOFA to homebound community members. Continue to collaborate and refer to various resources to provide the necessary social services to the Home Delivered Meals client base.
- Increase Shopping Assistance program.
- Continue outreach to members and caregivers through telephone calls, emails, birthday/sympathy cards, care packages, and resource information.
- Expanding In-Home Services for the Elderly Program (EISEP): Open up new clients from the waitlist. Resume in-person initial and sixth-month assessments. Hire an additional part-time EISEP worker.
- The part-time Senior Social Worker will expand in-person Bereavement and Caregiver Support Groups at the Senior Center.
- Expand the services offered by In-House Senior Advocate.
- Senior Beach House: Continue and expand Programs and Activities, including Art Classes in the Cottage, picnics, and barbecues. Provide umbrellas for picnic tables.
- Expand the Senior Kayak Program to additional public beaches at the \$25.00 senior rate. Coordinate with the Maritime Department regarding Kayaks' location/placement.
- Coordinate Senior Beach House improvement projects with various organizations such as Boy Scouts (Eagle Scout Award) and Girl Scouts (Silver Award).
- Senior Volunteers: Develop an updated volunteer list and schedule as needed. Continue providing opportunities for hiring new volunteers and coordinating volunteers for future Women's Division "Dress for Success" type programs or Thrift Shops. Continue collaborating with volunteers with the Suffolk Retired Senior Volunteer Program.
- Work together with the Youth Bureau on Intergenerational Programs.
- Increase Bi-Lingual Support Services.
- Obtain Event Sponsorships.

---

---

# Human Services

---

**Kevin Thorbourne, Director**

---

---

- Continue to help individual veterans and their families in crisis, provide appropriate American Flag Disposal service to residents, and provide guidance for park and street dedications in Veterans' honor.
- Search for grants to provide improvements for Veterans Plaza.
- Provide handicapped lift through DASNY Grant \$58,000 for handicapped access to Veterans Plaza/Veterans Hall.
- Provide burial assistance, housing assistance, employment help, and families in crisis assistance.
- Encourage Veteran's awareness to the civilian community to respect and honor veterans.
- Under Veterans Affairs, continue to memorialize the Huntington 9/11 victims and Huntington First Responders at the 9/11 Memorial in Heckscher Park, specifically for their families, are welcome to attend.

## ◆ Performance Measures:

- Monitor and track new programming and services offered to seniors, minorities, veterans, women, and people with disabilities, and distribute the Calling All Seniors, ADC, ACCESS, and HABTF newsletters.
- Senior Division: To increase membership and awareness of the Town of Huntington Senior Community, the Senior Center advertises programs and activities in the monthly Calling All Seniors newsletters and through the center's email distribution list. The Notify Me Email Distribution List consists of 4,850 senior members and projects to increase to 5,000 by year end. The senior division will work with the new TOH Media department to promote the programs. Through the Senior Centers' Telephone Reassurance Program, Town of Huntington seniors are verbally made aware of programs and activities currently being offered. Senior Citizen Aide conducts outreach throughout the community, with a focus on Adult Day Care promotion and awareness, to produce 5 ADC assessments a month.
- Continue the volunteer support program and increase the number of volunteer instructors for senior programs.
- Seeking grants, sponsors, and donations to aid in developing the Senior Veterans Hall Tribute Area.
- Adult Day Care: Track program performance through monthly assessments, such as the number of people enrolled and attending programs, the number of people discharged and reasons why, income generated, the number of networking opportunities attended, the number of contacts made, and types of follow-ups, outreach/marketing efforts assessed for the types of locations/organizations contacted, the results of contact, and marketing giveaways.
- Senior Clubs - Increase membership by 20% in each club.
- Residential Repair: Improve client service efficiency with improved appointment scheduling with a computer system. Increase the number of clients served via outreach and marketing. Maintain full staff to meet the needs of the senior community.
- The Senior Advocate and Support, Senior Social Worker - The Senior Center advertises senior advocacy and support on the Town of Huntington's and Senior Centers' social media, webpages, and Calling All Seniors newsletter. Caregiver and Bereavement support groups emphasis.
- Minority Affairs: Monitor and track outreach efforts and minority enrollment. Provide more non-traditional jobs to expose more Minorities to Career opportunities.
- Veterans: Monitor and track the welfare of the Town of Huntington Veterans through strong communication with all veterans' organizations within the town.

# Human Services

**Kevin Thorbourne, Director**

- Evaluate veterans' needs through the Veterans Affairs Division and the Veterans Advisory Board, which communicates openly with each Veterans' Post.
- Women's Advisory Council: Membership will increase. In-person meetings will be held with at least 50% in-person participation. Committees to assist the Council with events are suggested.

---

---

## ◆ Departmental Mission :

The mission of the Department of Information Technology (IT) is to provide and maintain the technical foundation that enables the Town to deliver and expand its many services to Huntington's residents and businesses in a timely, intuitive, and cost-effective manner. The Town recognizes that done properly, investment in technology systems and hardware delivers exponentially greater savings, efficiencies, and service levels to our residents. To deliver those benefits, the IT Department must strive to excel at the following:

- Maintain the technical infrastructure and systems at the highest performance, highest security, and lowest cost to support the Town's mission and strategic goals.
- Develop and implement a technology vision that enables each area of the Town to improve on its mission; supporting the Town's strategic goals within the constraints of available resources.
- Constantly audit the collection of existing technology systems to determine whether maintaining a particular system or upgrading or eliminating it best serves the public.

## ◆ Legal Authority:

Local Law No.12-2006 established the Department of Information Technology as enacted by Town Board Resolution #2006-289 on April 25, 2006.

## ◆ Operating Environment :

The IT Department exists within an operating environment that is both challenging and dynamic. The basic operations are broken down into the following areas:

- **Technical Team:**
  - Hardware maintenance – Maintenance and capacity planning for computers, servers, storage, and other hardware components.
  - Cybersecurity research, deployment, and maintenance.
  - Network support – Administration, monitoring, cybersecurity, and capacity planning for Town's expanding facility networks, wide area network, Wi-Fi network, CCTV, and wireless device capabilities.
  - User Training – Using enterprise software and systems, educate the town users on how to avoid cyber threats and phishing attacks.
  - Technical Support - Provide technical support for all Town operations as needed. This includes the support of hardware, software, enterprise applications, cybersecurity policies, and other devices that integrate data, data protection and backup, and equipment.
- **Solution Team:**
  - Maintain current software solutions and collaborate with Town departments in delivering new solutions, as the Town's needs change and expand.
  - Cybersecurity research, deployment, and maintenance.
  - Web-based applications - Develop and maintain web-based solutions that leverage the internet to better serve the Town's mission.
  - Applications and operations support.
  - Geographic Information Systems configuration, training and support, geospatial research, special projects, and web/mobile application deployment. Integration of GIS services into parallel enterprise systems.
- **Document Management:**
  - Digitized town-wide documents.

---

---

# Information Technology

---

**Dave Genaway, Director of Information Technology**

---

---

- Administrator for Laserfiche.
- Administrative/Support.
- Document workflow resulting in integrations between Laserfiche and other third-party software.

## **Broadcasting/Media:**

- Provide all Audio-visual production services for the Town.
- Television and broadcasting administrative and support.
- Video Conferencing (Zoom) administrative and support.
- Media special projects, including public service announcements and interviews with key public officials.

## **◆ Workload Indicators:**

The workload for the IT Department is as follows and requires the staff to continually develop new skills and build upon their existing knowledge base. Furthermore, it must maintain awareness of emerging technology trends, how technology is being applied elsewhere to address the challenges of municipal government and an awareness of the challenges and opportunities of each of the Town departments. Furthermore, it must now allocate increasing resources to stay attuned and responsive to the growing quantity and complexity of cyber threats to the Town's interests. Our mission is to develop a strategic IT vision that provides enterprise solutions that are transparent with highly functional operations to deliver results improve processes for the Town's 200,000-plus residents. Specific indicators include:

- The IT department performs the conceptual development, planning, technical analysis, design, procurement, implementation, operation, and support of the Town's technology infrastructure and services.
- Develop and maintain a highly effective, reliable, secure, and innovative information system to enable the Town's functions. Almost 100% of critical Town functions are reliant on the products and hardware that IT provides.
- Delivered information and services to over 1,000 full-time and permanent part-time employees. The summer employee load increases to over 1,500.
- Manage, administer, and support a secure wide-area network (WAN) with over 2,000 connections at over 20 locations. Support helpdesk for more than 1,000 workers.
- Facilitate the storage, security, integrity, and backup of electronic data while ensuring appropriate systems and hardware control.
- Maintain business continuum by supporting employees in the Town's network on/off-site.
- Maintain the business continuum by connecting permanent employees to the Town's network while working remotely during a pandemic or for other authorized reasons.
- Promote and facilitate the effective integration of technology and systems. Also, consolidate aging systems or hardware that are reaching end-of-life.
- Provide leadership and effective strategic and tactical planning in the use of technology.

## **◆ 2024 Achievements:**

The IT Department's significant 2024 achievements include the following:

- Received and managed thousands of A1 IT support ticket requests.
- Repair or replacement of over 100 PCs
- Installation of numerous firewalls
- Installation and configuration of a new dedicated Verizon circuit for the new phone system.

---

---

# Information Technology

---

**Dave Genaway, Director of Information Technology**

---

- Replacement and programming of over 650 desk phones and call/meeting desktop applications.
- Enhancements to remote site wifi, including beach and park locations.
- The rollout of multiple OpenGov record types for 7 Departments. OpenGov deployments are ongoing and increasing at a faster pace.
- Planned deprecation of the Muncicity permit tracking system.
- Conversion of on-premises RecTrac permit tracking system to a cloud-based solution
- Created, trained, and deployed 5 separate GIS web applications for various departments.
- Continued support and configuration of email security filtering, PC-based protections, Multi-factor Authentication system, Password management, etc.

## ◆ 2025 Goals:

The Department's 2025 goals will be fluid to respond to the Town's goals, but include the following:

- Continue advances towards protecting the Town's information and infrastructure from cyberattacks.
- Expand privileged access control to the Town's network
- Adopt multiple internal and external user technology policies.
- Expand and implement EDR – Endpoint Detection and Response – with additional identity protections.
- Expand and implement continuous network and system monitoring for cyber attacks.
- Continue to develop/upgrade our Disaster Recovery site, expansion of servers and storage, and fail over for Enterprise IP Phone System.
- Harden and upgrade all aspects of the Town's current data center, including—but not limited to—cybersecurity monitoring equipment, data storage and backup, virtual machine servers, air conditioning units, system health devices (temperature and humidity), and fire suppression safety.
- Expand existing new contracts/agreements for off-site data backup outside of the northeast climate zone.
- Continue build-out and deployment of a minimum of 12 permit tracking record types in the OpenGov system.
- Complete implementation of a sufficiently robust phone/telecommunication infrastructure. Establish relationships with multiple carriers to ensure redundancy. Deploy cloud-based system allowing call forwarding on demand.
- Continue the support of the Town's Land Management system and processes (Govern).
- Continue partnership with the Public Safety department, the installation, and expansion of a Townwide video monitoring and security system for key Town locations.
- Update obsolete equipment essential in the recording and distribution of video content. Granicus server upgrade, Leightronix server upgrade, TB Room audio system upgrade, Video storage upgrade.
- Expand the functionality of the Town's existing Granicus system to include an agenda management workflow for all boards: the Town Board, the Planning Board, the Zoning Board of Appeals, the Board of Assessment Review, and EOSPA.
- Continue the digitization of the Town's paper-based information and manual processes, including improved and expanded workflow of business processes and resident and employee access to Town documents online.
- Enable increased training of functional, technical, and cybersecurity skills for all appropriate Town employees.
- Enable increased training of internal IT staff to achieve industry-standard cybersecurity certification.

---

---

# Information Technology

---

**Dave Genaway, Director of Information Technology**

---

---

- Maintain cybersecurity insurance.
- Continue providing more e-services and e-commerce to Town residents and businesses, including making significant advances in leveraging online functions rather than coming to Town Hall.
- Continue rolling out free Wi-Fi access to the Town's designated public locations.
- Continue to closely partner with Town departments on their technology-enabled initiatives.
- Enhanced support of IT systems and services for the employees, residents, businesses, and Town vendors who use them.
- Continue to reduce the Town's carbon footprint from energy use, e-waste, and paper reliance
- Upgrade the Town to current versions of Windows and Office tools.
- Continue upgrading the Town's primary financial system.
- Possible expansion of the existing financial system to include land management functions such as tax assessment and tax receiving.

## ◆ Performance Measures:

The Base Performance metrics to measure progression towards departmental goals are as follows:

- Achieve a one-year IT capacity demand buffer in storage, processing, and bandwidth.
- Continued reduction in computer-related electrical power, e-waste, and paper use.
  1. Electric – Energy-efficient PC replacement, new data center design, and servers.
  2. E-Waste – reduce the number of personal printers.
  3. Paper – accelerated use of Document management and electronic documents.
- Replace the oldest 35% of desktop computers – plan for Windows 10 and next-generation Office.
- 99.5% aggregate availability of the Town's major systems.
- IT Support calls to remain flat and/or be reduced "year over year."
- Show 2 years or better ROI from every Technology investment to improve functionality.
- Achieve a 10% increase in revenue from the sale of the Town's professional GIS system.
- Achieve a 50% reduction in the number of residents needing to visit Town Hall for permits or fee payments.
- The aggressive pipeline of strategic technology initiatives being delivered, in progress, and being planned, proportionate to the IT resources available.

## ◆ Departmental Mission:

The mission of the Department of Maritime Services is to operate, maintain and manage all of the Town's waterfront facilities, such as beaches, beach pavilions, waterfront parks, picnic areas, boardwalks, docks, wharfs, bulkheads, piers, boat ramps, small boat/kayak racks and marinas and provide for new construction or restoration of the same. This includes providing law enforcement in bays and harbors to regulate private water craft (PWC) activities, the placement and maintenance of navigation markers, the issuance of mooring permits, assignment of marina slips, and providing launch service. It also includes managing marine resource programs and environmental matters pertaining to the estuary, including shellfish harvesting, ecosystem management, aquaculture, wetlands preservation and protection, and marine water quality. Effectively managing the Town's waterfront facilities supports the Town's strategic goal of investing in the Town's recreational assets and promotes and stimulates the use of Huntington's natural resources. The Department of Maritime Services greatly impacts the generating revenue of the Town through the beautification and maintenance of many facilities.

## ◆ Legal Authority:

Town of Huntington Town Code: Chapter 120, Harbors and Waterways (Marine Division), Chapter 43 and 52 A-5, Chapter 166 (Shellfish Management).

## ◆ Operating Environment:

The Department of Maritime Services was created in 1998 to consolidate all marine-related services under one Department for efficiency of service. Department professionals interact directly with various governmental agencies, boating and recreational organizations, business and industry stakeholders, and Town residents who have an interest in our waterfront.

The Department of Maritime Services has the responsibility of protecting, restoring, and enhancing the Town's marine and coastal environment, to monitor waterfront development activities, and to develop programs and legislation to meet those ends. The Department of Maritime Services is actively involved in securing grants for various activities, including marine resource management (finfish, shellfish, aquaculture, benthic habitat), marine research (crustacean and shellfish biology, benthic profiling, resource stock assessment programs), freshwater finfish habitat, wetlands restoration, educational programs, stormwater management, water quality (pollution control), and waterfront construction. The Department currently manages several active grant projects.

The Department of Maritime Services encompasses the following three Divisions:

**Maritime Conservation:** This division includes professional Environmental Staff located in Room 300 in Town Hall and provides administration, supervision, and compliance oversight of all environmental, fisheries management, wetlands preservation, water quality protection, and all other technical & professional responsibilities related to the waterfront. The Division of Marine Conservation directly interfaces with the Town's Boating Advisory Council, the Commercial Fishing Advisory Council, the Conservation Board, and outside agencies, including the Greater Huntington Council of Yacht and Boating Clubs, Inc., civic and beach associations, special interest groups and County, State and Federal

---

# Maritime Services

---

**Fred Uvena, Interim Director**

---

---

agencies. The Division of Marine Conservation also coordinates directly with the Department of Engineering Services and the Department of Planning and Environment on various issues and programs, such as the Local Waterfront Revitalization Program and specific marine permit applications. The Division also works in conjunction with The Department of Parks and Recreation to implement various marine educational programs offered by the Town, and with the Highway Department on stormwater management projects. The Department operates the shellfish grow-out program (FLUATING UPWELLER SYSTEM or FLUPSY) and trains and guides the Oil Spill Response Team.

**Harbors & Waterways:** This division, with offices in the Harbormaster's Building located at 53 North New York Avenue in Halesite, provides enforcement of Town Codes and Ordinances, as well as enforcement of State or local laws pertaining to on-the-water or near-water activities within the greater Huntington – Northport Bay complex, as well as in portions of Long Island Sound and Cold Spring Harbor. Harbormasters and Harbormasters have attained credentialed law enforcement training and proficiency, enabling them to teach navigation and boat handling courses to Peace Officers on a statewide basis. Boater safety courses are also offered by Division personnel to area residents 10 years of age and older. The Division is responsible for overseeing tanker and barge off-loading and responding to marine and upland oil spills. The Harbors & Waterways Division is also charged with the installation of 109 buoys to regulate speed and mark navigable channels to keep our waterways safe. Harbormasters are trained in law enforcement, first aid, and marine firefighting.

The Division assigns boat slips and manages two Town Marinas. It also administers the Town of Huntington Gold Star Launch Program, which the Town assumed control of in 2008. In 2011, the Division began enforcing parking and recreation codes at the Town's nine beaches and three boat ramp facilities.

The marine environment is one of the harshest occupational environments for equipment and one of the most occupationally dangerous areas to work. The Town of Huntington's geographic shoreline area and responsibility includes approximately 64 linear miles from Cold Spring Harbor to Fort Salonga. This includes jurisdictional responsibility for approximately 7,000 acres of marine surface waters.

PESHA and OSHA regulations require that department personnel remain current at all times with the training and equipment safety necessary to perform their responsibilities. Professional personnel routinely attend seminars, workshops, and forums to stay current on environmental issues, laws, scientific data, publications, and research efforts.

## ◆ Workload Indicators:

The Department of Maritime Services is responsible for the maintenance of over 270 acres of upland areas encompassing 9 beaches, 16 water-related parks, five boat ramps, 225 boat slips, and 60 winter storage spots at Milldam Marina. Maritime works closely with the Department of General Services to maintain the beaches, and marinas, in addition to specific projects that Maritime finds funding for. The physical plant consists of 29 structures, 10 parking lots, 3 picnic areas (with pavilions), 1 boardwalk, approximately 1000 dingy/kayak type boat racks, 106 launch service customers, and 1200 yearly issued mooring permits. The Department of Maritime Services is also responsible for both shore & mobile pump-out facilities/vessels.

---

---

# Maritime Services

---

**Fred Uvena, Interim Director**

---

---

The Town of Huntington has the largest number of commercial shellfish harvesters in the five western towns of Suffolk County and is second only to East Hampton County-wide. To take advantage of State-sponsored shellfish programs that benefit both commercial & recreational shellfish harvesters, the Department of Maritime Services has assisted the NYS DEC by providing equipment and manpower for the purpose of collecting water samples to determine water quality (bacteriological levels). The Department also assists Suffolk County Health Services with hydrographic sampling programs designed to measure water quality variables in the greater Huntington – Northport Bay complex. In addition, Maritime Services works in concert with the Marine Sciences Research Center, SUNY-Stonybrook, with hydrographic and hydrology programs in the bay complex and Cornell University Cooperative Extension (CCE) of Suffolk County with economically important living marine resource initiatives that benefit the marine ecosystem and area residents.

The rise of accidents and emergency situations, shellfish enforcement requirements, and new and ever-changing State and Town requirements (codes and local laws) has increased the demand for law enforcement provided by the Department.

Additional workloads for the Department include environmental review and technical expertise for construction or restoration projects; providing SEQRA review for applicable projects and activities; LWRP review for the Huntington Harbor LWRA and the greater Huntington – Northport Bay complex; expanding marine resource management programs, including the development of numerous grant applications to fund projects designed to benefit the shellfish, lobster, and finfish industries; development of grant applications and management of projects designed to restore waterfront resources (water-dependent/related uses), wetlands, ecosystems; and developing infrastructure projects designed to mitigate impacts resulting from stormwater runoff to marine receiving waters and marine educational programs and projects.

## ◆ 2024 Achievements:

The Department of Maritime Services Major Achievements for 2024:

- Topographical surveys completed for 8 Town beaches as required documentation to accompany the Department of Environmental Conservation permit for a 10-year maintenance / sand replenishment permit.
- Updated all Harbormaster and Launch personnel with Hazwoper, CPR, and AED training.
- Worked in coordination with Huntington Library to house 2 Little Free Libraries at Halesite Marina and Gold Star Battalion Beach.
- Successfully certified over 200 attendees with the NYS boating safety course.
- Changed the application process of the mooring permit program to the new OpenGov permitting system.
- Coordinated installation with Landtek and funded through EOSPA the remainder of the split rail fence at Asharoken Beach.
- Successfully funded a new pump-out station at Gold Star Battalion Beach through EOSPA.
- 10 new picnic tables were placed throughout the Town's 8 beaches received funding through EOSPA.

# Maritime Services

**Fred Uvena, Interim Director**

- All lead paint was safely removed from the Gazebos at Halesite Park North, making them ready for the General Services staff to complete the siding.
- Apply to EOSPA for partial funding of a new railing and lighting along Halesite Marina as part of the Revitalization Project.
- After the completion of the bulkhead project, received funding through EOSPA for materials to build 10 new floating docks.
- New pump-out boat ordered, and partial grant funding to be received after Town takes possession in late 2025.
- New truck bed installed on MS#135.
- With (2) one hundred-foot line of kelp seed, the Town generated 250 pounds of sugar kelp. Maritime Services and Lucky Point Farms distributed 100 zip lock bags with approximately 3 ounces of kelp per bag to residents at the Waterfront Festival in May 2024.
- The Department of Maritime Services has submitted permit applications to NYS DEC, NYS Department of State, and the US Army Corps of Engineers for 12 additional kelp lines to be deployed for the Spring 2025 growing season. Permit application pending.
- Maritime Services helped the Department of Fish and Wildlife begin their comprehensive study of the Crab Meadow Watershed. Fish and Wildlife will conduct various tests throughout the summer to measure water rise, fish and bird species and patterns and conduct topographical surveying to determine the overall health of the marsh. The Department's findings will be released in Fall 2024.
- Assembled greenhouse to house and dry the harvested kelp, which was collected in the Spring, 2024.

## ◆ 2025 Goals:

The Department of Maritime Services has the following goals for 2025:

- Purchase a new 4 -4-wheel vehicle for on-beach patrol.
- Build transient docking at Halesite.
- Purchase new cold-water immersion dry suits
- Purchase 2 new motors for M-1
- Purchase a new car for patrolling the parking lots at the beaches.
- The Harbormaster Office, an old bunker, and SCPD structure will be replaced by a new modular building that will improve the overall look and efficiently house the year-round and summer staff at Halesite Marina.
- New bathrooms at both Mill Dam and Halesite Marina.
- Add new poles and new finger slips at Mill Dam Marina.
- Expand Aquaculture Center at Goldstar Beach.
- Create a learning center/field trip destination for aquiculture education.
- Devise a better and more efficient database tracking wait list for marina slips.

---

---

# Maritime Services

---

**Fred Uvena, Interim Director**

---

## ◆ Performance Measures :

The performance measures that will be used to measure progression towards departmental goals are as follows:

- Continue to distribute over 1100 kayak permits throughout the Town's 8 beaches.
- Marine patrol persists to safeguard the waters in and around Huntington Harbor.
- Proceed in providing mooring permits to over 1200 vessels each year.
- Maintain 2 marinas that house 225 boat slips, while slowly improving the marinas.
- Winter wet storage at Mill Dam Marina provides residents with the option of leaving their vessels in the water year-round.
- Launch operations continue to give assistance to over 125 customers.
- Work in conjunction with Public Safety in parking summonses issued through plate readers.
- Safeguard the beaches furnishing a secure environment throughout the season.
- Produce sugar kelp to our residents, while enhancing the water quality.
- Maintain and cultivate the Town's waterfront.
- Offer the benefit of State-regulated boating safety courses to residents and non-residents.
- The department's pump out boat delivers ease to residents and non-residents on the water to have their vessel pumped out without the inconvenience of the boater leaving their mooring or slip.

## ◆ Departmental Mission:

The Town of Huntington Department of Parks and Recreation strives to enhance the quality of life and meet the ever-changing recreational needs of children and adults of all abilities by providing state-of-the-art facilities, online services, and cultural programs in a safe, well-maintained environment.

## ◆ Legal Authority:

Chapters 52-1 to 52-8 and Chapters 159-1 to 159-25 of the Town of Huntington Code.

## ◆ Operating Environment:

The Department of Parks and Recreation administers, manages, and supervises the planning of programs and projects for and on behalf of the residents of the Town of Huntington, the coordination of recreational facilities, and the development of activities on its own initiative or in cooperation with other municipalities and private citizens, associations and organizations; acts as liaison with public and private agencies and individuals to plan and promote literary, dramatic, graphic, performing and cultural arts for the residents of the Town of Huntington via demonstrations, performances and exhibits; plans special events and projects as needed, in concert with public and private agencies and individuals and monitors contractual relationships of the town with such agencies and individuals.

The Department of Parks and Recreation administers a diverse and comprehensive offering of year-round recreational programs and activities for children, teenagers, and adults as follows:

**Recreation Administration Division:** The Department's Recreation Administration oversees the five major divisions of Parks and Recreation, including but not limited to overall operations and collection of revenues for all Department programs and facilities. The Department administers and processes applications for Athletic Permits, Facility/Field Assignments, Special Events & Equipment Applications, and Picnic Applications. The Department compiles and disseminates Department news and the latest programs while providing access via the Department's website link at [huntingtonny.gov](http://huntingtonny.gov), listing recreation programs for Summer, Fall, and Winter-Spring seasons, including access to online registration and the ability to purchase recreation cards for more than one hundred various parks and recreation programs. The Department also oversees the administrative operation of the Dix Hills Golf Course (9-hole) and Crab Meadow Golf Course (18-hole), as well as providing the ability to purchase golf cards online.

**Dix Hills Park Division:** The Department oversees the operation of the Dix Hills Park complex, inclusive of a seasonal outdoor pool, picnic area, two indoor ice-skating facilities, Dix Hills Adventure Camp and Ice Hockey Camp.

**Beaches Division:** The Department of Parks and Recreation handles operations and staffing of the Town's 8 beaches and 2 Spray Parks, the Sgt. Paul Tuozzolo Memorial Spray Park and the Manor Park Spray Park. Operations and staffing include lifeguarding, swim instruction, and beach gate attendance. The Department orders and then disseminates both daily and seasonal beach permits to the respective beaches.

**Cultural Affairs Division:** The Department encompasses the management of the Town's Cultural Affairs programs, including fiscal support of the Huntington Arts Council, the Huntington Summer Arts Festival and the Heckscher Museum of Art, and other non-profit cultural agencies, as well as

---

---

# Parks & Recreation

---

**Cable T. Jamison, Director**

---

administration of the Town's Public Art Initiative and various special projects and events. Management of several Town-owned historic properties is conducted through liaison with the Town-affiliated Huntington Cultural Affairs Institute, Inc.

**Recreational Programs Division:** Throughout the year, the Department offers more than one hundred programs and activities for children and adults. These include day and evening leisure activities such as dance instruction and creative arts workshops. Other activities offered are tennis lessons, athletic workshops, nature study, soccer, swim lessons, skateboard lessons, volleyball, pickleball, and fitness programs.

During the summer months, the Department provides 7 Full-Day camps for children: Adventure Camp, Hockey Camp, Camp Gold Star, Camp Soundview (ages 5-14); Camp Bright Star (a day camp for children with disabilities ages 6 and older); Project P.L.A.Y. & St. John's Summer Camp (ages 4-12).

## ◆ Workload Indicators:

The workload in the Parks and Recreation Department is a function of the following:

### **Recreation Administration Division:**

- **Daily operations of the Department of Parks and Recreation:**

Oversee daily Department operations; Serve constituent walk-ins to the Town Hall Office; Update and process online recreation programs & activities registrations via the Department's website link at [huntingtonny.gov](http://huntingtonny.gov) such as Aquatic Programs; Athletic Programs; Camps & Programs; Creative Arts; Cultural & Fitness Programs; Developmentally Disabled Programs; Dix Hills Ice Rink Programs; Skate Parks; Special Events; Tennis/Pickleball Programs; Nature Study Programs; Coindre Hall Programs; Coordinate with support from Suffolk County, the operation of Coindre Hall.

- **Athletic Permit Application Processing:**

The Department processes (180) athletic permits, collects fees, and works in conjunction with the Town Attorney's Office to ensure proper insurance is held by organizations seeking permits. The Department is responsible for assigning and scheduling athletic fields, lighted sports facilities (80), sports/school organizations, and youth/adult sports organizations.

- **Special Events & Equipment Application Processing:**

Major special event permits 2023 (105); permits for equipment (21); Issue signage permits for special events (7); Process Sports Tournaments events (5); Process field applications, collect fees, insurance documents, and equipment needs for the applicant.

- **Picnic Application Processing:**

Issue (71) Picnic Permits (2023). 6 were cancelled and refunded.

- **Coindre Hall:** The Town of Huntington has an agreement with Suffolk County Parks for the use of the Coindre Hall gym and classrooms. The gym is used for fitness classes, after-school sports for children, Gold Star Camp, and year-round adult sports leagues.

### **Dix Hills Park Division:**

- **Dix Hills Ice Rink**—Operate and staff the two year-round ice rinks; oversee summer hockey camp and year-round rec leagues for both children and adults; provide individual and group skating lessons; monitor free-skate; manage skate equipment rentals.

- **Dix Hills Pool** – Hire and oversee seasonal staff such as lifeguards and cashiers.

---

---

# Parks & Recreation

---

**Cable T. Jamison, Director**

---

---

- **Dix Hills Adventure Camp:** Process applications, collect health forms, collect fees, register campers, hire and train counselors and staff, and develop summer programming and activities.
- **Dix Hills Golf Course**—The Department of Parks and Recreation collaborates with the contracted vendor(s) regarding the daily operations of Dix Hills Golf Course.

## **Beaches Division:**

- Beaches provide Certified Lifeguards.
- Beaches Division sells and collects permit fees, processing more than (30,000) vehicle & (1,400) boat ramp beach permits during the summer months.
- Beaches (8): Crab Meadow; Asharoken; Hobart; Centerport; Fleets Cove; Crescent; Gold Star Battalion; Quentin Sammis/West Neck.
- Fishing Beach Only: Geissler's & Crab Meadow Beach in designated areas.
- The Sgt. Paul Tuozzolo Memorial Spray Park & The Manor Park Spray Park.

## **Cultural Affairs Division:**

- Coordinate the Huntington Summer Arts Festival (through the Arts Council), which includes approximately 42 nights of performances and related "Meet the Artist" community educational programs for more than 50,000 residents and visitors.
- Administer more than \$1 million in annual cultural affairs grant contracts with non-profit community agencies.
- Plan and implement Public Art Initiative projects in appropriate public spaces within the Town to enhance community character and livability and celebrate Huntington's history, culture, and diversity.
- Facilitate management and preservation of various Town-owned historic properties.

## **Camps & Recreational Programs:**

- The Department operates more than 100 programs and activities for constituents year-round.
- Hire 400 to 600 summer staff for all recreational programs.
- Continue to expand the Summer Camps via promotion and stakeholder interaction.
- Staff and manage 7 full-day Camps.
- Partner with the private sector to enhance the town's recreational opportunities. These include horseback riding lessons, basketball, soccer, lacrosse, and baseball camps, and kayak lessons.
- Collaborate with the Purchasing Department and the Comptroller's Office in order to foster the RFP process for selecting new vendors.
- Community Education/Recreation program(s) children/adults.

## **◆ 2024 Achievements:**

The Department's 2024 Accomplishments:

- Completed park improvements at Al Walker Park.
- Secured funding for Heckscher Park Playground and begun park improvements.
- Secured funding for Whitman Park and began park improvements.
- Began Park & Playground improvements at Otsego Park.
- Completed Crab Meadow Beach Playground upgrade.
- Secured William Bryne Park funding for resurfacing tennis and pickleball courts.

# Parks & Recreation

Cable T. Jamison, Director

## ◆ 2025 Goals:

The Recreation Department is pursuing the following goals in 2025:

- Complete William Bryne Park improvements.
- Complete Columbia Street Park improvements.
- Complete Koster Park improvements.
- Upgrade lights & sound system at Chapin Rainbow Stage at Heckscher Park.
- Playground improvements to Dix Hills Park.

## ◆ Performance Measures:

The performance measures that will be used to measure progress toward departmental goals are as follows:

- Monitor and track attendance at all Town Camps

<b>Camps/Programs</b>	<b>2021</b>	<b>2022</b>	<b>2023</b>	<b>2024 Estimated</b>
Playground & Pre-School ½ day Program Full Day Camps	790	1000	701	575

# Planning & Environment

Anthony J. Aloisio, Director

## ◆ Departmental Mission:

The mission of the Department of Planning and Environment is to ensure safe, healthy, and productive, as well as aesthetically and culturally pleasing surroundings for all residents of Huntington; to attain the widest range of beneficial uses of the environment without degradation, the risk to health, safety or other undesirable consequences; to preserve important historic, cultural and natural aspects of our heritage and maintain an environment that supports equity, diversity, and variety of individual choice. In addition, the Department seeks to serve the public by processing land-use applications in a fair and expedient manner and also seeks to provide land-based information using cutting-edge technologies. The Department constantly strives to achieve a balance between population and resource use, which will permit high standards of living and a wide sharing of life's amenities among all the residents of the Town of Huntington, not only during this generation but also for all future generations in support of the Town's strategic goal to manage development within the Town and investments in infrastructure.

## ◆ Legal Authority:

Town Code, Section 52-A and New York State Town Law, Section 271 (2), New York State Town Law (NYSTL), Sections 267, 276, 277, and 278. NYS Environmental Conservation Law, Article 8 part 617. General Municipal Law, Section 247.

## ◆ Operating Environment:

Pursuant to Town Code, the Department of Planning & Environment is organized into three divisions as follows:

- 1) Planning:** The Department is responsible for reviewing applications and creating the record for land-use decisions. Such decisions are made by the Town Board, Planning Board, Zoning Board of Appeals, the Parks Department, the Highway Department, and, in part, the Department of Engineering Services. Preparing planning studies and reports that analyze current and future planning issues, as well as maintenance of the town Geographic Information System are all part of the duties of various staff in the Department. In addition, the Division prepares estimates for the installation of project-related infrastructure included in required performance bonds. The Department also oversees various Economic Development activities and provides staff support to the Economic Development Corporation.

The Planning Department is responsible for collecting, prioritizing, reviewing, and finalizing each Town department's capital budget proposal. These tasks are required for the Planning Board to meet the Article 12 mandates.

New York State Town Law (NYSTL), Sections 274a, 276, 277, and 278 dictate the review and approval processes for subdivisions and site plans. Under these statutes, with time limits to hold public hearings and to approve or deny applications, the Planning Department staff works for the Planning Board to process applications for zone changes, subdivisions, and site plans.

The Department may also assist in the preparation of any Comprehensive Plans or updates pursuant to NYSTL, Section 272a and Town Code Section 52A-5.

---

---

# Planning & Environment

---

**Anthony J. Aloisio, Director**

---

---

- 2) **Environmental Review:** The Environmental Review Division is responsible for providing assistance to the various boards in the Town to comply with the requirements of the New York State Environmental Conservation Law Article 8, Part 617 SEQRA (State Environmental Quality Review Act) regulations. This law establishes a mandatory decision-making process embedded within a primary administrative action that involves consideration of social, economic, and environmental factors.
  
- 3) **Land Management:** The Land Management Division, in a partnership with the Town Attorney's office, is responsible for maintaining all records pertaining to the acquisition of land by the Town. The Division also creates, maintains, and expands the Town's comprehensive Geographic Information System (GIS) and all matters pertaining to the Town's land inventory.

**Zoning Board of Appeals:** The Zoning Board of Appeals (ZBA) staff is geographically located within the Department of Planning & Environment. However, it processes its applications separate from, and parallel to, any associated Planning application. The ZBA is responsible for Town Code Section 198-68 that requires the Planning Department to provide technical input for the Zoning Board of Appeals applications for conditional permits within 30 days of receipt. The Zoning Board of Appeals gets its authority to consider variances and/or interpret the Code pursuant to NYSTL 267 et. sec.

**Environmental Open Space and Park Fund Advisory (EOSPA) Committee:** The Open Space Coordinator provides staff support to the Environmental Open Space and Park Improvement Committee. Chapter 21 of Town Code defines the Environmental Open Space and Park Fund program that is administered by the Open Space Coordinator working with the EOSPA Committee and Open Space Counsel. This has included oversight of three referenda that each generated funding for a ten-year period with a combined life value of \$60 million. Presently, funding is being provided by the continuing Open Space tax that is providing \$ 1.5 million per year (for 2024: \$100,000 for land acquisition, \$1.2 million for park improvements, \$200,000 for neighborhood enhancements, and \$0 for green projects). The EOSPA Committee also makes recommendations to the Town Board on the allocation of Neighborhood Parks funding derived from subdivision (park and playground) fees.

**Conservation Board:** The Huntington Conservation Board is a Town Board-appointed volunteer advisory organization. The Conservation Board reviews and provides comments to the Town Board, Planning Board, Board of Trustees, and Zoning Board of Appeals on applications for land use change that have the potential to affect Open Space Index-mapped property. In addition to its advisory review functions, the Conservation Board serves as a vital conduit for conveying environmental information on key topic areas (land use and review, marine and freshwater resources, parks, solid waste, and legislation) to Town leaders. The Conservation Board coordinates the Town Park Stewardship Program and routes data from Town Board-appointed volunteer park monitors/inspectors.

**Huntington Greenway Trails Committee:** The Huntington Greenway Trails Citizens Advisory Committee meets with and assists Land Management staff in mapping trails (courses, distances, features, difficulty), marking trails, defining trail uses/designations, leading hikes, monitoring trails for maintenance purposes, preparing trail guides and creating a trails plan.

**Beautification Council:** The Beautification Council is a Town Board-appointed volunteer advisory organization. The Beautification Council promotes various efforts and recommends actions to Town

---

**Anthony J. Aloisio, Director**

---

---

agencies and Boards that will enhance the attractiveness of the Town. Actions may include the installation of flower gardens and tree planting on municipal property and the promotion of efforts to maintain streets and other Town infrastructure.

## ◆ Workload Indicators:

The Planning Department is responsible for:

- Process and complete applications and any mandatory SEQRA reviews for over three hundred (300) subdivision, site plans, zoning modifications, and ZBA reviews annually.
- Prepare long-term plans and support for various comprehensive planning efforts in Town, including plans for Huntington Station, the downtown Huntington Village area, the Melville Employment Center, and the Local Waterfront Revitalization Plan.
- Prepare grant applications for various state and federal programs.
- Process over six hundred (600) tree permit applications annually throughout the Town.

## ◆ 2024 Achievements:

The Planning Department's 2024 significant achievements include the following:

- Completed over fifty (50) environmental and application reviews for submitted land use and/or zone change requests.
- Processed over one hundred fifty (150) site plan and subdivision applications submitted to the department.
- Continue to participate in numerous activities to further the efforts of Renaissance Downtowns to revitalize Huntington Station, including specific meetings regarding a Suffolk County-sponsored sewer grant for the area.
- Participated in the drafting of project recommendations for the \$10 Million-dollar New York State Downtown Revitalization Initiative (DRI) grant awarded by the State for the Huntington Station revitalization program.
- Drafted new mixed-use land use codes for the Melville Town Center and surrounding industrial zone.
- Further development of a Municipal Storm Sewer System (MS4) and GIS database to support town departments with compliance of federal, state, and local Clean Water Act reporting requirements. The Department also took over the primary responsibilities for reporting to the NYSDEC our annual MS4 progress, along with the implementation of compliance programs. The Department is also the primary liaison with professional services vendors acquired to assist in our compliance efforts.
- Continued transformation/upgrade in the manner in which all Planning Department applications are deployed on Open Gov. This includes: Zone Changes, Subdivisions, Site Plans, Transfer of Density Flow Rights (TDFRs), and Tree Permits.
- Over 115 individual requests for address labels from the public and the Town Board, resulting in additional revenue.
- Reviewed over two-hundred and fifty (250) individual applications and presentations before the Planning Board and ZBA. Ensure complete Board knowledge of all aspects of each application.
- At the request of the Town Attorney's office, consulted on various changes to the Town Zoning Code, modifying development standards in the commercial and residential zoning districts.
- Continued solicitation of numerous grants to support varied environmental and parks projects.

# Planning & Environment

**Anthony J. Aloisio, Director**

- Presented EOSPA and Neighborhood Parks Fund allocation recommendations to the Town Board for thirteen (13) park improvement projects and four (4) neighborhood enhancement
- Continued efforts began in 2015 with the Town Attorney and Public Safety Department to resolve private encroachments on Town properties, including parkland.
- Continued to implement goals and strategies contained in the Horizons 2020 Comprehensive Plan.
- Drafted several sections of the Draft Local Waterfront Revitalization Plan in cooperation with the NYS Department of State.
- Continued efforts to complete the Blueway Plan for nonmotorized water crafts.

## ◆ 2025 Goals:

The Planning Department's 2025 goals include the following:

- Continue the development of a professional staff to better serve the public.
- Continue to acquire key open space properties, coordinate the improvement of new and existing parkland and neighborhoods/streetscapes, and support green energy and efficiency projects throughout Huntington.
- Continue to improve the process and increase the number of completed Development Reviews.
- Continue to support efforts to revitalize Huntington Station.
- Continue to assist with the implementation of projects funded via the DRI grant.
- Assist in the adoption of the Melville Town Center and industrial mixed-use codes.
- Continue activities toward completion of Draft Local Waterfront Revitalization Plan.
- Support the preparation and development of localized comprehensive plans.
- Complete the development of a Capital Projects GIS Portal for evaluating capital program goals and individual project progress.
- Support the deployment of the Open Gov common permit tracking system. Consolidation of two existing tracking systems, used separately by the Building Department and Planning Department, will result in better data management for the land development process. This year's goals include the completion of the site plan, subdivision, change of zone, bonding, and TDFR processes.
- Continue the effort begun in 2015 by the Town Attorney and Public Safety Department to resolve private encroachments on Town properties, including parkland.
- Continue to implement goals and strategies contained in the Horizons 2020 Comprehensive Plan.

## ◆ Performance Measures:

Below are the 2024 Performance measures for the Planning and Environment Department:

- Monitor the EOSPA and Neighborhood Parks funds to insure Town land acquisitions, property and neighborhood improvements are being completed in a timely fashion.
- Track and fund new EOSPA projects as per EOSPA Committee recommendation (chart below identifies funded projects).
- Create better and more efficient integrations between existing enterprise database tracking systems and the Laserfiche document management system.
- Track the number of development applications reviewed by Town staff and local agencies and utilize data to deploy staff resources.

# Planning & Environment

**Anthony J. Aloisio, Director**

- Identify and prioritize additional assets held by the Town's departments in a central GIS repository to improve and coordinate projects within the Town.

# Public Safety

Joseph Cirigliano, Director

## Departmental Mission:

The mission of the Public Safety Department is to safeguard citizens and visitors to the Town of Huntington by protecting life and property, preserving the peace, enforcing Town ordinances, and preventing crime on Town-owned property. Our goal is to deliver a professional level of public service to our residents efficiently and effectively.

## ◆ Legal Authority:

The Department of Public Safety was created in February 1996 by the Town Board via Resolution #1996-129. Town of Huntington Town Code, Chapter 55 establishes the Department of Public Safety and defines its powers and duties.

## ◆ Operating Environment:

The Public Safety Department meets the duties of protecting the health, safety, and welfare of the Town of Huntington residents with the following five divisions:

- Security Division
- Park Ranger Division
- Code Enforcement Division
- Animal Control Division
- Special Services Division

**Security Division:** Licensed Town Public Safety Agents responsible for daily patrol of 77 facilities across the Town consisting of buildings, rail stations, beaches, and parks. Monitoring Town properties via 24/7 Public Safety Command Center. In addition, the uniformed security force is charged with the enforcement of Town of Huntington parking regulations as outlined in the parking provisions of the Uniform Traffic Code of the Town.

**Park Ranger Division:** New York State Department of Criminal Justice Services certified Peace Officers responsible for maintaining general public order and protecting town parks, beaches, railroad stations, and other town-related facilities.

**Code Enforcement Division:** Responsible for enforcing the Code of the Town of Huntington and the New York State Property Maintenance Code affecting the Town through measures that emphasize compliance. This division performs investigations based on complaints as well as proactively identifying life safety issues. The Sign Bureau and Accessory and Rental Apartment Bureau are part of the Code Enforcement Division. Most violations issued by this division are answerable to the Town's Bureau of Administrative Adjudication (BAA).

**Animal Control Division:** Responsible for enforcing the Code of the Town of Huntington and any state and local laws or regulations, including the Agriculture and Markets Law of the State of New York, pertaining to the control of animals. The operation of the Huntington Animal Shelter is the responsibility of this division.

# Public Safety

**Joseph Cirigliano, Director**

**Special Services Division:** Responsible for other activities that fall under the Public Safety Department's purview. The Meter Maintenance Bureau performs the maintenance and repair of parking meters, posts, and related signage. The Traffic Violations Bureau is responsible for the administration of parking enforcement.

The Department consolidates and, whenever possible, integrates the efforts involved in Code Enforcement, Park Ranger, Security, Animal Control, and Special Services. The nature of the work performed by the Public Safety Department is both proactive and reactive. The Department is proactive by enforcing state and local laws and regulations within the jurisdiction of the Town at problematic locations; and reactive by responding to and investigating complaints filed by the citizens of the Town.

## ◆ Workload Indicators:

The workload of the Public Safety Department is a function of the following:

### Security Division

- Issued approximately 11,046 summonses for parking violations in 2023.
- Conducts 24-hour security patrols across a 94-square-mile operating area.
- Provides security details for all major Town-related functions and special events.
- Monitors video surveillance for Town owned facilities and locations.

### Park Ranger Division

- Provides security for Railroad Stations, Parks, Beaches, and Town facilities.
- Provide security details for Town Board Meetings, special events, the Bureau of Administrative Adjudication, and traffic court.
- Authorized to enforce Town, County, and State laws at Town related facilities.
- Works collaboratively with the Suffolk County Police Department to enforce Town parks and beaches laws.

### Code Enforcement Division

- Performs approximately 7,300 annual investigations of potential code infractions and apartment rentals.
- Initiates approximately 5,000 new code enforcement investigations annually.
- Maintains Vacant Property registry and Short-Term Rental Registry.
- Issues Rental and Accessory Dwelling Unit permits (totaling approximately 4,200 combined).

### Animal Control Division

- Dog intake in 2023: 232, of which 124 were returned to their owners.
- Adopted 64 dogs in 2023 and transferred 15 to 501 C (3) rescues.
- 2024 YTD 28 adoptions with 6 transferred to 501 C (3) rescues.
- Removes approximately 1,000 deceased animals from public areas and Town roadways within the Town of Huntington.
- Advised and partnered with the newly developed Suffolk County Animal Abuse Task Force.
- Active sponsor and supporter of the Give a Dog a Dream 501-C (3) charity.

---

---

# Public Safety

---

## Joseph Cirigliano, Director

---

---

- Established Behavior Modification Planning service plans in accordance to the new NYS Agriculture and Markets law.

### Special Services Division

- Maintains and collects parking fees for more than 619 metered parking spaces within the Huntington Village and LIRR Commuter parking lots.
- Facilitates the administrative operations of the Traffic Violations Bureau and the Town traffic court.

### ◆ 2024 Achievements:

- The Security Division continues to take on new and varied responsibilities for safeguarding Town properties and facilities. With the award of a NYS Law Enforcement Grant, the department will continue to search for and deploy the latest technologies to improve operations further.
- The expansion of the Towns security cameras system into parks and beaches has successfully aided the Suffolk County Police Department to identify and arrest individuals who have committed crimes including assault and extensive property damage.
- The department completed the transition to the United Public Safety parking enforcement platform. Mobile vehicle-mounted license plate readers have been adopted, improving the workflow and providing an additional layer of officer safety.
- Park Ranger Divisional scale continues to increase, with a continuing focus on safety and training.
- The Passport mobile parking app, previously introduced at the Cold Spring Harbor LIRR, was launched in Greenlawn and E. Northport LIRR stations. It allows residents who do not commute daily to park without purchasing a commuter permit.
- The Sign Bureau was brought into the OpenGov online permit system.
- Animal Control continues to successfully rehabilitate dogs for adoption and is eager to continue its successful Transfer program, pulling dogs at risk of euthanasia from local shelters and including them in the Town of Huntington's immersive socialization program.

### ◆ 2025 Goals:

- The Security Division will continue expanding the video monitoring capabilities of the Town of Huntington's parks and beaches. It will also acquire mobile camera systems for deployment at special events and areas of concern throughout the Town.
- Renovations of the Town Animal Shelter to ensure it is in compliance with the anticipated changes to NYS Agricultural & Markets laws governing such facilities.
- Code Enforcement will continue to bring the various sections of the division into the OpenGov online permit system.
- Installation of upgraded parking pay stations in Huntington Village and transition to a much more user-friendly "Pay by Plate" parking platform.
- Full deployment of the OpenGov system in the Sign Bureau, offering online access to permits and renewals.
- Refresh the Public Safety vehicle fleet, some of which are approaching 20 years in service.

# Public Safety

Joseph Cirigliano, Director

## ◆ Performance Measures:

The performance measures that will be used to measure progression towards departmental goals are as follows:

- Monitor the number of code violations in the Town of Huntington.

<b>Description</b>	<b>2022</b>	<b>2023</b>	<b>2024 (estimated)</b>
Code Enforcement Notices of Violation issued (BAA)	847	950	900-950

- Monitor and maintain the number of animal adoptions.

<b>Description</b>	<b>2022</b>	<b>2023</b>	<b>2024(estimated)</b>
Animal Adoptions	30	64	60

- Monitor and track the number of parking summonses issued.

<b>Description</b>	<b>2022</b>	<b>2023</b>	<b>2024 (estimated)</b>
Parking Summonses	9,409	11,046	15,000

# Receiver of Taxes

**Jillian Guthman, Tax Receiver**

## ◆ Departmental Mission:

The Office of Receiver of Taxes is responsible for keeping the tax warrant issued by Suffolk County until the warrant expires and is delivered to the Suffolk County Comptroller. Taxes are collected by the Town based on the warrant issued for the current tax year. The Receiver of Taxes also performs additional varied duties many of which are imposed by law in furtherance of the tax collection process.

## ◆ Legal Authority:

The Receiver of Taxes derives authority from Section 37 of Town Law, the Suffolk County Tax Act, and the Real Property Tax Law.

## ◆ Operating Environment:

The Office of Receiver of Taxes is primarily responsible for processing tax payments received from residents, banks, and businesses for properties within the Town of Huntington. The Office faces many challenges on a day-to-day basis and operates with minimal staff to perform its work. The Tax Office experiences a high level of direct contact with the public, particularly throughout the course of the tax collection process, causing an increase in the volume of phone calls and written correspondence that must be answered and issues that must be resolved.

## ◆ Workload Indicators:

The Town of Huntington Tax Warrant for 2023-2024 totaled \$1,169,135,803.53, of which \$1,136,306,858.96 was collected. Approximately 42,000 tax bills were printed and mailed directly to residents, commercial property owners, and mortgage companies that do not utilize our automated payment system. Approximately another 32,000 information copies of tax bills were sent to property owners with mortgage escrow accounts, third-party information copies, snowbird copies, and multi-owner copies.

The Tax Office collects for nine school districts, nine library districts, thirteen fire districts, one refuse district, three water districts, two town sewer districts, and two county sewer districts. In addition, the office collects for two ambulance districts, three Business Improvement Districts, the County Tax, County Police Tax, County MTA Tax, Out of County Community College Tax, Suffolk County Community College Tax, and all Town of Huntington general and special district taxes.

The Tax Office collects pro-rata taxes for exemptions removed when a property is transferred. For 2023-2024, 459 exemptions were removed, adding back \$1,141,923.76 in taxes. The Tax Office collects unpaid water charges for the Dix Hills, Greenlawn, and South Huntington Water Districts, as well as Suffolk County Water Authority. The 2023-2024 there were 5,359 water re-levies totaling \$1,364,180.84. Thirty-nine properties carried a Cleanup Rubbish charge in the amount of \$50,998.12 as reimbursement to the Town for unsafe properties cleaned up by the Town and billed to the property owner. For the year 2023-2024, the tax billing process included blight abatement charges in the amount of \$55,000.00. 2023-2024 County sewer re-levy charges for the year there were 305 Sewer charges in the amount of \$530,566.86.

New York State Law requires the Tax Office to notify property owners if taxes from a prior year remain unpaid; said notifications were issued during 2023-2024 as reported from the County Comptroller.

# Receiver of Taxes

**Jillian Guthman, Tax Receiver**

The majority of all tax payments are paid by mail. On average, over 1,000 tax payments are received each day in December and January during the prime payment period, with similar mail volume realized in the second half of May. Legally required and courtesy notices of unpaid taxes are issued various times during the year.

In 2023-2024, 564 checks were returned unpaid (bounced), representing \$5,267,091.23 in canceled payments. Refunds for overpayment and duplicate payments of taxes on 534 properties due to taxpayer error, as well as adjustments due to Small Claim Reviews and Tax Certiorari actions in 2023-2024, totaled \$1,770,989.43. Adjustments totaling (\$6,057,678.11) were made to parcels due to Small Claims Reviews (SCAR), COE'S, and Tax Certiorari actions, causing 1,981 adjusted bills to be created and mailed to property owners. Approximately 123 duplicate payments were issued by taxpayers attempting to pay property taxes already paid. A thorough review is undertaken before processing all canceled payments, adjustments, refunds, and prior paid returns. Additionally, the Office updates 1,500-2,000 records for new ownership as well as prints and mails tax bills throughout the year.

In addition to the tax collection function, the Tax Office collects water usage bills and posts payments for the Dix Hills Water District, approximately 6,806 water bills quarterly.

## ◆ 2024 Achievements:

- Expedited speed of processing payments
- Provided unique opportunities for students of varying abilities to contribute to the Office.
- Provided educational internship opportunity to local high school students.
- Hired seasonal employees that helped us meet the increased needs of the public during peak periods.
- Provided referral to resources to individuals experiencing financial distress and other challenges
- Served as a frontline liaison to residents having challenges addressing issues with Town departments.
- Continued use of bulk postage options to reduce the cost of postage incurred. We also assisted Town departments with large mailings to reduce Town postage costs incurred.
- Expanded email notification system with more participants.
- Identified residents eligible for STAR and Enhanced STAR exemptions and other property tax exemptions and provided information to secure same, as well as responded to inquiries on various topics related to property.
- Continued cross-training of staff.

## ◆ 2025 Goals:

- The Receiver of Taxes desires to continue to provide exemplary service to constituents in a cost-efficient and transparent manner.
- Secure sufficient staffing to meet the volume of work.
- Continue to provide reference resources to taxpayers.
- Cross-training.
- Increase utilization of website.

# Receiver of Taxes

Jillian Guthman, Tax Receiver

## ◆ Performance Measures

- Track the number of outreach efforts made throughout the year.
- Track payments by payment method utilized.

# Town Attorney

Susan J. Coleman, Town Attorney

## Departmental Mission:

The Town Attorney's primary mission is to provide legal representation for the Town Board, Board of Trustees, Zoning Board of Appeals, Planning Board, Board of Assessment Review, Special Improvement Districts, and all Town Officers in their official capacities in all actions, proceedings, undertakings, and activities in which the Town of Huntington or the Board of Trustees is concerned or involved, and to develop or revise the Town Code to provide quality services and to enhance economic development.

## ◆ Legal Authority:

This includes New York State Town Law, Section 20(2), Chapters 64 and A203 of the Huntington Town Code, and all other applicable laws and rules.

## ◆ Operating Environment:

The Town Attorney's Office is comprised of attorneys with various specialized skill sets to handle a variety of legal issues, as follows:

- **Judgment & Claims:** Evaluate claims for settlement or litigation. Thoroughly investigate all tort claims against the Town, its agencies, and officers, and provide recommendations to the Town Board regarding the handling of claims.
- **Board of Trustees:** Provide legal representation and services to the Huntington Board of Trustees. Control the management of properties leased by the Board of Trustees, and oversee the administration of Trustee lands.
- **General Legal Representation:** Represent the Town in all legal matters, including tort litigation, labor issues, real estate matters, and contract negotiations. Advise the Town Board and Huntington Board of Trustees in the day-to-day operation of government and other matters.
- **Legislation:** Prepare, review, and recommend all Town ordinances, local laws and, proposed and enacted amendments to the Town Code, and related public notices and resolutions.
- **Prosecution:** Prosecute violations of the Huntington Town Code in District Court and before the Town of Huntington Bureau of Administrative Adjudication and violations of the Traffic Code at the Traffic Violations Bureau.

## ◆ Workload Indicators:

- The office handled 926 files in 2023 and 564 files this year (as of 6/30/24).
- Handle bodily injury and property damage claims. The number of claims received has steadily increased each year.
- Manage the Town's overall insurance programs, identifying risk exposures, evaluating/analyzing risks, selecting the best techniques for treating identified risks via the procurement of insurance policies and self-insurance programs and regularly evaluating and monitoring these programs.
- Prepare, review, and recommend Town ordinances, local laws, proposed amendments, public notices, and resolutions.

---

---

# Town Attorney

---

**Susan J. Coleman, Town Attorney**

---

---

- Review agendas and resolutions for legal sufficiency for all Town Board Meetings.
- Render formal legal opinions for all Town Departments and Special Improvement Districts upon request.
- Concentrate law enforcement efforts on blighted, vacant, and deteriorated properties, with a view toward removing blighted conditions and repurposing substandard properties, thereby returning them as assets to their local communities.
- Work on various Town contracts, agreements, and closings.
- Assist Town FOIL Officers regarding document assembly for FOIL responses.
- Review Town contracts for proper execution, as well as insurance and surety bond compliance.
- Review and process applications for Special Event Permits, Chapter 91 Permits (Carnivals, Circuses, Fairs, and Amusement Events), and Uses of Town Facilities.
- Review and process applications to engage in motion picture, television, and still photography production on the Town of Huntington and/or Town of Huntington Board of Trustees property or facilities.
- Review and process applications for a permit to operate unmanned aircraft systems within the borders of any real property owned, used, or leased by the Town of Huntington.
- Serve as voting and nonvoting members on various Town boards and committees, including but not limited to the Plumbing Advisory Board, Golf Advisory Committee, Memorial Review Committee, Advisory Committee on Energy Efficiency, Renewables & Sustainability (ACEERS), Affordable Housing Advisory Board, Citizen's Advisory Committee for Persons with Disabilities, Community Benefits Agreement (CBA) Advisory Committee, Give a Dog a Dream, Inc., Youth Board, Huntington Youth Bureau Development Institute, Inc., Beautification Fund Committee, Economic Development Corp., Opioid & Addiction Task Force, Board of Directors for the Huntington Cultural Affairs Institute, Inc., Huntington Human Services Institute, Inc.
- Assist various Town departments in filing grant applications, executing grant agreements, and obtaining grant awards.
- Monitor State and Federal legislation impacting Town operations.

## ◆ 2024 Achievements:

- Manage the Zoning and Planning Board final approvals on the Indian Hills development, as well as research and review case law and legal filings relative to two lawsuits filed by neighbors against the Zoning and Planning Boards.
- Assist and monitor outside counsel regarding the Indian Hills, Wesp, and Fort Salonga Property Owners Article 78 litigation.
- Review and prepare all Maritime Department licensing agreements.
- Review all covenants and restrictions required by the Planning Board and the Zoning Board.
- Oversee, monitor, and defend the Town in complex litigation cases.
- Defended the Town of Huntington in Article 78 proceeding in Wesp v. Zoning Board of Appeals (611671/2024), the review process by the Town and the DEC. The Supreme Court in Suffolk County dismissed the action on the grounds that the Village had no standing to sue because the dock was to be located
- Recovered \$65,519.67 in outstanding excess worker's compensation reimbursements.
- Tracked membership on Town boards, committees, and task forces to ensure that vacancies are filled and that each board, committee, and task force has its entire complement of members.

---

# Town Attorney

---

---

**Susan J. Coleman, Town Attorney**

---

---

- Filed a number of pre-answer motions to dismiss in meritless personal injury lawsuits against the Town of Huntington, resulting in the expeditious resolution of such matters.
- Continued the ongoing prosecution of code violations in Third District Court, with a focus on residential properties that are non-owner occupied and deemed nuisances by reason of their being overcrowded, deteriorated, unsafe, and used illegally as unpermitted apartments, with the objective of bringing these properties into compliance with the Town Code.
- Approximately 30 blighted properties are currently being acted upon, with 4 additional properties entering into Restoration Agreements; 9 blighted properties have been resolved to date.
- Improved quality of life conditions by enforcing the blight and rental permitting of properties sections of the Town Code, as well as addressing “zombie houses.”
- Engaged in various actions concerning Town property, including the negotiation and drafting of various license agreements.
- Significantly decreased backlog of Traffic Violations matters.
- In 2023, the BAA generated \$905,021.75, which includes fines for pleas, defaults, and permit fees. We almost tripled the amount collected by the BAA in 2023.
- There was a DEC violation at Mill Dam for disturbing trees near wetlands without a DEC Permit. The case was resolved with no monetary penalty, and the Town agreed to plant additional shrubs and trees.
- Drafted Battery Moratorium and obtained a 6-month extension of the moratorium from Suffolk County Planning Commission.
- Oheka litigation – successfully defended Article 78, challenging the action of the Planning Board and Town Board.
- Research Down Payment Assistance programs in order to create a new initiative for the Town.
- Created new guidelines for reviewing traffic tickets.
- Siegel v. TOH (601288/2024): We served a Motion to Dismiss, and the action against the Town has been discontinued.
- In Scuderi v. Main Street Huntington, TOH et al., we were able to discontinue a trip and fall action against the Town.
- \$29,574.38 collected in subrogation claims.
- In February 2024, we instituted a new approach to mailbox damage during snow storms, limiting the Town’s liability to a \$100 cap per damaged mailbox.
- In Cruickshank/Goldstein-Delgado v. TOH, the claimant made a \$50,000 property damage claim due to an ongoing problem. We were able to deny the claim in its entirety.
- Denied claims in the amount of \$24,456.63 based on MVTL Section 1103(b), 1202 (a) Hazard Vehicle Exemption.
- Amended the Town’s Traffic Code which will allow traffic enforcement to be efficient and more lucrative.
- Negotiated settlement of the 2016 action-Bethpage Federal Credit Union and its affiliate Business Services Group LLC (together, “BFCU”) vs. Town of Huntington, et al. alleging damages sustained in failed Bankruptcy Court auction of the Thatched Cottage catering facility.
- Recovered over \$10,000 in restitution from Town Employees engaged in time theft.
- Recovered over \$70,000 unpaid balance from Huntington Hospital for use of helipad.

# Town Attorney

Susan J. Coleman, Town Attorney

## ◆ 2025 Goals:

The Town Attorney’s Office has established certain goals that are in the process of being implemented. They include, but are not limited to:

- Continue oversight over Traffic Violations Bureau so as to reduce defaults and unpaid fines and surcharges.
- Continue to draft legislation to amend the Town Code to maintain the quality of life for residents.
- Continue to concentrate efforts on blighted and vacant properties in the Town, where the need exists, and work to have the blight removed so that they are repurposed as beneficial additions to the local community.
- Conduct general review of the Town Code to ensure that laws have sufficient clarity and specificity.
- Review the Zoning Code to consider uses that are not currently contemplated.
- Continue revisions to Town of Huntington Policy & Procedure Manual.
- Closely monitor all matters being handled by outside counsel to ensure competent representation and value for the Town and taxpayers.

## ◆ Performance Measures:

The performance measures that will be used to measure progression towards departmental goals are as follows:

- Track the number of amendments to the Town Code made each year.

	2023	As of 6/30/2024
Number of Amendments (adopted)	32	28

- Track and monitor litigation, summonses, and contracts.

<b>Litigation: Number of Negligence Claims filed (exclusive of Article 78, Declaratory Judgment Actions, etc.)</b>	2023	As of ~ 6/30/2024
Parking Summons - Prosecuted / Processed	8408	6,208
Criminal Summons – Prosecuted / Processed	842	516
Contracts – Negotiated / Drafted	460	230
Cases sent to the Bureau of Administrative Adjudication	1,051	495

# Town Clerk

---

---

**Andrew P. Raia, Town Clerk**

---

---

## ◆ Departmental Mission:

The mission of the Town Clerk's office is to provide reliable, efficient, and personalized service to all who require our assistance. The Town Clerk serves as Secretary to the Town Board, Registrar of Vital Statistics, Records Management Officer, Licensing Agent for New York State and the Town of Huntington, Commissioner of Special Elections within the Town, and the Town's Marriage Officer. Collectively, the office issues tens of thousands of permits, licenses, and certified transcripts and assists thousands of residents and non-residents each year.

The office also works closely with most departments within Town Hall, as many of the permits/licenses we issue require coordination with and impact the operations of other Town offices.

Additionally, due to the broad nature of the subject matter handled by this department, the Town Clerk's office has always been viewed as a dependable partner in providing members of the public with accurate and reliable information to help address their needs.

## ◆ Legal Authority:

The Town Clerk's office operates under dozens of Chapters of New York State law and the Huntington Town Code.

The many responsibilities delegated by the state derive from various sections of New York State Town Law; Public Health Law; Municipal Home Rule Law; Domestic Relations Law; Public Officers Law; Vehicle and Traffic Law; General Municipal Law; General Business Law; Arts and Cultural Affairs Law; Alcoholic Beverage Control Law; Environmental Conservation Law; Agriculture and Markets Law; Civil Practice Law and Rules; Civil Service Law; and Local Finance Law, among others.

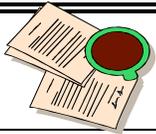

Additionally, the Town Clerk's office is assigned the responsibility of issuing numerous Town permits/licenses through Chapters 64A, 91, 92, 96, 98, 115, 117, 130, 132, 137, 141, 149, 150, 166, 169, 180, and 183 of the Huntington Town Code. As the Code is amended continuously throughout each year, these changes can add to/increase the volume of permits and licenses this office issues.

Further, pursuant to NYS Public Officers Law and Town Board resolution, the Town Clerk processes requests submitted under the Freedom of Information Law. While FOIL requests are submitted to every department, this office receives a particularly large volume of these throughout the year.

## ◆ Operating Environment:

### **General Operations/Licensing Agent:**

As Licensing Agent, the Town Clerk's office issues many different permits/licenses on behalf of both New York State and the Town of Huntington. Everyday examples include marriage licenses, commuter parking permits, disability parking permits, dog licenses, and shellfish permits, among others. Numerous requests/questions pertaining to these are received daily, and the department interacts directly with members of the public each day. In addition to providing in-person assistance, staff members assist

---

---

# Town Clerk

---

---

## **Andrew P. Raia, Town Clerk**

---

---

individuals via phone, email, mail, and facsimile. As the office handles a wide range of topics, a thorough knowledge of relevant laws and regulations at both the state and local levels is required.

### **Records Management Center:**

New York State mandates that each Town implement and maintain a Records Management Program for the storage, preservation, and protection of the municipality's records. The Town Clerk, by state statute, is designated the Town's Records Management Officer. To assist in these responsibilities, the state issues a Records Retention schedule for the Town to follow. The schedule previously utilized was entitled "MU-1"; however, this was superseded in 2020 by the current "LGS-1" schedule. In addition to updating the lengths of time particular records must be kept, LGS-1 consolidated and/or eliminated certain categories of records contained in the MU-1 schedule.

Inevitably, the lack of physical storage space has reached an inflection point, and efforts to store records electronically continue to be pursued. Town Board Resolution 2019-665 was adopted unanimously by the Huntington Town Board on December 17, 2019, authorizing this policy. The services of the Town's Department of Information Technology (IT) have been instrumental in the initial phases of this endeavor.

Indeed, the original database which tracked the location and retention periods of all records was created in 1987, and as time progressed, the system's ability to adapt to the times has not. With the assistance of IT, a migration of this data into the records depository Laserfiche was undertaken in 2022, and efforts to fine-tune this project continue to the present day.

### **Archives:**

The Town's Archives serves as a "crown jewel" within Town Hall, and it attracts many visitors and groups interested in taking a tour. Additionally, several exhibits are established throughout the year that focus on a particular aspect of the Town's history and development. It is through these initiatives that the public can educate itself on the storied history of this Town and the surrounding areas. Further, the Archives participates in many historical events throughout the Town, in conjunction with the Town Historian and local historical organizations.

Research requests are continuously received, and from June 2023 through June 2024, we received 865 such requests by email/phone. So effective has our Outreach Program been, that it is used as a model by the New York State Department of Education for other municipalities to emulate. Moreover, our "Guide to the Archival Records and Manuscripts of the Town of Huntington" is used in workshops given by the NYS Archives across the entire state.

### **Secretary to the Town Board:**

The Town Clerk is assigned this responsibility by virtue of New York State Town Law, Section 30. In this capacity, the Town Clerk must attend all meetings of Huntington's Town Board, Board of Trustees, and Coastal Erosion Hazard Board of Review and keep a complete and accurate record of the proceedings. This entails preparing meeting agendas, finalizing resolutions, overseeing the compilation of verbatim meeting minutes, and preserving written comments submitted by the public in connection with all Public Hearings. Additional Town Board duties are assigned to the Town Clerk through NYS

---

---

Municipal Home Rule Law, other sections of NYS Town Law, and provisions of Suffolk County Code and the Huntington Town Code. In short, the Town Clerk's office plays a vital function before, during, and after every meeting.

### **Registrar of Vital Statistics:**

New York State Public Health Law §4120 designates every city, town, and village as a "primary registration district," meaning that each municipality is responsible for registering all births and deaths which occur within its boundaries. In tandem, the law mandates that each of these districts appoint a Registrar of Vital Statistics to oversee this process, and the Town Clerk has been designated as Huntington's Registrar (as well as the Registrar for the Villages of Asharoken, Huntington Bay, and Lloyd Harbor).

Given that our Town has a hospital in it, as well as a number of hospice/assisted living facilities, we have a large number of births and deaths which occur. Every infant born within the Town of Huntington has their birth certificate filed with this office, and the same applies to death certificates of those who pass away within the Town. The only exceptions to this are births/deaths which occur within the Village of Northport or at the United States Department of Veterans Affairs facility on Middleville Road. As hospitals in neighboring municipalities continue to close/limit the operations of their maternity wards, the number of births continues to increase at Huntington Hospital. This department also keeps records of all homebirths, as well as all Acknowledgements of Parentage which are filed. Additionally, corrections for certain errors on birth and death certificates are processed here.

Further, before an individual who passes away in the Town of Huntington can be laid to rest, a burial/transit permit must be issued by this office. Previously, the process of signing/registering death certificates and issuing burial permits was done entirely on paper, requiring the physical signature of the attending physician, funeral director, and registrar. Beginning in 2017, and assuming full force and effect in 2020, all deaths must be registered electronically into the state-run Database of Vital Events (DAVE), formerly known as EDRS. This electronic system allows for a much quicker, more reliable, and more efficient process, as all parties can complete their portion, and the funeral director can access and print a burial permit remotely.

Moreover, the Town Clerk's office must process all requests for certified copies of birth, death, and marriage transcripts. These requests are mainly submitted by individuals, government agencies, funeral homes, and law offices. The process of issuing these documents is governed by New York State law and rules and regulations promulgated by the NYS Department of Health.

### **◆ Workload Indicators:**

#### **Registrar and Licensing Agent:**

Through the first six months of 2024, the department issued over 1,300 various licenses, nearly 20,000 permits, and more than 16,000 birth, death, and marriage transcripts. Such licenses and permits include Computer Parking Permits, Disability Parking Permits, Dog Licenses, Bingo and Games of Chance Licenses, Carter Licenses, Marriage Licenses, Shellfish Permits, Landscaping Licenses, Collateral Loan Broker Licenses, One-Day Marriage Officiant Licenses, and Taxi, Peddler, and Tow Truck Licenses.

## Town Board Meetings and Administration:

This reflects operations pertaining to the Town Board, Board of Trustees, and Coastal Erosion Hazard Board of Review meetings. Said operations include the filing of Local Laws with the New York State Secretary of State, publication of legal notices in the Town's official newspapers, processing of Change of Zone Applications, and certification of documentation relating to financial bonds, among other responsibilities. The department also prepares and finalizes meeting agendas, and once resolutions are passed by the Board(s), they are "conformed" by this office, distributed to the proper authorities, and posted on the Town's website.

In addition to the above, the Town Clerk oversees purchasing Town Code books, Zoning Code books, verbatim transcripts of meeting minutes, and miscellaneous expenses associated with supplies and organization. The chart contained in the "Performance Measures" section (further below) provides an itemized description.

## Records Management:

Between June 21, 2023, and June 21, 2024, 1,093 boxes were moved to and from the Records Center, 926 boxes were destroyed in accordance with the LGS-1 Records Retention Schedule, 1,420 retrievals and deposits were made, and 867 searches were performed for the various departments within Town Hall. The Archives also saw 25 boxes of permanent records added and 865 research requests submitted.

## ◆ 2024 Achievements:

- Secured a bid to replace the defunct elevator/lift in the Records Center with a brand-new unit. A grant of \$125,000 was secured from New York State in connection with this project. As the total project cost will likely be below that, the remaining funds will be used for the restoration of historic records.
- A contract was signed with a new software vendor, GovPilot, to replace our current and aging program (MaxxClerk). Through negotiations, the Town Clerk was able to reduce the annual payment for these services from \$100,000 to \$50,000. Since the signing of the contract, numerous meetings have been held with GovPilot concerning the development of several modules, and significant progress has been made in their build-out.
- In addition to GovPilot, the OpenGov software program is being utilized to provide the public the ability to purchase additional permits/licenses online. While GovPilot is tackling our more comprehensive modules, OpenGov has been used to build-out many of our remaining permits.
- Working with the Department of Public Safety, the Department of Information Technology, and the Town Attorney's office, a Traffic Code amendment has been drafted, which will allow commuter parking permits to be issued "virtually," eliminating the need to issue a physical sticker. In 2022 and 2023, a pilot program was tested with non-resident commuter parking permits, which has been successful.
- A new exhibit entitled "Native, Extinct and Invasive Species" was showcased by the Archives, featuring terrestrial and aquatic species in our area that benefit or harm our ecosystems. Numerous groups have already toured the exhibit, and appointments will continue through the end of the year.

# Town Clerk

## Andrew P. Raia, Town Clerk

- Processed nearly 14,000 renewal applications for permanent disability parking permits. The NYS Department of Motor Vehicles mandates that this occur every 1 to 5 years. As our permits are valid for three-year intervals, 2024 was designated a “renewal year.”
- The digital project using the web-based software “ContentDM” continues to offer worldwide access to a broad range of historical documents for education and research. The materials are scanned using a flatbed scanner which can generate bi-tonal images at 300 dpi in JPEG format. Due to the fragile state of our manuscripts, the Archivist oversees the scanning process to ensure proper handling of the manuscripts is exercised. To preserve the authenticity of the documents, the original spelling is observed in the transcriptions, which must be proofread by the Archivist, and the digital images reflect the physical condition of the records. Their digital images, therefore, show discolorations, heavy fold markings, and varying tones in the paper. Our most delicate materials are housed in clear Mylar sleeves which allow scanning without removal of the items. Although the presence of Mylar might be detected in the digital image, it does not take away from the quality. From June 2023 through June 2024, our digital collection has been accessed 3,974 times. The most researched documents were the Duke’s Laws, the Declaration of Rights, and the map of Baiting Place.
- Processed 25 boxes of permanent records, which were cataloged and placed in the Archives vault. Once a record reaches a certain age or possesses significant historical/governmental value, it must be securely stored in our walk-in vault.
- Secured an arrangement with the “Long Island Library Resource Council Archives Pilot Project” to digitize 47 audio cassette tapes and 3 CDs containing oral histories of veterans’ experiences who served between World War II and the First Persian Gulf War. There will be no cost to the Town for this project.
- Received a donation of artwork from the Trust of Pamela Long Nolan, who was a prominent local artist. The market value of the items was about \$2,900, and these works of art have been displayed in the Town Clerk’s office as well as the wall adjacent to the Archives vault.

### ◆ 2025 Goals:

- Complete the build-out of our remaining permit/license modules by working with GovPilot and OpenGov. Such permits will include commuter parking permits, dog licenses, shellfish permits, landscaping licenses, peddler permits, and a variety of others.
- Expand the ability of the public to purchase permits/licenses online, thereby providing a more convenient experience for residents and non-residents alike. Certified transcripts of birth, death, and marriage records can already be ordered online.
- Optimize the records management ability of Laserfiche. There are still several “kinks” to be worked out when it comes to fully migrating the data from our old database into Laserfiche, and we will continue to work closely with IT to resolve any outstanding issues in this regard.
- Begin the large-scale scanning of paper records into electronic format. To achieve this, the Town Clerk’s office will work with a liaison from each department, review the rules and regulations regarding this process with them, and assist in identifying records to be scanned. This will help reduce the number of physical records while making searches and research for said records much simpler.
- Oversee the complete installation of the new elevator/lift in the Records Center, which will allow physically disabled individuals to access the Town’s Archives and Records Center in full. The

# Town Clerk

**Andrew P. Raia, Town Clerk**

elevator will also allow for a much easier method to transport boxes/records to and from the Records Center.

- Continue working with IT and the Town Attorney’s office to acquire an improved agenda-management software system for the management of Town Board meetings.
- Consolidate the registration districts of all four villages located within the Town. So far, Huntington Bay and Asharoken have consolidated, with the Village of Lloyd Harbor and Village of Northport remaining. Once a village elects to consolidate its registrar responsibilities with the Town, the Suffolk County Legislature must approve, followed by the New York State Commissioner of Health.
- Showcase additional exhibitions featuring historical/educational topics about the history of Huntington.
- Hire additional staff to help process permanent records in the Archives, assist in the planning of exhibits, and undertake the digitization of our manuscripts.
- Continue to add to the New York State Department of Motor Vehicle Record Search (DIAL-IN) Account, which reviews driver licenses and vehicle registrations for applicants for various licenses/permits issued.
- Expand upon the opportunities provided by “Consider the Source New York,” which is a project designed to bring together K-12 educators and those working in cultural institutions. Funded by grants, the program promotes the importance of history education using primary source material. The Huntington Archives has been designated as the “Seat” of this project for the Long Island Region, and as such, documents from our collection are used to create educational packages and instructional materials for use in classrooms throughout the state.

## ◆ Performance Measures :

**Secretary to the Town Board-** The following chart is a tally of the number of legal notices published in each paper for 2023 and the first six months of 2024, in addition to other work indicators:

	<u>2023</u>	<u>Jan-June 2024</u>
Zone Change Applications	11	8*
Public Hearings	39	16***
Notices of Enactment	21	10
Bonding Resolutions	22	27
Local Law Introductory Hearings	48	27

# Town Council

**Town Board Members: Dr. Dave Bennardo, Salvatore Ferro, Brooke A. Lupinacci, Theresa Mari**

## ◆ Departmental Mission:

The Town Board is the policy-making body of the Town and consists of four members, and the Town Supervisor is elected by the Town of Huntington residents. The Town Board’s mission is to provide leadership and set policy in order to deliver effective and efficient public services. The Town Board is committed to ensuring that the Town of Huntington is an outstanding Town to live in, work in, and visit.

## ◆ Legal Authority:

Article 3 Section 20 of Town Law of the State of New York; Town Law, Section 20.

## ◆ Operating Environment:

The Town Board is the legislative and executive body of the Town and consists of four members and the Town Supervisor elected by the Town of Huntington residents. Town Board members are elected to four-year terms. The Town Board enacts local laws and ordinances, adopts the Town Budget, awards contracts, sets policies, and appoints department heads, deputy department heads, zoning board, planning board, and assessment review committee members. The Town Board provides oversight of the Town government.

## ◆ 2024 Achievements:

The Town Board’s 2024 significant achievements include:

- Continued restoration of blighted properties throughout the Town of Huntington.

## ◆ 2025 Goals:

The Department’s 2025 goals include the following:

- Promote economic development in Huntington.
- Enhance land use policies that meet community needs and expectations.
- Enact legislation to enhance the welfare of the Town.
- Support the Town's essential infrastructure projects necessary to provide Town services.

## ◆ Performance Measures :

The performance measures that will be used to measure progression toward departmental goals are as follows:

	2021	2022	2023	2024 As of 6/30
Restoration of Blighted Properties	50	34	33	19
Local laws enacted	67	30	35	26

# Town Supervisor

## Edmund J. Smyth, Town Supervisor

### ◆ Departmental Mission:

The mission of the Town Supervisor is to provide leadership and direction to the Town Board and employees, facilitate the implementation of Town Board priorities, manage the Town's functions to ensure the delivery of cost-effective, customer-responsive public services, and assist residents in achieving the Town's mission.

### ◆ Legal Authority:

Town Supervisor: Article 3 Section 20 of Town Law of the State of New York; Town Law, Sections 20. Youth Bureau: Article 19A & 19H of New York State Executive Law; Local Law 5-1988, Chapters 63-10 and 63-11; NYS Mental Hygiene Law Articles 19, 23 and 25; PL 93-415 (Title V), USC 5601, PL 98-473 Juvenile Justice Delinquency Prevention Act; Section 516 Public Service Act and Section 517 PL as amended by PL 100-690, PL 102-321.

Town Historian: NYS Arts and Cultural Affairs Law, Section 57.13.

### ◆ Operating Environment:

The Town Supervisor is a Town Board member, the Chief Executive Officer, Chief Financial Officer, and the head of the administrative branch of Town government responsible to lead, administer, and manage the day-to-day operations of the Town's nineteen departments and oversee its finances. The Supervisor's Office manages the Town's Personnel Department, Civil Defense operation, and Public Information functions. The Youth Bureau and Town Historian are a direct report to the Town Supervisor. The Town Supervisor is independently elected to a four-year term and chairs the meetings of the five-member Town Board, Board of Trustees, and the Community Development Agency (CDA).

### ◆ 2024 Achievements:

- The Town Supervisor's significant 2024 achievements include, but are not limited to, the following:
- Fiscal Health:
- The Town of Huntington once again finds itself on sound financial footing after Fitch upgrades the Town's Bond Rating to Aaa status, the highest possible rating for a government entity. This Fitch announcement further affirms Huntington's fiscal stewardship is strong, and our taxpayers are getting their money's worth.
- Moody's Investors Services reaffirmed the Town's Aaa bond rating for the third consecutive year, an impressive fiscal milestone that allowed the Town to save taxpayers hundreds of thousands of dollars by refinancing outstanding bonds.
- Town Supervisor Ed Smyth announced record savings for the Town's fiscal year 2023, reporting a net increase of \$10.5 million of combined savings across all town funds. Smyth concluded, "These budget savings are a direct result of fiscal prudence, including grants from County, State, and Federal agencies, earned interest on deposits, and staunch financial oversight.
- Each of the Town's 17 directors is credited for creating operational efficiencies, eliminating wasteful spending, keeping their departments as streamlined as possible, and reducing the employee headcount without reducing services to the public. In short, doing more with less.
- For the 4th consecutive year, the Smyth administration budget has come in under the State Tax Cap.

# Town Supervisor

## Edmund J. Smyth, Town Supervisor

- For the 24th consecutive year, the Town has received a Certificate of Achievement from the national organization representing government finance professionals for transparency in financial reporting practices, the highest form of recognition in the area
- of governmental accounting and financial reporting, representing a significant accomplishment by a government and its management.
- The Town achieved recognition as a leader in climate action and mitigation, earning Bronze certification status as a New York State Climate Smart Community (CSC), based on 33 actions in 9 categories for a total of 212 points.
- The Smyth administration continued the ongoing revitalization of Huntington Station, including the grand opening of the renovated Alfred J. Walker Memorial Park, the sale of Veterans affordable housing condos at Columbia Terrace, replacing the North Elevator at the Huntington LIRR Train Station, and investing in additional video surveillance for the commuter parking garages to improve public safety.
- The Town invested in road and traffic safety, parks, waterfront facilities and other infrastructure to improve reliability and quality of life with a focus on in-house improvements to save taxpayer dollars and refurbishing vehicles and equipment to extend their useful lifespan.
- The Huntington Highway Department has been busy this spring and summer resurfacing and repaving the damaged road surfaces throughout the Town. With over 860 miles of town roadways in our municipality, the Highway Department has been working diligently to target the areas in most need of attention in each hamlet of Huntington.
- Under Highway Superintendent Andre Sorrentino, the Town of Huntington paved a record number of road miles in 2024. More than doubling the previous record of lane miles. Over 106 lane miles. This includes using both outside contractors and inside staff.
- The Town Highway Department continues to take major cost-saving measures by refurbishing Highway vehicles in-house, which can save over \$300,000, depending on the needed repairs. These refurbishments extend the life of the trucks and prevent the Town from spending over \$300,000 on new vehicles.
- In December 2022, a fire at the Town's Municipal Refuse Facility destroyed 6 vehicles in the Town's fleet. The Town was able to persevere and provide uninterrupted service to residents.
- Through a grant, the Town was able to acquire 5 vehicles to replace those lost in the fire. In June 2024, the Town received its final addition to the fleet.
- Vehicle reliability and operational efficiency are at an all-time high. Additionally, annual vehicle repair costs have been dramatically reduced by almost \$120,000 annually (projected reduction for 2024).
- With modernized fleet efficiencies, it allowed the Town Department of Waste Management's Municipal Refuse Fleet to go from 19 vehicles in 2019 to 14 vehicles in 2024, a reduction of 26%, while still maintaining the same level or better efficiency.

# Town Supervisor

---

## Edmund J. Smyth, Town Supervisor

---

### **Parks and Recreation:**

In 2024 the Town of Huntington completed a series of major parks overhauls and improvements, most adding critical ADA Compliant structures, amenities, and surfaces.

- We completed park improvements at Al Walker Park and held a ribbon-cutting for the community. The park now has an ADA-compliant surface and playground equipment, making it the Town's first all-inclusive playground.
- Secured funding for Heckscher Park Playground and began significant playground redesign and improvements. Heckscher Park is the premier park in the town. The September 2024 grand opening has made this the 2nd all-inclusive park in the Town.
- Secured funding for Whitman Park and began park improvements. New pickleball courts, parking lot, and lights were added.
- We began Park and playground improvements at Otsego Park. There is a new ADA-compliant playground, new pickleball courts, resurfaced tennis and basketball courts, and a new shade structure.
- Completed Crab Meadow Beach Playground upgrade. Completely redesigned playground on the beach at Crab Meadow Park.

### **Cyber Technology:**

- The Town will continue its priority investment in cyber security upgrades to protect constituent data, operations, and system reliability from security breaches and cyberattacks.

### **501(c)(30 Fundraising:**

- The Town raised over \$70,000 for Senior Citizen and Youth services from the Huntington Human Services Institute's first annual Summer Carnival at Breezy Park in Huntington Station.
- The Town raised over \$9,500 in private donations for Give A Dog A Dream during the Betty White Challenge; the charity funds medically necessary surgeries, treatments, and behavior modification training for the Town's shelter dogs.

### **Affordable Housing & Community Upgrades:**

- The Town of Huntington is working with the Melville Community to create a walkable downtown with mixed-use development entirely south of the Long Island Expressway. After five listening sessions and over 20 small breakout meetings, we are presenting an ambitious plan (concept) called the "Melville Town Centre".
- Our goal is to transform Melville into an economically viable region of Huntington, without diminishing the value of surrounding homes. This proposal will stimulate economic and social activity in Melville by attracting major investments of private money into the area.
- The Town of Huntington has worked long and hard on this process's transparency and open concept. We have worked very closely with all affected stakeholders to ensure we include the concerns and needs of many and exclude what others have found problematic.
- The proposed code changes (Resolutions), amendments, meeting dates, interim EAS, and all plan details were posted on the Town's website.
- To ensure residents have every opportunity to weigh in on the Melville Town Centre plans, the Town scheduled an unprecedented series of four public hearings at different times and locations to accommodate those wishing to participate.

# Town Supervisor

## Edmund J. Smyth, Town Supervisor

- One of the greatest public concerns arising from the affordability and availability of housing on Long Island is the lack of volunteer first responders.
- The Town of Huntington amended the affordable housing eligibility guidelines to include a preference for first responders.
- In August 2024, the Town amended its Code to grant volunteer firefighters and emergency medical technicians in good standing in any Suffolk County town priority on the Town's affordable housing registry.

### Infrastructure:

The Town of Huntington will continue its ongoing efforts to improve and extend the Town's infrastructure.

- The New York State, Suffolk County, and Town of Huntington collaborative \$66.8 million Huntington Station Hub Sewer Infrastructure Project is expected to commence work by January 2025 and be completed by December 2027. The project will span the New York Avenue / Route 110 corridor heading south from the Huntington LIRR station to 14th Street, with additional adjacent parcels to the east and west. The system would connect to the Bergen Point Wastewater Treatment Plant in West Babylon.
- Further development of a Municipal Storm Sewer System (MS4) and GIS database to support town departments with compliance with federal, state, and local Clean Water Act reporting requirements. The Department also took over the primary responsibilities for reporting to the NYSDEC our annual MS4 progress and implementing compliance programs. The Department is also the primary liaison with professional services vendors acquired to assist in our compliance efforts.
- The Local Waterfront Revitalization Program (LWRP) is an extension of the New York State's Coastal Management Program that reflects and addresses local issues and opportunities within the designated Waterfront Revitalization Area (WRA). An LWRP includes a detailed description of the condition of the WRA, policies to guide development within the WRA, proposed regulations supporting land and water uses within the WRA, proposed projects that will protect and enhance the uses within the WRA, and opportunities for public and private investment in the area. The Town will continue to draft sections of the Local Waterfront Revitalization Plan in cooperation with the NYS Department of State.

### ◆ 2025 Goals:

#### The Town Supervisor's 2025 goals include the following:

- Maintain the Town's strong financial position.
- Preserve the suburban integrity of the Town and prevent land-use abuse, which negatively impacts the quality of life and overburdens our infrastructure.
- Revitalize Huntington Station, including the James D. Conte Community Center; the renovation of Alfred J. Walker Memorial Park, and progress on the Huntington Station sewer system.
- In 2025, we plan to continue to improve Town Parks and adding ADA compliance where appropriate. Town Parks to be included in 2025 are:
  - William Byrne Park
  - Columbia Street Park

# Town Supervisor

## Edmund J. Smyth, Town Supervisor

- Koster Park
- Dix Hills Park
- The Town also plans to upgrade lights & sound system at Chapin Rainbow Stage at Heckscher Park.
- Continue to preserve open space and invest in park improvements, including the pursuit of grants and intergovernmental partnerships to achieve these goals.
- Find cost-savings by making improvements in-house, refurbishing equipment, vehicles, and floating docks to extend their lifespan, cutting red tape, and finding creative ways to take the burden off the taxpayer, including interdepartmental sharing and collaboration, and expanding the use of shared services.
- Maintain the Town's leadership role in climate-smart initiatives as a Bronze-certified Climate Smart Community to increase the Town's energy efficiency and decrease its carbon footprint in the Town's quest to achieve Silver certification status.
- Improve maritime infrastructure in the Huntington Harbor Complex, specifically bulkheads and marinas, to revitalize our waterfront-driven economy.
- Implement an "Apples to Apples" neighborhood revitalization program, giving property owners a tax incentive for energy-efficient home improvements, encouraging investment in single-family homes to create jobs and reduce neighborhood blight (this is a long shot).
- Increase ridership and put more "Cheeks in the Seats" on the Town's HART Bus fixed route transit system to offset Huntington Area Rapid Transit's fixed operational costs, promote sustainable transportation, and reduce traffic congestion.
- Expand the Town's Affordable Housing Program to establish an Affordable Housing Trust Fund with a down payment program to help far more people achieve homeownership.
- Continue a focus on recycling initiatives as part of a plan to address the solid waste disposal crisis.

### Environment & Water Quality:

- In 2025, the Town will continue to implement recycling collection strategies that maximize revenues from the sale of recycled paper and cardboard and minimize the economic impact of the depressed recycling markets for glass, metal, and plastics while still preserving the Town's commitment to the environment.
- Annually, the Town collects almost 4,500 tons of plastic, glass, and can recyclables, 5,800 tons of paper and corrugated cardboard, and 7,500 tons of yard waste each year.
- In 2020, NYS set maximum contaminant levels for perfluorooctanoic acid (PFOA), perfluorooctanesulfonic acid (PFOS), and 1,4-dioxane.
- The Town will work with our Water Districts to procure funds to combat water contaminants and improve filtration.
- Over the next five-years the Town and the Dix Hills Water District plan on investing over \$25,000,000 on combatting water contaminants.
- This investment will allow the water district to be ahead of the current and future treatment requirements of the State of New York.
- The overall goal is to deliver zero contaminants in the Town's water supply.
- Energy efficiency and environmentally smart programs, reduce the Town's carbon footprint resulting in energy cost savings.
- The Town of Huntington has worked diligently to help improve water quality through various means.

# Town Supervisor

## Edmund J. Smyth, Town Supervisor

- From working with the County and each Town water district, to taking an organic approach, every day the Town of Huntington is making a difference in our water quality.
- But, the out-of-the-box thinking and progressive approach of our Maritime Department are making the most sustainable, exciting impact.
- By establishing a sustainable oyster population and enhance marine habitat, the Town of Huntington is making strides in water quality that is getting international attention.
- From the Floating Upweller System (FLUPSY) to the growth and harvesting of Sugar Kelp and spat-on shells to create a network of spawner sanctuaries in closed waters to protect and grow sea life, Huntington’s Maritime Department, in conjunction with REACH (Rotary Huntington Environmental Action Coalition of Huntington), is taking a leadership role in water quality initiatives.
- Each new initiative we take ensures clean, safe, reliable drinking water for our residents and beyond. These water quality programs are proven investments in the Town’s water quality for today and, hopefully, long into the future. Each step, each new initiative we take.

### The Youth Bureau’s 2025 Goals include the following:

- Provide community impact programs and services for youth as per contractual agreement.
- Develop new youth programs to meet the emerging needs of the community as per contractual agreement.
- Plan and implement youth development services and initiatives for youth as per contractual agreement.

### The Town Historian’s 2025 Goals include the following:

- Research and write the text for the installation of one or more additional historical markers.
- Pursue grants for the restoration of grave markers in the Old Burying Ground.
- Prepare for the celebration of the 250th anniversary of the American Revolution.

### ◆ Performance Measures:

The performance measures that will be used to measure progression toward departmental goals are as follows:

- Monitor and track the number of community impact programs and track attendance

Description	2022	2023	2024 (estimated)
# of community impact programs	92	99	90
Attendance at community impact programs	12,387	12,989	10,000

# Town Supervisor

## Edmund J. Smyth, Town Supervisor

- Monitor and track the number of Youth Development programs and track attendance

Description	2022	2023	2024 (estimated)
# of Youth Development programs	224	223	200
Attendance at Youth Development programs	2,503	2,779	2,000

- Monitor the number of overall youth services and programs offered and track attendance

Description	2022	2023	2024 (estimated)
# of overall Youth Bureau programs	595	626	500
Attendance at Youth Bureau programs	21,104	25,743	20,000

The performance measures for the Town Historian used to measure progress toward departmental goals are as follows:

	2014	2015	2016	2017	2018	2019	2020	2021	2022	2023
Historic Markers Installed	0	1	4	2	4	3	3	4	3	0

Scott R. Spittal, PE, Director

---

---

## ◆ Departmental Mission:

The Transportation and Traffic Safety Department is comprised of three divisions. The mission of the department is to promote safe transportation and mobility services for the Town of Huntington residents. The HART Bus Division is responsible for administering and operating the Huntington Area Rapid Transit (HART) bus system that provides public transportation throughout the Town of Huntington. The Traffic Safety Division is responsible for the installation and maintenance of the town's traffic control devices, which includes traffic signals, stop signs, and pavement markings. The Street Lighting Division is charged with the safe and efficient operation and maintenance of the Town's streetlights. Effective administration of these divisions supports the Town's strategic goal of investing in the Town's assets and enhancing the long-term quality of life within the Town.

## ◆ Legal Authority:

The Town Board, via resolution #2007-713, created the Department of Transportation and Traffic Safety in December 2007. Chapter 65 establishes the Department and defines its powers and duties. Local Law No. 44-2007 amended Local Law No. 39-2007, amending the code of the Town of Huntington to add Chapter 65, Department of Transportation and Traffic Safety.

## ◆ Operating Environment:

**Traffic Safety Division:** The Traffic Safety Division currently responds to issues raised by town residents regarding traffic and traffic safety. Resolutions of these issues require traffic studies, field investigations and design. Traffic studies are performed to improve motorist and pedestrian safety. Typically, the studies include a review of crash data, collection of vehicle speed, volume, and classification data, and a field investigation of existing conditions, including signs and pavement markings. The purpose of the traffic study is to improve safety. This is accomplished by making improvements to traffic signals, installing regulatory and warning signs, pavement markings, and implementing various traffic calming measures.

**Huntington Area Rapid Transit (HART) Bus System:** HART operates and maintains twenty-six passenger vehicles used in the town's fixed-route and paratransit transportation services.

HART passenger transportation services include:

- Four regularly scheduled fixed routes for the general public.
- A town-wide American Disabilities Act (ADA) compliant paratransit program that provides both ADA-mandated and non-ADA services to disabled and/or elderly persons who are unable to utilize regularly scheduled bus routes.
- Various special event transportation services.
- Evacuation/emergency support services as needed.

The increase in the senior population in the Town will continue to necessitate the expansion of paratransit services in order for the Town to meet the demand and remain ADA compliant. HART also assists the

---

---

# Transportation & Traffic Safety

---

**Scott R. Spittal, PE, Director**

---

Town's Division of Senior Citizens Services by delivering meals to those residents who qualify for the Home Delivered Meal program.

**Street Lighting Division:** The Street Lighting Division maintains approximately 20,000 streetlights within the Town of Huntington, including streetlights on Town, County, and New York State roadways. This division is also responsible for maintaining lighting in all municipal parking areas and garages. The division also reviews exterior lighting designs submitted with new commercial site plan applications.

## ◆ Workload Indicators:

The workload of the Department includes, but is not limited to:

### Traffic Safety Division

- Installing new traffic control signals at various locations.
- Maintaining approximately 287 traffic control devices, including traffic signals, flashing signals, school speed zone flashing beacons, driver feedback signs, and fire/emergency preemption signals.
- Conducting traffic studies to help assess traffic calming, turning movement, and volume studies.
- Apply for grant funds from the Federal, State, and County levels of government.
- Review Town-wide traffic signs and pavement markings for compliance with the Federal MUTCD and State supplement and for traffic safety.
- Review site plan applications with an emphasis on motorized and non-motorized traffic and pedestrian flow conditions.

### HART Bus System

- Provide approximately 48,600 vehicle hours per year of public transportation service.
- Supply approximately 50,000 rides to the public with regularly scheduled buses.
- Supply approximately 45,700 trips for the almost 2,800 disabled persons and senior residents currently registered for the paratransit program, their traveling companions, and personal care attendants.
- Due to the pandemic, the need for home-bound meals increased. HART delivered approximately 36,000 meals to homebound seniors in need.
- Maintain revenue and non-revenue vehicle fleet.

### Street Lighting Division

- Maintain and repair defective streetlights, including underground wiring, throughout the Town of Huntington in an efficient and timely manner.
- Upgrade the Town of Huntington streetlights to more energy efficient LED fixtures.
- Identify and install new streetlights as necessary to maintain security and motorist and pedestrian safety.

---

---

# Transportation & Traffic Safety

---

Scott R. Spittal, PE, Director

---

---

## ◆ 2024 Achievements:

Significant achievements made by the Department of Transportation and Traffic in 2024 include the following:

### **Traffic Safety Division:**

- Design and upgrade traffic signals at the intersections of Woodbury Road at High Street, Vernon Valley Road at Bellecrest Avenue, East Rogues Path at Whitson Road, Maplewood Road at East Rogues, Old Country Road at Foxhurst Road, Round Swamp Road at Old Country Road, West Shore Road at Southdown Road.
- Continued maintenance of the GIS inventory system for Town-owned traffic control devices.
- Advance the effort with support from the IT Department to implement the Town's work order management system, Cartegraph, to maintain traffic sign assets.
- Continued expanding the Speed Awareness and Enforcement Program that is a joint effort between the Town of Huntington Department of Transportation and Traffic Safety and the Suffolk County Police Department (SCPD). The goal of this program is to make drivers aware of their speed by installing portable Driver Feedback Devices at locations, followed by enforcement by the SCPD. Driver Feedback Devices (DFDs) are placed at locations within the Town that have known speeding problems for approximately 2 weeks.
- Continued to upgrade traffic signals from incandescent to energy-saving LED fixtures.

### **Huntington Area Rapid Transit (HART) Bus System:**

- Continued to maintain the bus fleet in a state of good repair.
- Continued to evaluate the ridership using the fixed route service.
- Replaced a portion of both fixed and paratransit fleet vehicles.
- Completed the design phase to install a fuel pump and underground tank to dispense regular gasoline at the HART Bus Facility.
- Advanced services related to a contract with a new vendor to maintain and advertise on the Bus Shelters and to implement an advertising commercial bench program.
- Purchased a new Scheduling GIS Software system to help assist our paratransit services.

### **Street Lighting Division:**

- The Division is continuing to install energy-efficient LED fixtures to upgrade its inventory. By replacing old, inefficient high-pressure sodium and Induction streetlights with energy-efficient LED technology streetlights, the department has installed more than 1,500 energy-efficient LED fixtures throughout the Town of Huntington.
- We have continued to utilize a GIS inventory System to efficiently track our inventory of lighting fixtures and their locations. All updated LED fixtures are being imputed to GIS system.
- Installed new underground wiring in response to problem outages.

---

---

# Transportation & Traffic Safety

---

Scott R. Spittal, PE, Director

---

---

◆ **2025 Goals:**

The Department's 2025 goals include the following:

**Traffic Safety Division:**

- Design and upgrade traffic signals at the intersections of New York Avenue at Old Country Road, Vernon Valley Road at Bellecrest Avenue, Old Country Road at Old East Neck Road, New York Avenue at Old South Path, and Old South Path at Altessa Boulevard.
- Upgrade traffic signals from incandescent to energy-saving LED fixtures.
- Installed wireless communications interconnect along New York Avenue and Old Country Road to integrate traffic signals into the Town's traffic signal central management system.
- Implement the Town's work order management system Cartegraph to maintain traffic signal assets and have the Town's traffic signal maintenance contractor utilize it for work orders and routine maintenance.
- Purchase additional portable Driver Feedback Devices to expand the Speed Awareness Program.

**Huntington Area Rapid Transit (HART):**

- Purchase buses for fixed route and paratransit to expand the fleet and increase spare margin.
- Place newly designed HART Route Stop Signs along their designated stops.
- Coordinate with a consulting firm to advance the design phase to install a fuel pump at the HART Bus facility.
- Award a contract to a new vendor to advertise on the HART Buses.
- Award a contract to a vendor to complete a system-wide route study.
- Continue to replace revenue vehicles.

**Street Lighting Division:**

- Continue to replace light fixtures with energy-efficient LED fixtures that are dark skies compliant. This will save electricity costs and reduce carbon footprint.
- Continue updating the Arc map to locate lighting locations, changes, and underground wire locations.
- Continue to respond to reports of damaged light poles and wiring to provide area lighting to residents.

## ◆ Performance Measures :

The performance measures that will be used to measure progress toward departmental goals are as follows:

- Monitor and track the number of traffic improvements.

Description	2022	2023	2024 (estimated)
# Traffic Control Devices Installed or Upgraded	8	12	10

- Monitor and track the number of changes to Huntington Area Rapid Transit (HART) bus system routes in accordance with the recommendations made by the Modernization Study. This initiative was implemented in 2013 and will continue to be monitored.
- Monitor and track the number of riders using the HART bus system.

Description	2022	2023	2024 (estimated)
# Bus riders	87,316	94,629	92,000

- Track the number of buses placed in service.

Description	2022	2023	2024 (estimated)
# Buses in fleet	25	24	29

- Monitor and track the number of energy efficient fixtures.

Description	2022	2023	2024 (estimated)
Total Number of fixtures	20,922	20,922	20,922
# Energy Efficient fixtures	20,100	20,300	20,400

- Monitor and track the number of street light locations entered into the Town's GIS System.

Description	2022	2023	2024 (estimated)
Total Number of Streetlight locations	20,922	20,922	20,922
# Streetlight locations entered in GIS	20,922	20,922	20,922

# Debt Information

## Town of Huntington Debt Information

### Authorized Debt

The Town of Huntington takes a planned and programmed approach to the management of its outstanding debt. General Obligation Bonds are issued to finance capital improvements or capital assets and will not be issued to finance current operations or normal maintenance. Effectively managing debt preserves the Town’s credit rating, provides flexibility in current and future operating budgets, and provides funding for long-term assets that maintain and improve quality of life.

The Town’s Debt Policy may be found in the “Financial Policies” section of this document. The Town has the authority to issue debt in all taxing districts and is backed by the full faith and credit of the Town.

Debt must be kept within 7% of the average full valuation of taxable real estate within the Town as prescribed by Local Finance Law §104. Debt Service is limited to 15% of the aggregate budgetary appropriations.

Fiscal Year	Net Assessed Valuation	State Equalization Rate	Full Valuation
2024	\$ 314,041,349	0.55%	\$ 57,098,427,091

# Financial Policies

# **Town of Huntington**

## **Financial Policies**

The Town of Huntington's financial policies below set forth the basic framework for the overall fiscal management of the Town. Budgets are adopted and financial statements are issued on the basis of Generally Accepted Accounting Principles (GAAP). These policies provide guidelines for sound financial management and establishes clear parameters for the operation of government that are reviewed annually. The Town complies with all Federal, State, and Local laws and regulations for financial management, and such laws have been incorporated into the Town's policies.

### **Fund Balance and Reserve Policy**

#### **1. Purpose**

This policy establishes guidelines to maintain the General Fund unreserved, undesignated fund balance at a level sufficient to provide the required resources to meet unforeseen operating cost needs and to absorb fluctuations of revenue sources. Fund Balance is defined as the difference between a fund's assets and liabilities and is necessary for expenses related to emergencies and unexpected events and to enhance the Town's financial position and bond ratings. The financial community, especially the credit rating agencies, attaches considerable importance to adequate fund balances and policies to monitor and manage those fund balances.

Town Law §107(1) permits municipalities to retain up to a reasonable amount of any remaining estimated unappropriated unreserved fund balance for each fund, consistent with prudent budgeting practices, necessary to ensure the orderly operation of its government and the continued provision of services.

The New York State Comptroller, the Government Finance Officers Association ("GFOA"), and the major credit rating agencies all recommend that governments adopt and adhere to a fund balance policy.

#### **2. Policy**

The Town Board will make all reasonable efforts to maintain an unreserved, undesignated fund balance in the General Fund at the end of each fiscal year equal to 10% of its total operating budget. Ten percent is prudent, reasonable, and adequate to provide sufficient cash flow to offset certain volatile revenues, expenses, and unexpected capital needs. The calculation will be based on the General Fund's Annual Operating Expenses, exclusive of the Open Space Budgeted Expenditures.

The Town Board may, by resolution, appropriate funds from the fund balance that would result in reducing the balance below 10% for emergencies or other requirements that the Town Board believes is in the best interest of the Town. Subsequent to such appropriation, the Town would immediately begin the process of reducing expenditures or raising revenues in order to restore the unreserved fund balance to 10%. Such unreserved fund balance will be exclusive of any reserve funds maintained by the Town.

Undesignated, unreserved fund balance above 10% may be appropriated for the following purposes such as:

- A. Stabilizing subsequent year's property taxes.
- B. One-time capital expenditures.
- C. Emergencies caused by natural occurrences such as hurricanes or blizzards.
- D. Unforeseen operating expenditures.

The Town of Huntington has established a number of formal reserve funds for a variety of purposes pursuant to New York State General Municipal Law §6 (“GML”). The Town has established the following operating reserve accounts by Town Board resolution: Employee Benefit Reserve, Pension Contribution Reserve, Debt Reserve, Snow & Ice Reserve, and a Judgment & Claims Reserve. These reserve funds can be utilized to smooth out future expense increases. The Town Board has established the following capital reserve accounts by resolution: Parks & Recreation Reserve, Technology Replacement Reserve, and a Miscellaneous Capital Reserve that will be utilized for capital purchases.

Town Board Resolution, pursuant to GML, must establish all reserve accounts, and Town Board resolutions are required to spend money from these reserve accounts.

### **3. Procedures**

The Department of Audit & Control will be responsible for reviewing, monitoring and projecting fund balances and reserves on a regular basis throughout the year. Fund Balance and reserve projections will be revised and reported on each Tri-Sectional report issued during the year.

## **Budget Policy**

### **1. Purpose**

This policy establishes guidelines to develop, prepare, and maintain the Town’s annual budget and to promote sound fiscal planning based on comprehensive historical and current economic data.

### **2. Policy**

#### **A. Balanced Budget**

The Town shall prepare an itemized annual operating budget for each fund. The annual operating budget will be balanced with current revenues equal to or greater than current expenditures. In any fund in which expenditures exceed revenue, fund balance, and reserve balances may be used to meet shortfalls to the extent available. The annual operating budget process and format shall be performance-based and focused on goals, objectives, and performance indicators.

In accordance with §106 of Town Law, a tentative budget must be submitted to the Town Clerk on or before September 30<sup>th</sup> of each year. The content of the preliminary budget shall be in the format prescribed by the State Comptroller in accordance with §107 of Town Law. The Town Board adopts an annual budget for each fund based on budget requests submitted by each Department Director, who have accurately identified and justified their fiscal needs as part of the annual budget process. A notice of hearing that states the time and date where the public hearing will be held, the purpose thereof must be posted no later than five days before the day of the hearing. The budget must be adopted by resolution of the Town Board no later than November 20<sup>th</sup> of each year.

#### **B. Operating Budget Transfers**

Budget transfers are a useful and necessary management tool that permits reallocation of funds within the budget in order to respond to changing circumstances, unanticipated needs, and price increases.

Department Directors are authorized to request the Comptroller transfer operating budget appropriations from one line item to another within the same fund.

Department Directors are not authorized to request transfers from full-time salaries, part-time salaries, benefits, or utilities.

The Comptroller, after reviewing the necessity of the transfer and will insure the funds are available, is authorized to complete transfers in the operating budget of up to \$5,000 from one-line item to another.

Town Board approval is required for transfers of \$5,000 or more in the operating budget, except for year-end transfers that are required to close the Town's accounting records. Year-end transfers require the Comptroller's electronic approval.

**C. Capital Budget Transfers**

Department Directors are authorized to request the Comptroller to transfer Capital Budget appropriations from one object code to another for the same project.

The Comptroller, after reviewing the necessity of each transfer and that the funds are available, is authorized to complete transfers from one object code to another for the same project or purpose.

The Comptroller is authorized to transfer up to \$20,000 of remaining Capital Budget appropriations for completed projects funded with the Town's reserves to other projects requiring funding. Remaining balances will be returned to the original funding source.

Any portion of bond proceeds, inclusive of premiums, that is not expended for the purpose for which the bond was issued must be applied only to the payment of the principal and interest on such obligations, respectively, and cannot be transferred to a different project in accordance with §165.00 of the Local Finance Law.

**D. Budget Amendments**

Amendments to the Town's adopted operating budget require an approval by Town Board resolution and the Comptroller's electronic approval.

**E. Personal Services Budget**

An approval by Town Board resolution amending the operational budget is required to abolish, create and upgrade positions.

### 3. Procedures

#### A. **Budget Development Calendar**

Annual budget preparation for the ensuing fiscal year is performed in accordance with §106 of Town Law as follows:

<u>Months</u>	<u>Action</u>
January to April	<ul style="list-style-type: none"><li>• Comptroller closes the books on the prior fiscal year</li></ul>
May	<ul style="list-style-type: none"><li>• Issuance of Annual Comprehensive Financial Report (ACFR)</li><li>• Submit ACFR to GFOA</li></ul>
June	<ul style="list-style-type: none"><li>• Budget preparation for the ensuing fiscal year begins</li><li>• Budget materials distributed to Town Departments</li></ul>
July to August	<ul style="list-style-type: none"><li>• Town Department's budget submissions are evaluated</li><li>• Supervisor and Comptroller review budget submissions with the Department Heads.</li></ul>
September	<ul style="list-style-type: none"><li>• Town Supervisor submits Tentative Budget to the Town Board and files with the Town Clerk no later than September 30<sup>th</sup></li></ul>
October	<ul style="list-style-type: none"><li>• The Town Clerk presents the Tentative budget to the Town Board no later than October 5<sup>th</sup></li></ul>
October/November	<ul style="list-style-type: none"><li>• Town Board holds public hearings and reviews preliminary budget for the ensuing fiscal year</li></ul>
November	<ul style="list-style-type: none"><li>• Town Board adopts a budget for ensuing year no later than November 20<sup>th</sup></li></ul>

#### B. **Budget Transfer Requests**

For internal control purposes, budget transfers of \$5,000 or less require the following approval process:

- All transfer requests must be entered electronically into the accounting software by the requester.
- The Department Director or Assistant Department Director must approve the transfer by releasing the transfer electronically.
- The Comptroller or the Deputy Comptroller must approve each transfer by releasing the transfer electronically.
- Budget transfer requests of more than \$5,000 require an approved Town Board resolution:
  - Department Directors must submit a draft resolution and sponsor's memo for budget transfers of more than \$5,000 to the Comptroller for fiscal review and to the Supervisor's office for inclusion on the Town Board Agenda.
  - Upon Town Board approval, the Comptroller's office will enter the transfer electronically, release, and post it in accordance with the approved resolution.

#### C. **Personal Services Budget**

Full-time positions require an approval from the Supervisor:

1. The Department Director may submit an Employee Action Form (EAF) to the Comptroller.
2. The approved EAF will be submitted to the Supervisor's Office for final approval.
3. The Supervisor will submit the approved EAF to Personnel for processing.

#### **D. Post Budget Adoption Monitoring**

Department Directors are responsible for effectively monitoring their operations to ensure that actual results meet budget expectations. Department Directors should immediately take all necessary actions to address and remedy negative budget variances, including requesting budget transfers.

The Comptroller's office will meet with all Department Heads and perform a comprehensive review of the budget on a quarterly basis.

Tri-Sectional Budget reports are issued by the Comptroller's Office quarterly, reporting variances to the adopted budget.

### **Investment Policy**

#### **1. Purpose**

This policy establishes guidelines for investing, monitoring, and reporting Town of Huntington funds while maximizing the return on the taxpayer dollar being entrusted to its care. This policy applies to all money and other financial resources available for investment on its own behalf or on behalf of any other entity associated with the Town for which it has oversight authority. The basic objectives of this policy are to conform investments to all applicable federal, state, and other legal requirements, schedule investments to meet the Town's cash requirements, timely deposit of funds, invest surplus funds to maximize returns as allowed by law and minimize risk.

#### **Authority**

The Town Supervisor (Chief Fiscal Officer) has delegated responsibility for administration of the investment program to the Director of Audit and Control/Comptroller who has established procedures for the operation of the investment program consistent with this policy. Such procedures include a strict internal control structure to provide a satisfactory level of accountability based on records incorporating description and amounts of investments, transaction dates, and other relevant information, and to regulate the activities of subordinate employees.

The primary State statutes that establish the legal authority governing the deposit and investment of public monies are:

#### General Municipal Law:

§10 – Deposits of Money

§11 – Temporary Investments

§39 – Investment Policies for Local Governments

Art. 5G – Municipal Cooperation

#### Banking Law:

§107-a – Security for Public Deposits

#### **2. Policy**

##### **Investment Types:**

Pursuant to General Municipal Law §11, the Town of Huntington is authorized to invest monies not required for immediate expenditure for terms not to exceed its projected cash flow needs limited to the following types of investments:

- A. Time deposit accounts (NOW and Money Market) that are fully collateralized in a bank authorized by the Town Board to do business with the Town.
- B. Certificates of Deposit that are fully collateralized and issued by a bank authorized by the Town Board to do business with the Town.
- C. Obligations of the United States of America
- D. Obligations of the State of New York
- E. Obligations guaranteed by agencies of the United States of America where the payment of principal and interest are guaranteed by the United States of America
- F. Repurchase agreements are authorized subject to the following restrictions:
  - 1. All repurchase agreements must be subject to a Master Repurchase Agreement.
  - 2. Trading partners are limited to banks or trust companies authorized to do business in New York State and primary reporting dealers.
  - 3. Obligations are limited to obligations of the United States of America and obligations of agencies of the United States of America where principal and interest are guaranteed by the United States of America.
  - 4. No substitution of securities will be allowed.
  - 5. The custodian shall be a party other than the trading partner.

All investments shall be redeemable at the option of the Town of Huntington within such times as the proceeds will be needed to meet expenditures for purposes that the monies were provided and, in the case of obligations purchased with the proceeds of serial bonds or notes, shall be payable or redeemable at the option of the Town of Huntington within two years of the date of purchase.

Diversification:

It is the policy of the Town of Huntington to diversify its deposits and investments by financial institution when appropriate, by investment instrument, and by maturity scheduling in the best interest of the Town.

Arbitrage and Derivatives:

The Town cannot issue bonds to borrow at a low interest rate and invest at a higher interest rate. The Town will comply with the New York State Comptroller's position that borrowing for the sole purpose of investing is contrary to public policy and an abuse of the tax-exempt feature of local government borrowings.

The Town of Huntington does not and will not engage in the use of any derivative products.

Internal Controls:

The Town of Huntington has established and maintains an internal control structure to provide reasonable but not absolute assurance that all deposits and investments are safeguarded against loss. These transactions are executed in accordance with management's authorization, recorded properly, and managed in compliance with applicable laws and regulations.

Designation of Depositories:

Authorized financial institutions and the appropriate limits that can be made with each financial institution must be approved by a Town Board resolution. All financial institutions must be authorized to do business within the State of New York. All financial institutions with which the Town of Huntington conducts business must be credit-worthy.

All banks doing business with the Town do so on a free-service-charge basis (except for paying agent fees for debt service). In addition, the Town uses an electronic cash management system to wire monies to various town accounts and to make payments. These wires are free of service charges and meet the State's objective of minimizing service charges.

All banks doing business with the Town must collateralize all amounts held by them in excess of the Federal Deposit Insurance Act (FDIC) amount.

Collateralizing of Deposits:

In accordance with General Municipal Law §10, all deposits of the Town of Huntington, including certificates of deposit, in excess of the amount insured under the provision of the Federal Deposit Insurance Act shall be secured:

- A. As provided by GML §10, a pledge of "eligible securities having in the aggregate a market value at least equal to the aggregate amount of public deposits" from the categories designated as follows:
  1. Obligations issued, or fully insured or guaranteed as to the payment of principal and interest, by the United States of America, an agency thereof or a United States government sponsored corporation.
  2. Obligations partially insured or guaranteed by any agency of the United States of America, at a proportion of the Market Value of the obligation that represents the amount of the insurance or guaranty.
  3. Obligations issued or fully insured or guaranteed by the State of New York, obligations issued by a municipal corporation, school district, or district corporation of New York, or obligations of any public benefit corporation, which under a specific State statute may be accepted as security for a deposit of public monies.
  4. Obligations issued by states other than New York of the United States rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization.
  5. Eligible surety bond payable to the Town of Huntington executed by an insurance company authorized to do business in New York State, whose claims paying ability is rated in the highest rating category by at least two nationally recognized statistical rating organizations.
  6. Commercial paper and/or bankers acceptances issued by a bank (other than the bank with which the money is deposited) rated in the highest short-term category by at least one nationally recognized statistical rating organization and having maturities of not longer than sixty days from the date they are pledged.
- B. Irrevocable letter of credit in the amount of 140% of the aggregate total of deposits issued in favor of the local government by a bank whose commercial paper/unsecured short-term debt is rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization.
- C. Irrevocable letter of credit in the amount of 100% of the aggregate total of public deposits issued in favor of the local government by a Federal Home Loan Bank whose commercial paper/unsecured short-term debt is rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization.

Eligible securities used for collateralizing deposits shall be held by the depository and/or a third-party bank or trust subject to security and custodial agreements. The security agreement shall provide that the eligible securities are being pledged to secure Town of Huntington deposits and state any agreed-upon interest or costs. It shall also provide the conditions under which the securities may be sold, presented for payment, substituted, or released and the events that will enable the local government to exercise its rights against the pledged securities.

Collateral is monitored by the Comptroller's Office, a division of the Department of Audit and Control.

### **3. Procedures**

The Director of Audit & Control/Comptroller is responsible for evaluating the financial position and maintaining a list of proposed depositories, trading partners, and custodians. Banks shall provide their most recent Consolidated Report of Condition (Call Report) at the request of the Town of Huntington. Security dealers not affiliated with the bank shall be required to be classified as reporting dealers affiliated with the New York Federal Reserve Bank, as primary broker-dealers. Such listing shall be evaluated on an ongoing basis.

#### Cash Flow:

All bank balances are confirmed daily, and a bank balance schedule is prepared showing both the balances in depositories and investments currently held, along with their respective maturity dates.

The bank balance schedule is then expanded into a cash flow projection schedule. The balances are used as a guide to which anticipated revenues are added and expected disbursements are subtracted.

Unanticipated revenues or disbursements affect investments, and the balances are adjusted accordingly. Additional input may be solicited from various departments with direct knowledge of particular revenues and disbursements, as seasonal revenues and disbursements must be considered to maximize the Town's investments.

Available balances are used as the fiscal year draws to a close. A sufficient level of cash in the money market or "NOW" checking accounts must be maintained to meet the town's operating needs.

#### Purchase of Investments:

The Director of Audit & Control/Comptroller is authorized to contract for the purchase of investments, and an investment schedule is maintained on a weekly basis and reconciled to investment statements:

- A. Directly, including through a repurchase agreement, from an authorized trading partner.
- B. By participating in a cooperative investment program with another authorized governmental entity pursuant to Article 5G of the General Municipal Law where such program meets all the requirements set forth in the Office of the State Comptroller Opinion No. 88-46 and the specific program has been authorized by the governing board.
- C. By utilizing an ongoing investment program with an authorized trading partner pursuant to a contract authorized by the governing board.

Certificate of Deposit:

When CDs are purchased, a determination is made regarding the amount and the length of time for which the investment will be made.

In order to determine current market rates, rate quotations are obtained from at least three banks authorized to do business with the Town of Huntington.

Funds are generally invested with the bank paying the highest rate of interest, providing that there is sufficient collateral pledged to cover the investment.

A bid sheet is prepared containing the total amount of the investment as well as the individual component parts. A bank can bid on either the total or on any combination of pieces. The bid sheet states the issue date, maturity date, number of days until maturity, and the date and time the bid is to be received. The banks being canvassed are checked off, and the person making the bid for the bank is noted.

Bids received are entered on the bid sheet exactly as received, and the winning bid is highlighted.

The bank to which the CD is being awarded is called to confirm the bid. Information as to their cover or spread and other bids is given verbally. All other participants in the bid are then called with the results. A follow-up copy of the bid sheet is sent to each participant in the bidding process.

Electronically transmitted wire transfers are used to transfer money to the winning bank. This is done on a fee-waived basis and confirmed in writing to both the bank transferring the money and the bank receiving the wire transfer.

While the principal is rolled over from one investment to the next, interest is always returned on the maturity date to the fund investing the money based on its percentage of participation.

Journal entries are set up to record any adjustments to the temporary investment account resulting from the CD transaction and verified.

Upon maturity or rollover, principal and interest are returned to the originating fund. Follow-up debit and credit memos are attached to the CD bid sheet and filed.

Repurchase Agreements:

A Repurchase Agreement (REPO) is a transaction in which a local government purchases authorized securities from a trading partner. Simultaneously, the local government agrees to resell, and the trading partner agrees to repurchase the securities at a future date. The Town of Huntington agrees upon prices and dates for the sale and resale at the time of the initial purchase. The securities purchased under a repurchase agreement are limited to federal securities authorized by General Municipal Law §11. The purchase price shall be the present market value plus any accrued interest not reflected in the market value of the securities as opposed to the face value. The Town of Huntington will only invest in repurchase agreements to buy and sell securities and shall not be the Town's main investment.

A repurchase agreement shall comply with the following requirements:

- A. The securities, unless registered or inscribed in the name of the Town of Huntington, are purchased through banks or trust companies authorized to do business in the State of New York.

- B. After ascertaining which bank will give the most favorable rate of interest, direct the custodial bank to purchase specified securities from a designated institution. The custodial bank is the bank or trust company that acts for the Town of Huntington in connection with repurchase agreements involving the investment of funds by the Town of Huntington. The custodial bank shall not be the seller of securities to the Town of Huntington.
- C. A custodial bank must be a member of the Federal Reserve Bank or maintain accounts with member banks. Usually, U.S. government securities are maintained in book-entry form in the computer system of one of the Federal Reserve Banks. All transfers of book-entry securities must be accomplished on a Reserve Bank computer record through a member of the Federal Reserve System. These securities must be credited to the Town of Huntington on the records of the custodial bank and the transaction must be confirmed in writing to the Town of Huntington by the custodial bank.
- D. Trading partners are limited to banks or trust companies authorized to do business in New York State or to registered primary reporting dealers.
- E. The Town of Huntington must have a written master repurchase agreement that outlines the basic responsibilities and liabilities of the Town (buyer), seller, and custodial bank.
- F. Agreements may be made for short periods of time, generally 1 to 14 days, and not exceed 30 days. Other more appropriate investments will be used for longer periods.
- G. Specific guidelines regarding margin maintenance have been established. Generally, the Town of Huntington will require a 1% - 2% margin requirement, meaning the security will have collateralization of 101% - 102% or more.
- H. The custodial bank then takes delivery of and maintains the securities in its custody for the account of the Town of Huntington and confirms the transaction in writing.
- I. The custodial bank shall take possession of the securities exclusively for the local government; that the securities are free of any claims against the trading partner; and any claims by the custodian are subordinate to the Town of Huntington's claim to rights to those securities.
- J. The obligations purchased by the Town of Huntington may only be sold or presented for redemption or payment by the fiscal agent bank or trust company holding the obligations upon the written instruction of the Town of Huntington.
- K. No substitution of securities is allowed.

## **Debt Management Policy**

### **1. Purpose**

This policy establishes the parameters for issuing debt as a low-cost source of capital while striving to minimize the Town's debt service and issuance costs. Defining debt limits, retaining the highest practical credit rating, meeting or exceeding all financial disclosure and reporting requirements are guidelines set forth in this policy. This policy applies to all general obligation debt issued by the Town of Huntington, debt guaranteed by the Town, and any other forms of obligation of indebtedness. Adherence to a debt management policy helps to ensure that the government maintains a sound debt position and that credit quality is protected.

### **2. Policy**

Debt will be issued to finance significant capital construction and renovation projects, land and building acquisitions, and capitalizable equipment purchases when pay-as-you-go options such as capital grants, contributions from other governments, or reserve and fund balances are not available or sufficient. Debt issuance will not be used to finance current operations or normal maintenance.

The Town of Huntington will manage its debt and sustain its financial position in order to seek and maintain the highest credit ratings possible for all categories of short- and long-term General Obligation debt that can be achieved without compromising delivery of basic Town services and achievement of Town policy objectives.

In addition to long-term debt obligations, short-term obligations (such as bond anticipation notes) may be issued to finance projects or portions of projects or to provide interim financing for projects for which the Town may ultimately intend to issue long-term debt.

Debt will be structured as follows:

- A. Net cost to the Town will be minimized given market conditions and the urgency of the capital project.
- B. Debt will be issued for the shortest period consistent with a fair allocation of costs to current and future beneficiaries or users.
- C. Debt will not be issued for periods exceeding the useful life or average useful lives of the project or projects to be financed, pursuant to applicable law and as recommended by the Town's Bond Counsel and Financial Advisor.
- D. Outstanding debt must be kept within the limits prescribed by Local Finance Law Section 104 (7% of the average full valuation of taxable real estate) and at levels consistent with its creditworthiness objectives. Currently, full valuation is approximately \$40.4 billion. This allows for total bonded debt of \$2.68 billion.
- E. Debt service expenditures will be limited and supported by local real property taxes to no more than 15% of the aggregate budgetary appropriations in any given year in order to maintain appropriate budgetary controls and to prevent imposing excessive burdens on taxpayers of the Town.
- F. Payment of overall debt service will be budgeted and paid when due in order to maintain the highest possible credit rating to the extent possible.

- G. Annual capital debt will be issued through a competitive bidding process to achieve the lowest cost and most favorable terms, given the financial structure and market conditions. Bond refinancing and/or revenue debt are not subject to the competitive bidding process.
- H. Debt will be issued in the best interest of the Town and its citizens, ensuring that actions within the Town Board's control are prudent and beneficial.

#### Use of Bond and Note Proceeds

Bond and note proceeds shall be used only for the purpose for which the bonds were authorized by the Town Board, pursuant to the applicable bond resolution. All bond-financed projects will be reviewed continuously for compliance with applicable laws regarding use of proceeds, including provisions of the Internal Revenue Code of 1986, as amended, and the Regulations promulgated thereunder (the "Code") relating to the private use of bond-financed facilities.

#### Arbitrage Rebate

The Town will comply with all arbitrage rebate requirements as established by the Code. Arbitrage will be calculated at the end of each applicable period, pursuant to the Code and any arbitrage interest earned on the investment of bond or installment purchase proceeds will be reserved to any tax, interest or penalties due. Any such tax, interest, penalties, or other amounts due shall be paid in accordance with applicable provisions of the Code and the advice of the Town's Bond Counsel.

### **3. Procedures**

#### Debt Issuance Approval

To enhance creditworthiness and provide prudent financial planning, the Town Board will adopt a five-year Capital Budget annually. Significant capital projects that do not have sufficient funding will be funded through the issuance of debt.

Certain bond resolutions (e.g., under current law, those providing for a maximum maturity in excess of five years) are subject to a permissive referendum. Bond resolutions authorizing the issuance of debt to finance improvements for Special Districts are subject to a public hearing and other proceedings under existing provisions of the Town Law, and such Special District bond resolutions are not subject to a permissive referendum. Certain bond resolutions may be subjected to a mandatory referendum on the Town Board's motion, under existing law. In general, bond resolutions must be adopted by at least a two-thirds majority vote of the entire membership of the Town Board (regardless of any temporary vacancies on the Town Board). However, for bond resolutions subject to a mandatory referendum, a three-fifths majority vote is sufficient.

#### Debt Issuance:

The Town will retain an external financial advisor selected by the Town Board who will issue the official statements, provide financial guidance, and conduct the competitive bid process. The utilization of the financial advisor for particular bond sale will be at the discretion of the Town Board on a case-by-case basis and pursuant to the financial advisory services contract. The selection process for financial advisors will require comprehensive municipal debt experience, experience with diverse financial structuring requirements, and pricing of municipal securities.

The Town will seek the highest rating possible from at least one rating agency for each debt issue in accordance with the financial advisor's recommendations. In order to achieve the highest rating possible, the Town will provide complete and accurate financial information to rating agencies, institutional and

individual investors. The Town will meet secondary disclosure requirements on a timely and comprehensive basis.

The Town will retain external bond counsel for all debt issues. All debt issued by the Town will include a written opinion by bond counsel affirming that the Town is authorized to issue the debt, stating that the Town has met all state constitutional and statutory requirements necessary for issuance, and determining the debt's federal income tax status. Bond counsel will be selected by the Town Board and shall coordinate efforts with the Town Comptroller for the preparation of bond authorizations.

## **Capital Asset Policy**

### **1. Purpose**

This policy establishes guidelines to capitalize and depreciate long-term assets in compliance with Government Accounting Standards Board (GASB) Statement No. 34 and Government Accounting, Auditing and Financial Reporting (GAAFR). The recording of capital assets is required to provide control of and accountability of capital assets, provide a record for insurance valuation, and provide a basis for a capital replacement plan.

### **2. Policy**

Capital assets are inventoried, safeguarded, maintained, and controlled. A Capital Asset is an asset that has an initial life extending beyond one reporting period. Capital assets of \$5,000 or more will be depreciated over the useful life of the asset, and those between \$500 and \$5,000 will be expensed and recorded in the inventory system. All Capital Assets must be tagged to facilitate the tracking of all assets. The Comptroller maintains accountability over all tangible asset records, and such records will be verified by a physical inventory by each department once a year.

### **3. Procedures**

#### **A. Internal Controls**

1. Capital asset responsibilities must be distributed among several positions to maintain and control assets. Each department must have procedures in place to adequately safeguard assets from loss, waste, or misuse.
2. The Town Comptroller has the custodial and supervisory duties of the capital asset system and designates one staff member in Audit and Control as the Capital Asset Manager. The Capital Asset Manager receives all invoices for the purchase of capital assets and creates an asset in the inventory system. An asset tag is assigned and recorded in the inventory system. The tags are sent to the department who purchased and/or received the asset. The receiving department affixes the tag to the asset.
3. Each department will receive a list of its current inventory and will be required to confirm the list to its physical assets annually and provide any changes to the Internal Auditor. The Internal Auditor will perform periodic physical inventories and resolve any discrepancies.

#### **B. Asset Valuation**

1. Capital assets- including infrastructure are reported at historical cost or fair market value on the date of donation, including ancillary charges to place the asset in its intended location, installation, and capitalized interest, net of depreciation. If the cost is not available, an estimate may be used to record the capital asset. All costs should be documented, including methods and sources used to establish estimated costs.

2. Self-constructed Assets- All direct costs including Town labor associated with the construction project that meets the capitalization criteria of over \$5,000 is included in the cost of the asset.
3. Donated Assets- Assets acquired by gift, donation, or payment of a nominal sum not reflective of the asset's market value shall be assigned a cost equal to the fair market value at the time of acquisition. Fair market value represents the price actually given in current market dealings.
4. Asset System – Many assets consist of multiple components that make up the asset. This is particularly true for Personal Computer systems. The Town of Huntington has decided to value all Personal Computers as a system (CPU plus monitor). A system has the following characteristics:
  - a. Consists of multiple property sub-units which function together as a single unit.
  - b. Individual sub-unit costs are generally not significant in comparison to the total cost of the entire system.
  - c. Normally, individual sub-units would not meet the capitalization criteria. The grouping as a whole, however, qualifies as a Controlled Asset (\$500 acquisition cost).
  - d. When a sub-unit is replaced, it generally does not extend the life of the larger asset. Therefore, replacement would generally be treated as maintenance expense.
  - e. Each sub-unit is integrated and configured in such a way as to make identification of individual components difficult. Therefore, it is impractical to tag, track, and inventory each sub-unit.

#### C. Asset Classification

There are three types of capital assets that are maintained in the Town's asset inventory system:

1. Depreciable Capital Assets- Capital assets that benefit more than one fiscal period with a cost of \$5,000 or greater.
2. Non-Depreciable Capital Assets- Capital assets that benefit more than one fiscal period with a cost of more than \$500 but less than \$5,000. Land is considered a non-depreciable capital asset at any cost.
3. Depreciable Intangible Capital Assets- Identifiable assets that cannot be seen, touched, or physically present that benefit more than one fiscal period with a cost of \$5,000 or greater, such as computer software, patents, or copyrights.

Capital assets are classified in one of the following categories:

1. Land- Expenditures for the contracted cost of the land purchase and related expenses such as closing costs, broker's commission, legal fees for examining and recording ownership, cost of ownership guarantee insurance policies, cost of real estate surveys, cost of razing old buildings, structures or other improvements acquired with the property, draining, clearing, landscaping, landfilling, and grading costs. **Excluded** are fees for ownership searches, expenditures in connection with disposal of refuse, costs of utility easements, and repairs to other improvements.
2. Building and Building Improvements- Expenditures for the purchase price of acquiring an existing building, contracted construction of permanent structures, not including land. Expenses incurred in remodeling, reconditioning, or altering a purchased building to make it suitable for the purpose for which it was acquired, cost of excavation, grading, or filling of land as part of the construction of a specific building; expenses incurred for the preparation of plans, specifications, blueprints, etc., cost of building permits, architects' and

engineers' fees for design and supervision, other costs such as temporary buildings used during the construction period that are not moveable or reusable and are razed at the end of construction. Other depreciable building expenditures include but are not limited to shelving, bleachers, bathroom accessories, carpet, plumbing, sprinkler, heating, ventilating, and air conditioning systems, emergency generator systems for building support, built-in public address systems, intrusion alarm systems, fire alarm systems, and emergency lighting systems. **Excluded** are extraordinary costs that are merely incidental to the erection of the building (e.g., those due to strike, flood, fire, or other casualty), and the cost of abandoned construction. If a building is purchased, an allocation must be made between the land, improvements other than buildings, and the buildings.

3. Land Improvements- Expenditures for acquiring improvements, to land or property, whether a building exists or not, including paving, fencing, playground, tennis courts, concrete walks and steps, outside lighting, outside plumbing, irrigation systems, signs, flagpoles, outdoor bleachers, miscellaneous sheds, ball diamonds, swimming pools, retaining walls, fountains, and memorials. The amount to be capitalized is the actual dollar cost of installation or acquisition of these assets at the acquisition date, including any labor and installation fees.
4. Machinery and Equipment- Expenditures related to the acquisition of vehicles and equipment, including freight and storage charges, installation costs, and costs for testing and preparation for use. All costs incurred after acquisition but prior to placing in service, such as installation of ancillary equipment like communication devices and painting/application of logos and signage to make a fixed asset ready for use, should be capitalized as part of the cost of the asset. **Excluded** is any trade-in allowance.
5. Construction in Progress- Expenditures for construction work project, but not yet completed. As construction progresses, the cumulative expenditures are capitalized as Construction in Progress (CIP). Upon completion of the capital asset, the balance in the Construction in Progress account is transferred to the appropriate account (buildings, machinery & equipment, etc.). Projects that have not reached 100% completion will continue to be tracked as Construction in Progress. Interest cost incurred during the construction period is subject to capitalization as part of the cost of construction when conditions identified by the Financial Accounting Standards Board (FASB)-34 – Capitalization of Interest Costs exist (for Proprietary funds only).
6. Infrastructure- Expenditures for construction of major renovation to long-lived capital assets that are normally stationary in nature and can be preserved for a significantly greater number of years than most capital assets. These include roadways, bridges, drainage systems, and the cost of associated demolition.

#### D. Other Assets

1. Capital Leases – The National Council on Governmental Accounting (NCGA) requires that a lease agreement that satisfies the criteria established by FASB-13 be capitalized. FASB-13 states that non-cancelable leases that meet **ANY ONE** of the following criteria must be capitalized:
  - a. The lease transfers ownership of the property to the lessee at the end of the lease term.
  - b. The lease contains a bargain purchase option.
  - c. The lease term is equal to 75% or more of the estimated economic life of the leased property.
  - d. The present value of the minimum lease payments at the inception of the lease equals at least 90% of the fair value of the leased property.

2. Repairs, Improvements, or Betterments – Major repairs are expenditures that increase the future service potential of the asset. If a major repair will extend the life of the asset by several years, it should be handled as an improvement. If the expenditure is a replacement, a retirement must be made to the items being replaced, **only** if the replacement substantially increases the value, the capacity/capability, or useful life of an asset system. Otherwise, the replacement is treated as a maintenance expense. This includes both a reduction in Historical Cost and Accumulated Depreciation. Expenditures to repair and maintain a fixed asset in efficient operating condition without extending the asset's normal accounting life should be expensed.

#### E. Departmental Responsibilities and Asset Acquisition Procedures

Departments will be responsible for purchasing capital assets, tracking the assets under their custody, and disposing of assets in accordance with this policy. Department Heads or a designated representative will assign and advise the Capital Asset Manager of the individual(s) to be designated as the asset custodian(s), who will have the responsibility for the maintenance of the assets in that department.

Departments are responsible for:

1. Safeguarding and maintaining control over all assets in their custody.
2. Maintaining up-to-date records on asset property, including the description, user, location, tag number, purchase order number, purchased cost, and, if applicable, Grant number.
3. Attaching identification tags to asset property.
4. Returning the completed Fixed Asset Record Form to the Capital Asset Manager.
5. Notifying the Capital Asset Manager in the event that an asset is added, transferred, moved, or sold.
6. Notifying the Capital Asset Manager when surplus assets are identified for disposal.
7. Supplying the Inventory Capital Asset Manager with appropriate police reports, if assets have been stolen.
8. Properly dispose of any assets that are no longer operable.
9. Designate surplus assets and notify the Purchasing Director for auction.
10. Conduct departmental physical inventories and audits on a periodic basis but no less than once per year.

#### F. Asset Acquisitions

Requisitions and purchase orders for Capital Assets are acquired in accordance with the Town's procurement procedures as outlined below:

1. The Department will electronically enter a purchase requisition. Acquisitions are appropriated against the approved budget line based on the object code.
2. The Purchasing department will review and confirm all requisition details and issue a purchase order to the vendor.
3. Upon receipt and acceptance of the ordered item, the Department sends the voucher copy of the purchase order and the invoice to Audit & Control for processing payment.
4. A Capital Asset form is prepared and submitted with the invoices for all assets with a cost basis of \$500 or more and charged to an object code beginning with a 2. The Capital Asset form must include all asset information, including

the description of the asset, serial number, original cost, and other related account/funding information.

5. Audit & Control will record the asset in the inventory system and assign an asset tag number to the asset. The tag will be sent to the appropriate Asset Custodian.
6. The Asset Custodian will be responsible for placing the inventory tag on the equipment in a safe and conspicuous location (NOTE: Vehicles should have the bar code tag applied inside of the glove compartment). Unused identification tags must be returned to the Inventory Control Supervisor along with a memo explaining why the tag was not used.

#### G. Audit & Control Responsibilities and Procedures

Audit & Control Department is responsible to:

1. Maintain the centralized database records regarding identified asset property, which the Town has in its possession.
2. Identify all requisitions, including change orders, for assets under the scope of this procedure and record asset information in the inventory system.
3. Track and control assets and assign identification tags.
4. Schedule and provide assistance in periodic departmental audits.
5. Ensure that the policy, procedures, guidelines, and regulations governing equipment under inventory control management are followed.
6. Conduct periodic audits and physical inventories of all Town assets.
7. Provide property management reports of all assets exceeding \$500 to department heads, the Comptroller, and the Town Board.
8. Report any unresolved discrepancies in departmental asset property records to the Town Board.
9. Provide an annual report of all assets exceeding \$5,000 in purchase cost to the auditors.

#### H. Transfer of an Asset

When an asset is transferred from one department to another, the original department is responsible for notifying the Capital Asset Manager of the transfer using the Capital Asset Record Form. All transfers must include both sending and receiving Department Director approval. Assets will keep the original tag; custodial responsibility will be updated on the Asset Record. Notification will include all necessary information as shown on the Capital Asset Record Form.

#### I. Retirement of an Asset

Assets under this procedure that have been identified for disposal by a custodial department and confirmed by the Capital Asset Manager will be disposed of according to the procedure allowed under New York State law. **NO PROPERTY SHALL BE DISPOSED OF WITHOUT THE KNOWLEDGE AND WRITTEN APPROVAL OF THE CAPITAL ASSET MANAGER.**

No property with intrinsic value may be sold, disposed of, or given to any person or organization without specific approval of the Town Board. Property to be disposed of may be offered for trade-in on new purchases, destroyed and disposed of, sold by sealed bid, or auctioned. Property may be transferred between departments by mutual department head agreement and or by Town Board resolution. Each department will be responsible, for the movement and the disposition of asset property in its custodial care. The custodial department will incur all costs associated with asset property disposal.

Department Directors are responsible for notifying the Capital Asset Manager of the retirement of an asset. Notification will include all necessary information on the Capital Asset Record Form, including stolen (police report), destroyed (department head approval), lost (written explanation), and trade-in information. When multiple assets of the same kind and value are retired, a list of asset tag numbers may be attached to the Capital Asset Record Form, and “See Attached List” must be written in the Town Fixed Asset ID Number field.

#### J. Depreciation

Both Generally Accepted Accounting Principles (GAAP) and Government Accounting Standards Board (GASB) Statement No. 34 require that capital assets be depreciated. Depreciation is the systematic and rational allocation of the historical cost of a capital asset over its useful life other than Land.

Depreciation will be calculated based on the acquisition cost using the straight-line method and assumes that the asset will depreciate at the same rate each year of its useful life. Annual depreciation is calculated by dividing the acquisition cost by the useful life. One full month’s depreciation in the month in which the asset is placed in service, regardless of when it was actually placed in service, during the month, and each month thereafter. The total amount depreciated can never exceed the acquired cost, less any salvage value if applicable.

The table reflects the useful lives of various categories of capital assets that the Town uses for calculating depreciation.

#### K. Inventory Procedures

1. A physical inventory of all capital assets will be conducted at least annually. In addition, random spot checks will be made by printing several tag numbers from the inventory system and physically verifying that the assets correspond to the tag numbers. This is called “Record to Floor” verification. At the same time, several tag numbers of other assets in the audited area will be verified to the inventory system. This is called “Floor-to-record” verification. Emphasis should be placed on identifying newer assets to ensure that they are properly recorded in the inventory system.
2. The physical inventory audit will be completed by December 31 each year.
3. The bar code tags of all assets at each location will be scanned along with an indication of the property, and building. The date the asset was sighted and who performed the inventory will also be recorded.
4. Any Capital Assets found at the location without a bar-coded tag will be entered into the inventory system as a new asset. If the inventory audit determines that an asset was formally acquired and is properly in the custody of the Town but has not been recorded in the inventory system, the Capital Asset Manager will enter the asset as an “addition.” For an asset that has previously been entered into the inventory system but the tag has been removed, a new bar-coded tag will be affixed to the asset, and the system will subsequently be updated to reflect the new bar-coded tag number.
5. The Town of Huntington may retain the services of an outside firm to re-evaluate the Town’s insurable values on an as-needed basis.

# Glossary

---

## Glossary

---

### –A–

#### **ACCRUAL BASIS ACCOUNTING**

Most commonly used accounting method. Reports income when earned and expenses when incurred as opposed to cash-based accounting, which reports income when received and expenses when paid.

#### **ACTIVITY**

A program effort that contributes to the attainment of a specific set of performance objectives.

#### **ACTUAL**

Actual (as opposed to budgeted) revenues and expenses for the fiscal year indicated.

#### **AD VALOREM**

A tax, duty, or fee that varies based on the value of the product, service, or property on which it is levied.

#### **AD VALOREM TAXES**

Commonly referred to as property taxes levied on both real and personal property according to the property's valuation and the tax rate.

#### **ADOPTED BUDGET**

The financial plan for the fiscal year beginning January 1 as amended and adopted by resolution by the Town Board. The budget, once adopted, is the legal authorization to expend Town funds during the fiscal year identified.

#### **AMERICANS WITH DISABILITIES ACT (ADA)**

A Federal Law passed in 1990 prohibits discrimination in employment or the provision of services and facilities on the basis of disability.

#### **ANNUAL COMPREHENSIVE FINANCIAL REPORT (ACFR)**

A full disclosure of financial statements for state and local government finances. The Governmental Accounting Standards Board (GASB) provides the generally accepted accounting standards (GAAP) for governments to follow in their accounting.

#### **APPROPRIATION**

A legal authorization or allocation that permits officials to incur obligations against and to make expenses for defined purposes.

#### **ARBITRAGE**

The simultaneous purchase and sale of the same or an equivalent security to profit from price discrepancies. In government finance, the most common occurrence of arbitrage involves the investment of bond proceeds

in an investment that yields a higher interest rate, resulting in interest revenue in excess of interest costs.

#### **ASSESSMENT ROLL**

The official list prepared by the Assessor that contains the legal description of each parcel or item of property and its assessed valuation. This term is used to denote the total valuation of all taxable property in the Town.

#### **ASSESSED VALUATION**

The valuation set upon real estate and certain personal property by the Assessor as a basis for levying property taxes.

#### **ASSET**

Resources that have monetary value owned or held by a government.

#### **ATTRITION**

A method of achieving a reduction in personnel by not refilling the positions that have become vacant due to resignation, reassignment, transfer, retirement or means other than layoffs.

#### **AUTHORIZED POSITIONS**

Employee positions authorized in the adopted budget are to be filled during the year.

### – B –

#### **BALANCED BUDGET**

The amount of budgeted expenses is equal to or less than the amount of budgeted revenues and other available funding sources.

#### **BEGINNING FUND BALANCE**

The residual non-restricted funds brought forward from the previous fiscal year (ending balance).

#### **BENCHMARKING**

The process of critically evaluating a program's or service's activities, functions, operations, and processes (qualitatively and quantitatively) to achieve a desired level of performance. The objective of benchmarking is to introduce and sustain best practices by making valid comparisons with other processes or organizations, resulting in a continual improvement of performance.

#### **BOND**

A debt instrument issued for a period of more than one year for the purpose of raising capital by borrowing. The government obtaining the bond

---

# Glossary

---

promises to pay a defined sum of money (principal) at a specified future date (date of maturity), along with periodic interest paid at a designated percentage of the principal (rate of interest).

## **BOND RATINGS**

A number of companies assign a risk level to the bonds or debt issued by a government. Risk means the likelihood of default or nonpayment. The lower the risk of nonpayment, the lower the interest the government must pay. Some agencies give an AAA rating to the least risky government bonds. Some of the top rating agencies are Standard & Poor's Corporation, Moody's Investor Service, and Fitch Investor's Service.

## **BOND REFINANCING**

The payoff and reissuance of bonds to obtain better interest rates and/or bond conditions.

## **BOND RESOLUTION**

Town Board Resolution authorizing a bond issue.

## **BUDGET**

An estimate of adopted revenues and expenses for a specific fiscal period.

## **BUDGETARY BASIS**

This refers to the basis of accounting used to estimate the financing resources and uses in the budget. This generally tends to be accrual, modified accrual, or cash basis.

## **BUDGET DEVELOPMENT CALENDAR**

Schedule of key dates or milestones that the Town will follow to prepare and adopt the Adopted budget.

## – C –

## **CAPITAL BUDGET**

The six-year Adopted plan that includes the initial budget year and subsequent five "out-years." The Plan is updated annually to include expanded or new capital projects. It specifies Adopted projects and an estimation of resources available to fund project expenses.

## **CAPITAL PROJECT**

A major physical improvement such as construction, acquisition, technology enhancement, and/or infrastructure improvement that adds value to the physical assets of a government or significantly increases the useful life of an asset. It can also refer to building and construction of a new government asset.

## **CASH BASIS**

A basis of accounting in which transactions are recognized only when cash is received or paid.

## **COLLECTIVE BARGAINING AGREEMENT**

A legal contract between the employer and an authorized representative of a recognized bargaining unit for specific terms and conditions of employment.

## **CONSUMER PRICE INDEX (CPI)**

A statistical measure of change, over time, in the prices of goods and services in major expense groups such as food, housing, apparel, transportation, and health and recreation typically purchased by urban consumers. Essentially, it measures the purchasing power of consumers' dollars by comparing what a sample "market basket" of goods and services costs today with what the same sample market basket costs at an earlier date. The United States Department of Labor publishes the Consumer Price Index on a monthly basis.

## **CONTINGENCY**

An appropriation of funds to cover unforeseen events that occur during a fiscal crisis to address unfunded mandates, revenue shortfalls, and other similar events. In addition, funding for vacant positions are placed in the contingency account throughout the year.

## **CONTRACTUAL SERVICES**

Services rendered to a government by private firms, individuals, or other governmental agencies.

## – D –

## **DEBT**

Liability or obligation in the form of bonds, loan notes, or mortgages owed to another person(s) or government and required to be paid by a specific date (maturity).

## **DEBT LIMIT**

A statutory limitation whereby a government's net GO Bond debt cannot exceed a specified percentage of the appraised value of property subject to taxation.

## **DEBT SERVICE**

Payment of principal and interest on borrowed money (i.e., bond issuance) according to a predetermined payment schedule.

---

# Glossary

---

**DEBT SERVICE FUND**

A fund established to account for the accumulation of resources for the payment of principal and interest on long-term debt.

**DEDICATED TAX**

A tax levied to support a specific government program or purpose.

**DEFEASANCE**

A provision in an instrument that nullifies it if specific acts are performed. Example: Discharge old, low-rate debt without repaying it prior to maturity. Then, use newly purchased securities with lower face values but that pays higher interest. The objective is a cleaner (more debt-free) balance sheet and increased earnings in the amount by which the face amount of the old debt exceeds the cost of the new securities.

**DEFICIT (NEGATIVE FUND BALANCE)**

The excess of an entity's liabilities over its assets or the excess expenses over revenues during a single accounting period.

**DEPARTMENT**

A component of the Town that provides a unique program or service within it. A department may be subdivided into divisions (responsibility centers).

**DEPARTMENT REQUEST**

The budget requested by each Department for annual operations.

**DEPRECIATION**

Expiration in the service life of capital assets, attributable to wear and tear, deterioration, action of the physical elements, inadequacy, or obsolescence.

– E –

**ENDING FUND BALANCE**

Funds carried over at the end of the fiscal year to the new fiscal year. Within a fund, the revenue on hand at the beginning of the fiscal year, plus revenues received during the year minus expenses, equals the ending fund balance.

**ENTERPRISE FUND**

Fund type established to finance and account for the total costs of selected government facilities and services that are predominantly self-supporting by

user charges. This type of fund uses the accrual basis of accounting.

**EQUALIZATION RATE**

At its simplest, an equalization rate is the state's measure of a municipality's level of assessment (LOA). This is the ratio of total assessed value (AV) to the municipality's total market value (MV). The municipality determines the AV; the MV is estimated by the state.

**ESTIMATED EXPENSES/REVENUE**

Annualized projection of an expense or revenue.

**EXPENSE**

The cost for goods or services.

– F –

**FEES**

A charge imposed on the beneficiary or recipient of a service provided by the Town. Its purpose is to help recover some or all of the costs incurred by the Town in providing the service.

**FISCAL POLICY**

A government's policies with respect to revenues, expenses, and debt management as these relate to government services, programs, and capital investment. Fiscal policy provides an agreed-upon set of principles for the planning and programming of government budgets and related funding.

**FISCAL YEAR**

A government's twelve-month period designated as the operating year for accounting and budgeting purposes. The Town of Huntington's fiscal year is January 1 through December 31.

**FIXED ASSETS**

Assets of long-term nature intended to continue to be held or used. Examples are buildings, land, machinery, furniture, and other equipment.

**FRINGE BENEFITS**

Contributions made by a government to meet obligations for employee benefits such as health insurance, pension plans, FICA, etc.

**FULL FAITH AND CREDIT**

A pledge of a government's taxing power to repay debt obligations.

---

# Glossary

---

## **FULL-TIME EQUIVALENT (FTE) POSITION**

A full-time position or a part-time position converted to the equivalent of a full-time position based on 2,080 hours per year (or a variation relative to the contract agreed upon for that classification). For example, a part-time employee working for 20 hours per week would be the equivalent to .5 of a full-time position.

## **FUNCTIONS**

A component/department of the Town that provides a unique program or service within it. A Department may be subdivided into divisions (responsibility centers).

## **FUND**

An independent fiscal and accounting entity with a self-balancing set of accounts recording cash and/or other resources together with all related liabilities, obligations, reserves, and equities that are segregated to carry out a specific activity or purpose. Each fund is separate and maintains individual records of income and expenses. By law, expenses cannot exceed revenues.

## **FUND BALANCE**

The excess of the assets of a fund over its liabilities, reserves, and carryover.

## **FUND TYPE**

In governmental accounting, there are three broad *types* of funds with specific funds within each. These are:

- Governmental
  - General
  - Special Revenue
  - Debt Service
  - Capital Projects
- Proprietary
  - Enterprise
  - Internal Service
- Fiduciary
  - Expendable Trust
  - Non-Expendable Trust
  - Agency

– G –

## **GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP)**

A widely accepted set of rules, standards, conventions, and procedures for reporting financial

information as established by the Financial Accounting Standards Board.

## **GENERAL FUND**

The primary fund used by the Town for which revenues and expenses are not legally restricted for use. Examples of departments operating within the General Fund include the Department of Engineering, the Department of Audit & Control, and the Town Supervisor's Office.

## **GENERAL OBLIGATION BOND (GO BOND)**

Type of Municipal Bond where principal and interest are secured by the full faith and credit of the issuer and usually supported by either the issuer's unlimited or limited taxing power.

## **GOAL**

A broad operational statement of what a program expects to achieve sometime in the future, thus providing a general description of the desired end state.

## **GOVERNMENT ACCOUNTING STANDARDS BOARD – STATEMENT 34 (GASB 34)**

A Government Accounting Standards Board statement that requires two financial statements of governmental funds: a balance sheet and a statement of revenues, expenses and changes in fund balances. Of note, Statement 34 also requires that the value of infrastructure assets be shown on the balance sheet. In addition, Management's Discussion and Analysis (MD&A) is required.

## **GRANT**

A contribution by a government or other organization to support a particular function and/or purpose. Grants may come from other governments (Federal, State) or from private donors.

– H –

## **HOURLY**

Refers to an employee who fills a temporary or short-term position. Such employees provide contingency staffing for government operations during peak workloads or to fill temporary staffing needs. Hourly employees are paid on a per-hour basis and receive limited benefits.

– I –

## **IMPACT FEES**

A type of charge for services imposed on new construction in order to support specific new

---

## Glossary

---

demands on a given service (e.g., parks and fire protection).

### **INDIRECT COST**

A cost necessary for the functioning of the government as a whole but which cannot be directly assigned to one service or program area.

### **INFRASTRUCTURE**

Government facilities on which the continuance and growth of a community depend, such as roads, bridges, and similar assets that, are immovable.

### **INTEREST**

The fee charged by a lender to a borrower for the use of borrowed money is usually expressed as an annual percentage of the principal; the rate is dependent on the time value of money, the credit risk of the borrower, and the inflation rate.

### **INTEREST INCOME**

Revenues earned on investments.

### **INVESTMENT**

The purchase of a financial product with the expectation of favorable future returns.

### **ISSUE**

A bond offered for sale by a government.

– J –

### **JUDGMENT**

An amount to be paid or collected by a government as the result of a court decision.

– L –

### **LEVY**

A fixed rate for services that is imposed by a government to support its operations.

### **LIABILITY**

Debt or other legal obligation arising out of a past transaction that must be liquidated, renewed, or refunded at some future date. This term does not include encumbrances.

### **LINE ITEM BUDGET**

A budget that lists each expense category (e.g., salary, equipment, travel, etc.) separately, along with the dollar amount budgeted for each specified category.

### **LONG-TERM DEBT**

Debt with a maturity of more than one year after the date of issuance.

– M –

### **MATURITY**

The date on which the principal or stated value of an investment or debt obligation is due and may be reclaimed.

### **MISSION STATEMENT**

A broad, high-level statement of purpose for an agency/department. A mission statement defines an agency's fundamental purpose, where there is a close relationship between the description of services provided by the divisions within the agency and the planned outcomes.

### **MODIFIED ACCRUAL BASIS OF ACCOUNTING**

The method of accounting under which revenues are recognized in the period that they become available and measurable. Expenses are recognized at the time a liability is incurred pursuant to appropriation authority.

### **MODIFIED BUDGET**

The modified budget is the budget that results from the adopted budget, plus changes made in the budget after it is approved.

– N –

### **NYSERS**

New York State and Local Retirement System.

### **NYSHIP**

New York State Health Insurance Program.

– O –

### **OBJECT CODE**

A code that describes a specific expense or revenue item.

### **OBJECTIVE**

A defined method to accomplish an established goal. A true objective is identified in specific, well-defined, and measurable terms that can be achieved within a specified time frame.

### **OPERATING BUDGET**

The annual spending plan for the daily, recurring operating costs of the government.

---

# Glossary

---

**OPERATING ENVIRONMENT**

Internal and external factors that impact the Department's daily operations.

**OPERATING FUNDS**

Resources derived from recurring revenue sources and used to finance on-going operating expenses and pay-as-you-go capital projects.

**ORIGINAL BUDGET**

The adopted budget as approved by the Town Board.

**OTPS**

Other than Personal Services.

– P –

**PAY-AS-YOU-GO BASIS**

A term used to describe a financial policy where capital outlays are financed from current revenues to avoid incurring costly debt financing or issuing new debt.

**PERFORMANCE-BASED BUDGETING**

The allocation of financial resources to programs and services based on their worth, overall performance, and contribution to the Town's overall mission, goals, and objectives.

**PERFORMANCE MANAGEMENT**

The use of performance measurement information to help set performance goals, allocate and prioritize resources, inform managers to either confirm or change current policy or program directions to achieve those goals, and report on the success of achieving those goals.

**PERFORMANCE MEASURE**

A specific quantitative or qualitative assessment of results obtained through a program or activity.

**PERFORMANCE MEASUREMENT**

A process of assessing progress toward achieving predetermined goals, including information on the efficiency with which resources are transformed into goods and services (outputs); the quality of those outputs, i.e., how well they are delivered to customers and the extent to which customers are satisfied (service quality); and the qualitative results of a program activity compared to its intended purpose (outcome).

**PERIOD OF PROBABLE USEFULNESS (PPU)**

Estimation of the expected life of a capital improvement project. These are generally determined by State statute.

**PERSONAL SERVICES**

Expenses for salaries, wages, and fringe benefits of a government's employees.

**POLICY**

A principle used to guide a managerial, operational, or financial decision.

**PRINCIPAL**

The original amount borrowed through a loan, bond issue, or other form of debt.

**PRIOR YEAR ENCUMBRANCES**

Obligations from previous fiscal years in the form of purchase orders, contracts, or salary commitments that are chargeable to an appropriation and for which a part of the appropriation is reserved. They cease to be encumbrances when the obligations are paid or otherwise terminated.

**PRODUCTIVITY**

Average real output per unit of input.

**PROGRAM**

A discrete service or group of related services provided by an organizational unit designed to achieve the government's goals and objectives.

**PROJECT TITLE**

A name given to a project that is used for administrative purposes in conjunction with the project number typically captures both the nature and location of the project.

**PROPRIETARY FUND**

A fund used to account for operations that are financed and operate in a manner similar to business enterprises. Such a fund is established as a self-supporting operation with revenues provided principally from fees, charges, or contracts for services. Measurement focus is on determination of net income, financial position, and changes in financial position.

– R –

**RATE**

A value describing one quantity in terms of another. Example: *Rate* of interest.

---

# Glossary

---

## **RECOMMENDED BUDGET**

The Town Supervisor's recommendation for the Town's financial operations that includes an estimate of Adopted expenses and revenues for a given fiscal year.

## **REFUNDING BONDS**

Bonds issued to retire outstanding bonds that have a higher interest rate. Typically done to effect net present value savings.

## **REMAINING MATURITY**

The amount of time left until a bond becomes due.

## **RESERVES**

A portion of fund equity (set-aside) legally restricted for a specified purpose or not available for appropriation and subsequent spending.

## **RESOLUTION**

A formal written decision of the Town Board.

## **RESOURCES**

Total dollars available for appropriation that includes estimated revenues, fund transfers, and beginning fund balances.

## **RESTRUCTURING**

Major organizational changes aimed at greater efficiency and adaptation to changing economies, markets and stakeholder expectations.

## **REVENUE**

The taxes, fees, charges, special assessments, grants, and other funds collected and received by the Town to support its services and/or capital improvement projects.

## **RFPs**

Request for proposals.

## **RISK**

A probability estimate of loss or less-than-expected returns.

– S –

## **SATISFACTION OF DEBT**

Document issued by a lender upon complete repayment of debt.

## **SCAR**

Small Claims Assessment Review.

## **SPECIAL DISTRICT**

A designated geographic area established to provide a specialized service usually petitioned by the citizenry and approved by the Legislature.

## **SPECIAL REVENUE FUND**

Fund used to account for revenues received that have specific purposes for which they can be used.

## **STAR**

School Tax Relief.

## **STRAIGHT-LINE DEPRECIATION**

Depreciating an asset minus its salvage value by the same (fixed) amount every year over its useful life. For example: If a vehicle costs \$20,000 with a salvage value of \$2,000 and useful life of three years, it will be depreciated at a cost of \$6,000 per year.

## **STRATEGIC PLAN**

Similar to a corporate plan but not restricted to organizational boundaries. A strategic plan gives direction and cohesion to activities over a specified time frame.

## **SURPLUS**

The amount by which the government's total revenues exceed its total outlays in a given period, usually a fiscal year.

– T –

## **TAX**

Compulsory charge levied to finance services performed by the government for the benefit of the community (citizens, businesses, etc.).

## **TAX LEVY**

The resultant product when the tax base multiplies the tax rate per \$100. Revenues are less than the levy because of delinquencies, tax roll errors, and court cases contesting assessed property value.

## **TAX RATE**

The amount of tax levied for each \$100 of assessed valuations. The tax rate is applied to the assessed valuation to derive the tax levy.

## **TOWN SUPERVISOR'S BUDGET**

### **TRANSMITTAL LETTER**

The Town Supervisor's letter to the Town Board summarizing critical aspects of the budget, including fiscal changes from the current fiscal year, strategic initiatives, goals, objectives, themes, and priorities that are encompassed within the Town's budget.

---

## Glossary

---

### **TRANSFER IN/OUT**

Amount transferred from one fund to another to assist in financing the services for the recipient fund.

### **TRUST FUND**

A trust fund consists of resources received and held by a government unit as a trustee to be expended or invested in accordance with the conditions of the trust.

– U –

### **UNENCUMBERED BALANCE**

The amount of an appropriation that is neither expended nor encumbered. It is essentially the amount of money still available for future use.

### **UNRESERVED FUND BALANCE**

The portion of a fund's balance that is not restricted for a specific purpose and is available for general appropriation.

### **UPGRADE**

A positive change in ratings for an issuing entity or a security, such as a credit bureau's upgrading of a bond.

### **USEFUL LIFE**

The length of time that a depreciable asset is expected to be useable.

– V –

### **VARIANCE**

Compares the budget with the actual. The effort in government is to stay within budget and to avoid unfavorable variances, that is, where the actual collection or expense is out of line with the budget.

### **VISION**

A long-term goal which indicates the intent of the government and what it wants to achieve.

– W –

### **WORKLOAD INDICATORS**

A performance measurement category that compares output to demand (people served, transactions processed, complaints addressed).

– Y –

### **YEAR-END**

This term is used in reference to the end of the fiscal year for the Town, December 31<sup>st</sup>.

### **YEAR-TO-DATE (YTD)**

For the period that starts at the beginning of the fiscal year (January 1 for the Town) to the current date.

# Capital Budget

# Town of Huntington 2025 Capital Budget Program Narrative

The Capital Projects Fund is used to account for financial resources allocated for the acquisition, construction or renovation of major capital facilities, road rehabilitation, infrastructure improvements or the purchase of capital assets. Capital expenditures occur periodically and are spent over multiple years. This fund also includes routine capital expenditures such as townwide fencing, furniture, computer equipment and replacement of the vehicle fleet.

Capital Assets, as they are commonly referred to, are inventoried physical assets, constructed, purchased or donated to the Town valued at \$5,000 or more with a useful life of at least five years. All Capital Assets must be tagged to facilitate tracking. The Comptroller maintains accountability over all tangible asset records and such records are verified once a year by a physical inventory conducted by the department responsible for its care and maintenance.

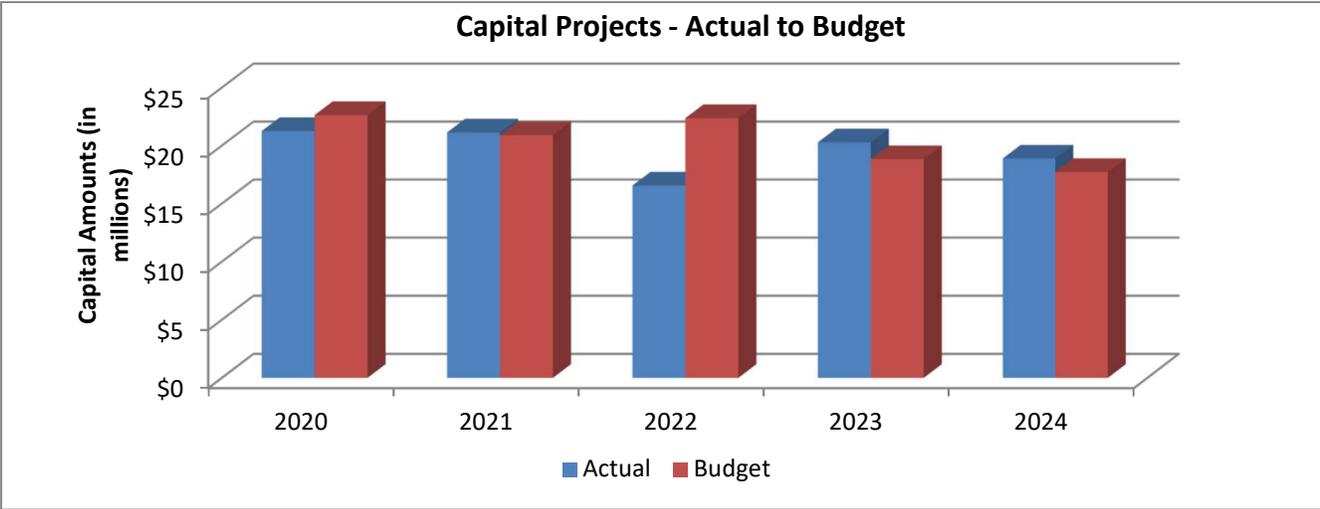

All capital projects are undertaken only after analysis of need, review of alternative options, and funding identification. The Town may fund the cost to acquire and maintain Capital Assets in one of several ways: the issuance of a bond, allocation from the Town’s Environmental Open Space Fund for qualifying assets, operating revenue, capital reserves or fund balances. The method of funding is determined at the time the funds are required.

**Historical Capital Investment**

Capital expenditures tend to vary from year to year much more than operating expenses. The graph on the following page reflects the Town’s capital investments as compared to the revised budgets in the past five years. Many capital projects that have approved budgets were phased in and or deferred until needed.

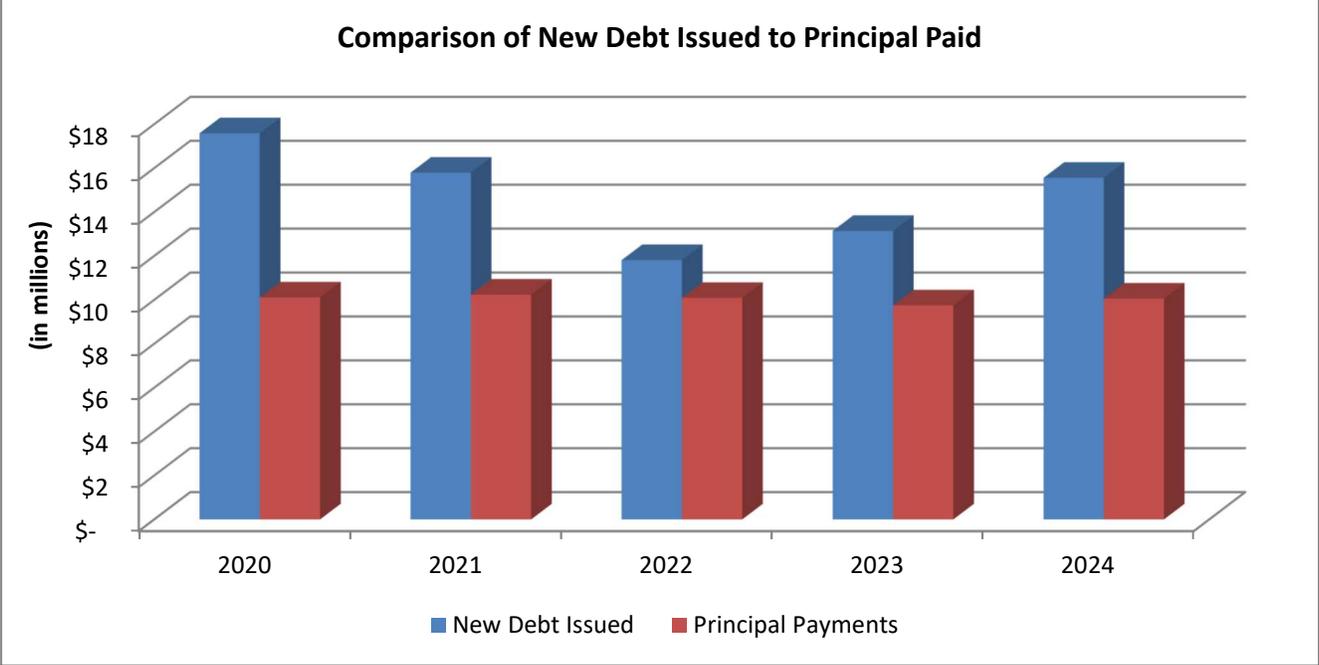

The 2025 Town’s Capital Budget is \$17.28 million; of this amount \$2.67 million will be funded through grants and \$14.61 million will be funded by the Town through various sources. In the 2025 Capital Budget:

- \$7.25 million or 41.96% is for Highway infrastructure
- \$2.35 million or 13.60% for Dix Hills Water District Improvements
- \$7.68 million or 44.44% for other needed infrastructure and equipment purchases.

# Town of Huntington 2025 Capital Budget Program Narrative

Funding for any one capital project may include several different sources of funds. The Town’s goal is to bond an amount that does not increase debt service in the operating budget. This has been achieved in most years by issuing debt for approximately the same amount or less of principal paid in any given year. The following chart provides the historical analysis for a five-year period.

The following Capital Projects are included in the 2025 Capital Budget. As such, there is no effect on the 2025 Operating Budgets for capital projects that are designated to be bonded other than specifically stated. The 2025 debt service budget for principal and interest is \$14,218,700. The actual 2024 debt service budget for principal and interest was \$13,446,000. Therefore, the 2025 debt service budget will increase by \$772,700 in comparing to the actual 2024 debt service budget.

2024 Capital Budget Program**

	Source of Funding				
	<u>AMOUNT</u>	<u>FUND BALANCE</u>	<u>GRANT</u>	<u>RESERVES</u>	<u>BOND</u>
<b>General Fund - Engineering</b>					
<u>Broadway-Greenlawn Jumpstart Program</u> - Traffic Calming Improvements.	650,000	-	650,000	-	-
<u>West Neck Beach Causeway</u> - Rebuild the West Neck Causeway	350,000				350,000
<u>Chase Bank Parking Lot</u> - New parking lot for the Gerard St. -New York Ave. location.	1,000,000	-	-	-	1,000,000

<b>General Fund - General Services</b>					
<u>Vehicle and Equipment Replacement</u> - Vehicles and Equipment that have exceeded their useful lives and are beyond repair need to be replaced on an annual basis.	500,000	-	-	-	500,000
<u>Townwide Fencing</u> - Ongoing capital project to replace fencing as needed throughout the Town.	100,000	-	-	-	100,000
<u>Townwide Infrastructure</u> - Routine capital project for Townwide funding that is used on an as needed basis for improvements to various Townwide buildings and facilities.	100,000	-	-	-	100,000
<u>Town Hall Exterior Waterproofing</u> - Maintenance and repair of the outside walls of Town Hall that have contributed to water damage inside the building.	100,000	-	-	-	100,000
<u>Tank Sump Upgrades</u> - Ongoing project to upgrade and improve Townwide sumps.	100,000	-	-	-	100,000
<u>Town Hall Rehabilitation</u> - Replacement of damaged flooring in various Town Hall offices.	100,000	-	-	-	100,000

<b>General Fund - Information Technology</b>					
<u>Technology Infrastructure</u> - Upgrade and improve our current technology infrastructure with the purchase of servers, network switchers and storage to improve the Town's network and security.	167,000	167,000	-	-	-
<u>Govern Upgrade</u> - Upgrade and improve the Town's foundational Land Management System.	175,000	175,000			

<b>General Fund - Maritime</b>					
<u>Equipment</u> - Purchase of two (2) M-1 motors	100,000	100,000	-	-	-
<u>Mill Dam Marina update</u> - Marina update with piling replacement and floating docks.	100,000	100,000	-	-	-
<u>Hobart Beach</u> - Sand Replenishment	80,000	80,000	-	-	-
<u>Cold Spring Harbor</u> - Dock & Park Rehab	500,000	-	-	-	500,000

<b>General Fund - Human Services</b>					
<u>Gym Air Conditioner</u> - Cooling system for gym at the Senior Center.	34,285	34,285	-	-	-

<b>General Fund - Public Safety</b>					
<u>Access Control for Town Hall</u> - Safety enhancement upgrades made to Town Hall in order to increase video monitoring.	100,000	100,000	-	-	-
<u>Vehicles</u> - Purchase of two (2) Security Division Vehicles	90,000	-	-	-	90,000
<u>Vehicles</u> - Purchas of two (2) Park Ranger Vehicles that are off lease.	140,000	-	20,000	-	120,000
<u>Animal Shelter Rehabilitation</u> - Engineering costs associated with major renovations in order for the Animal Shelter facility to comply with NYS laws.	265,000	-	-	-	265,000
<b>Total General Fund</b>	<b>\$ 4,751,285</b>	<b>\$ 756,285</b>	<b>\$ 670,000</b>	<b>\$ -</b>	<b>\$ 3,325,000</b>

2024 Capital Budget Program**

**Source of Funding**

<u>AMOUNT</u>	<u>FUND BALANCE</u>	<u>GRANT</u>	<u>RESERVES</u>	<u>BOND</u>
---------------	-------------------------	--------------	-----------------	-------------

**Part Town - Transportation & Traffic Safety**

<b><u>Traffic Signal Modernization</u></b> - Routine annual allocation of funding to upgrade traffic signals and implement traffic calming measures where needed. Certain intersections require replacement signals and calming measures.	500,000	500,000	-	-	-
<b><u>Purchase of 2 Cutaway Trucks with Boom</u></b>	200,000	200,000	-	-	-
<b>Total Part Town</b>	\$ 700,000	\$ 700,000	\$ -	\$ -	\$ -

**Highway Fund**

<b><u>Roadway Rehabilitation</u></b> - Annual resurfacing of streets and roads throughout the Town in accordance with the Department of Highway's replacement plan. Each year, the Town's roadways require repaving and drainage improvements as a result of weather conditions and wear and tear. This project will save maintenance costs in the operating budget.	5,500,000	-	-	-	5,500,000
<b><u>Drainage and Pavement</u></b> - Annual funding to make drainage improvements throughout the Town. Where possible, drainage systems are being installed to minimize the need for individual overflow pools. This allocation will be utilized to install drainage systems and improvements prior to paving the roads affected throughout the Town.	1,000,000	-	-	-	1,000,000
<b><u>Highway Equipment</u></b> - Routine annual funding for the Highway Department to fund the replacement of heavy equipment vehicles in accordance with the vehicle replacement plan. The fleet of heavy equipment is aging and requires more maintenance costs as it ages. This project will save some maintenance expenses in the annual operating budget.	750,000	-	-	-	750,000
<b>Total Highway Fund</b>	\$ 7,250,000	\$ -	\$ -	\$ -	\$ 7,250,000

**Huntington Sewer District Fund**

<b><u>Sewer Lines Rehabilitation</u></b> - The collection system was constructed beginning in 1916. The program is in phase two which identifies problematic areas within the 33 miles of the collection system, allowing for the proper repair and maintenance of the system. Spot repairs are made of leaking joints, cracked joints and partially collapsed pipes in the sewers as determined by clean and TV work by Huntington Sewer Treatment Plant Road Crew. This is a recurring annual capital request for collection system rehabilitation.	300,000	300,000	-	-	-
<b><u>Primary Clarifiers Rebuild</u></b> - The Huntington Sewer Treatment Plant has five Primary Clarifiers that use sedimentation to settle solids out of wastewater. These clarifiers were rebuilt in 1987. While certain physical and mechanical components have been maintained since that date, a complete rebuild is required at this time. This year the plan is to rebuild the fifth and final clarifier at the Huntington Sewer Treatment Plant	100,000	100,000	-	-	-

**Town of Huntington  
2024 Capital Budget Program**

	Source of Funding				
	<u>AMOUNT</u>	<u>FUND BALANCE</u>	<u>GRANT</u>	<u>RESERVES</u>	<u>BOND</u>
<b><i>Huntington Sewer Treatment Plant Upgrades</i></b> - Upgrades of pumps, aeration racks and headwork improvements resulting in increased capacity, thereby allowing continued development within the Sewer District and possibly allowing for sewer connections for parcels outside the District around Huntington Harbor, which would improve ground and surface water quality.	400,000	-	-	-	400,000
<b><i>Manhole Rehabilitation</i></b> - Ongoing program for the repair and replacement of manholes in the District. Deteriorating manholes are a safety hazard as well as a source of storm water infiltration into the sewer system.	50,000	50,000			-
<b><i>Huntington Sewer Treatment Plant Storm Resiliency</i></b> - Installation of surge protectors at the Treatment Plant.	625,000	125,000	500,000		
<b><i>Huntington Sewer Treatment Plant Generator #1</i></b> - Replacement of backup generator & transfer switch.	200,000				200,000
<b><i>Huntington Sewer Treatment Plant Microturbine</i></b> - Installation of microturbine at the Treatment Plant.	500,000		500,000		
<b><i>Sludge Pump</i></b> - Replacement of sludge pump at the Treatment Plant.	50,000	50,000			
<b><i>Total Huntington Sewer District Fund</i></b>	\$ 2,225,000	\$ 625,000	\$ 1,000,000	\$ -	\$ 600,000

**Dix Hills Water District**

<b><i>District Wide Meter Replacement</i></b> - Continuation of digital meter replacement.	2,200,000	-	-	-	2,200,000
<b><i>Vehicle replacement</i></b> - replacement of old vehicles are the past their useful life.	150,000	-	-	-	150,000
<b><i>Total Dix Hills Water District</i></b>	\$ 2,350,000	\$ -	\$ -	\$ -	\$ 2,350,000
<b><i>Total Capital Projects</i></b>	\$ 17,276,285	\$ 2,081,285	\$ 1,670,000	\$ -	\$ 13,525,000
